## 2.2 **Nature and priority**

The Security Interest granted under this deed:

- (a) subject to clause 22.2 operates as a mortgage over all:
  - (i) Interests; and

## **UNDERTAKINGS AND WARRANTIES**

- 4.1 The Grantor represents, warrants and undertakes that the Security Interest granted under this deed is and will remain a Security Interest with respect to all Collateral and that there is no agreement, filing or registration that would enable another person to obtain a priority over the Security which is inconsistent with the priority contemplated by this deed.
- 4.2 The Grantor undertakes to maintain and protect all Interests.
- 4.3 Without limiting clause 4.2, the Grantor represents and warrants that:
  - (a) if the Grantor owns or holds Marketable Securities in the Company, each Interest is fully paid, there are no Marketable Securities in the Company other than the Interests and there is no agreement, arrangement or understanding under which further Marketable Securities with rights of conversion into shares in the Company may be issued to any Entity other than the Grantor;

  - (c) it has provided to the Secured Party all documents and information necessary for the Secured Party to complete a valid and fully effective transfer of each Interest (noting that the original share certificate and original blank share transfer form are to be delivered by the Grantor to the Secured Party within 14 days of the date of this deed); and
  - (d) it will not vote on, or in relation to, the Interests while an Event of Default is subsisting other than with the consent of the Secured Party. Whilst an Event of Default is subsisting it will vote those Interests or abstain from voting those Interests as directed by the Secured Party.

- (b) for more satisfactorily assuring or securing the Collateral to the Secured Party in a manner not inconsistent with this deed; or
- (c) for aiding the exercise of any Power,

the Grantor must do it immediately at its own cost. That may include, for that purpose:

- (e) creating, procuring or executing any document, including any notice, consent or agreement, or legal or statutory mortgage or transfer; and

### **6.2 The Powers which can be exercised**

7.3 The Power to appoint a receiver or receiver and manager may be exercised even if the Liquidation of the Grantor has occurred or will occur.

#### **COMPLETION OF DOCUMENTS**

- 9.1 At any time, whilst an Event of Default is subsisting, the Secured Party, any Receiver or any Attorney may complete any document executed by or on behalf of the Grantor and deposited with the Secured Party (or its legal representatives). It may complete it in favour of the Secured Party, any appointee of the Secured Party or any purchaser.

#### **PERFORMANCE OF GRANTOR'S OBLIGATIONS**

- 10.1 If at any time the Grantor fails to duly perform any obligation in any Finance Document, the Secured Party or any person it authorises may do anything which in the Secured Party's opinion is necessary or expedient to make good or to attempt to make good that failure to the Secured Party's satisfaction.

#### **INSPECTION**

- 11.1 The Secured Party or any person it authorises may inspect and copy the records of the Grantor related to any Collateral and inspect the Collateral at any reasonable time on giving reasonable prior written notice to the Grantor of its intention to do so. - (c) Where a law which cannot be excluded requires that a period of notice must be given, or a lapse of time must occur, but allows the period to be specified or changed, that period will be one day.

(i) whether an Event of Default has occurred, whether an Event of Default is subsisting or whether this deed has become enforceable;

(ii) whether a person who is, or, purports or is purported to be, a Controller or Attorney is duly appointed;

(iii) as to the amount of Secured Obligations and whether Secured Obligations are due and payable; or

(iv) in any other way as to the propriety or regularity of the Dealing.

(b) No party to any Dealing and no person asked to register a Dealing is affected by notice that the Dealing is unnecessary or improper.

- (c) For the protection of any party to a Dealing or a person registering a Dealing, the Dealing will be taken to be authorised by this deed and will be valid accordingly, even if there is any irregularity or impropriety in the Dealing.
- (d) In this clause a Dealing is:
  - (i) any payment, or any delivery or handing over of an asset, to; or
  - (ii) any acquisition, incurring of financial indebtedness, receipt, sale, lease, disposal or other dealing, by,

the Secured Party or any Controller or Attorney, or any person who purports or is purported to be a Controller or Attorney.

#### 16.2 **Receipt**

The receipt of the Secured Party, or any Controller or Attorney (or person who purports, or is purported, to be such a Controller or Attorney) for any money or assets payable to or receivable or received by it exonerates the person paying that money or handing over that asset from being concerned as to their application, or from being liable or accountable for their loss or misapplication.

### **COSTS AND EXPENSES**

#### 17.1 **Costs and expenses**

The Grantor shall pay to the Secured Party on demand:

- (a) any money paid by the Secured Party or any Receiver as a result of the Secured Party or any Receiver taking action which the Secured Party or any Receiver considers necessary or desirable in connection with any Collateral or to procure compliance with any obligation of the Grantor in this deed, or in respect of any action or thing expressed in this deed to be done at the cost of the Grantor; and
- (b) all costs, fees, taxes and expenses incurred by the Secured Party or any Receiver under or in connection with this deed or its enforcement and/or the preservation of the Secured Party's rights under this deed.

### **CONTINUING SECURITY**

- 19.1 This deed is a continuing security despite any settlement of account, intervening payment or anything else until a final discharge of this deed has been given to the Grantor.

## **OTHER SECURITIES**

- 20.1 No Power and nothing in this deed merges in, or in any other way prejudicially affects or is prejudicially affected by:
- (a) any other guarantee or security interest; or
  - (b) any judgment, right or remedy against any person,
- which the Secured Party or any person claiming through the Secured Party may have at any time.

## **WAIVERS, REMEDIES AND POWERS CUMULATIVE**

- 21.1 No failure to exercise and no delay in exercising a Power operates as a waiver nor does any single or partial exercise of a Power preclude any other or further exercise of that or any other Power.
- 21.2 Powers in the Finance Documents are in addition to, and do not exclude or limit, any right, power or remedy provided by law.

## **SEVERABILITY OF PROVISIONS AND COLLATERAL**

### **22.1 Severability of provisions**

Any provision of any Finance Document which is prohibited or unenforceable in any jurisdiction is ineffective as to that jurisdiction to the extent of the prohibition or unenforceability. That does not invalidate the remaining provisions of that Finance Document nor affect the validity or enforceability of that provision in any other jurisdiction.

### **22.2 Restricted Collateral**

- (a) If the Security Interest granted under this deed with respect to any Collateral would:
- (i) otherwise be ineffective with respect to the Collateral; or
  - (ii) breach any law or (if that Collateral is a right under a document or agreement) that document or agreement,
  - (iii) then if it would render the Security Interest with respect to that Collateral effective and not in breach, the Security Interest will operate as a fixed charge with respect to the Collateral, failing which, it will operate as a floating charge with respect to that Collateral, failing which it will not apply to that Collateral.
- (b) The Grantor must use its best efforts promptly to obtain any consents and do anything else needed to ensure the Security Interest can apply to that Collateral and not operate as a floating charge.

## **SUPERVENING LEGISLATION**

### **23.1 Exclusion of legislation**

To the full extent permitted by law, all legislation which at any time directly or indirectly:

- (a) lessens, varies or affects in favour of the Grantor any obligation under a Finance Document; or
- (b) delays, prevents or prejudicially affects the exercise by the Secured Party or any Controller or Attorney of any Power,

is excluded from the Finance Document.

## 23.2 **Personal Property Securities Act**

Without limiting clause 23.1 in respect of the PPSA:

  - (i) sections 117 and 118 (relationship with land laws);
  - (ii) sections 128 and 129 (disposal of collateral); and
  - (iii) sections 134(1) and 135 (retention of collateral);
- (b) the Grantor waives each right to receive a notice which sections 144 or 157(3) permit it to waive;
- (c) the Grantor waives its rights to receive anything from the Secured Party under section 275 and agrees not to make any request of the Secured Party under that section; and
- (d) any disposal or other exercise of Powers under this deed or otherwise will only be taken to be under a provision listed in paragraph (a) if the Secured Party so elects.

## **ASSIGNMENTS**

- 24.1 The Secured Party may assign or novate all or any of its rights or novate all or any of its obligations under this deed to another person. On that person agreeing in a deed in favour of the Grantor to assume all obligations of the Secured Party novated to it, the Secured Party will be relieved of those obligations.
- 24.2 If the Secured Party's rights under this deed are assigned or novated, the Secured Obligations will include all actual and contingent liability of a Grantor to the assignee, whether or not it was incurred before the assignment or novation or in contemplation of it.
- 24.3 The Grantor may only assign or novate any of its rights or obligations under this deed with the prior written consent of the Secured Party. Any purported assignment or novation without such consent will be ineffective.

## **NOTICES**

### 25.1 **Method of service**

## **GOVERNING LAW AND JURISDICTION**

- 26.1 The law of the State of New South Wales governs this deed (including the Security Interest created by it and the contractual obligations between the Grantor and the Secured Party under it) to the extent this is permitted under the PPSA. To the extent this is not permitted, the law of the Commonwealth of Australia as it applies in that state will be applied to the extent that is permitted under the PPSA. To the extent this is not permitted, the governing law will be determined in accordance with the requirements of the PPSA.
- 26.2 The Grantor submits to the non-exclusive jurisdiction of the courts having jurisdiction in New South Wales and waives any right to object to the venue on any ground.
- 26.3 To the extent permitted by law, the agreement in this clause prevails to the extent that it is inconsistent with any law.

A party who has executed a counterpart of this deed may exchange it with another party by faxing the executed counterpart to that other party, and if requested by that other party, will promptly deliver the original by hand or post. Failure to make that delivery will not affect the validity of this deed.

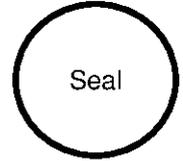

## **EXCHANGE**

- 28.1 The parties agree that a fully executed and digitally scanned copy of this deed, whether exchanged by facsimile or email (including in portable document format), constitutes evidence of due execution and any document so exchanged serves as a legal and binding document with the same force and effect as the original (where such facsimile or email address has been notified by a party to each other party for these purposes).
