**STATEMENT OF DIRECTORS RESPONSIBILITIES**

Company law requires the directors to prepare the financial statements for each financial period which give a true and fair view of the state of affairs of the company as at the end of the financial period and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to

Select suitable accounting policies and then apply them consistently

Make judgements and estimates that are reasonable and prudent

Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure the financial statements comply with the Companies Act. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities
