Whilst many of these tasks have not had a direct benefit in enhancing realisations for the insolvent estate, they have assisted in the efficient and compliant progressing of the administration, which has ensured that the Joint Administrators and their staff have carried out their work to high professional standards.

During the Review Period, primarily these tasks have included:

- Informing all relevant persons of the commencement of the Administration, including filing statutory documents at Companies House and meeting statutory advertising requirements;
- Issuing the Joint Administrators' Proposals, seeking relevant creditors' approvals and issuing notice of the outcome;
- Drafting and issuing the progress report to creditors;
- Considering which exit route from Administration is appropriate and drafting this final report;
- Consulting with and instructing staff and independent advisers as regards practical, technical and legal aspects of the case to ensure efficient progress;
- Maintaining case files, which must include records to show and explain the administration and any decisions made by the Joint Administrators that materially affect the administration;
- Monitoring and maintaining an adequate statutory bond;
- Conducting periodic case reviews to ensure that the administration is progressing efficiently, effectively and in line with the statutory requirements;

- Maintaining and updating the estate cash book and bank accounts, including regular bank reconciliations and processing receipts and payments; and
- Completing periodic tax returns.

### Realisation of assets

### Cash at Bank

Funds totalling £18,456.36 were received from the Company's bank account during the Review Period.

### **Plant and Machinery**

The Company held a number of items of plant and machinery based in Uxbridge.

Agents, Richard Birch & Co, were instructed to collect and arrange to sell the Company's assets. A sale has been achieved for £116,795 plus VAT for the Company's plant and equipment and these funds have been received.

#### **Motor Vehicles**

The Company held an interest in three motor vehicles with an estimated book value of £14,000. Agents Richard Birch & Co, were instructed to arrange for the sale of the vehicles and the sum of £7,000 has been received in relation to two motor vehicles. The agents remain in the process of attempting to realise the final vehicle.

### **Book Debts**

The Company factored its book debts, and as a result they were held as security by Royal Bank of Scotland Invoice Finance.

Following the discharge of their security, there was a surplus of £16,718.53. Further, several Debtors paid their outstanding debt prior to our appointment into the Company's bank account and these debts have been included in the Company's cash at bank figure. I instructed solicitors on a percentage basis to assist me in retrieving the funds from the final outstanding book debtor.

I have been advised that the debtor has entered into Administration and therefore I intend to submit a claim within the Administration on behalf of the Company and this matter is currently ongoing.

### Stock

Agents Richard Birch & Co, were instructed to arrange to sell the scrap stock owned by the Company and the sum of £11,314 has been realised.

### Goodwill

I instructed solicitors on a time costs basis in order to assist me in drafting a sale purchase agreement between the Company and a third party with regards to the goodwill and intellectual property of the Company. The sum of £30,000 plus VAT was realised in this respect and solicitor's timecosts totalled £6,856.60 plus VAT, all of which has been discharged.

### Estimated future realisations

As outlined above, my agents remained instructed in relation to the remaining motor vehicle and this shall be dealt with throughout the Liquidation process which will have no effect on the value.

### Costs incurred but remaining unpaid

There are no costs that have been incurred during the Review Period which as yet remain unpaid.

These costs are included within the Estimated Outcome Statement at Appendix III, as they will be discharged from the liquidation estate funds.

During the Review Period, the Joint Administrators have also incurred time costs and direct expenses, not all of which have yet been discharged. Further details of these costs are set out in section 6 below.

### 3. CREDITORS: CLAIMS AND DISTRIBUTIONS

### Secured creditors

The Company granted a fixed and floating charge to Royal Bank of Scotland Invoice Finance Limited on 27 April 2013, who was owed £23,571.18 on appointment. The Joint Administrators' legal advisors, Harrison Clark Rickerbys, have confirmed the validity of the charge and their charge has now been satisfied and discharged due to the realisations from the factored book debts.

### Preferential creditors

Preferential claims relating to unpaid holiday pay and wage arrears were estimated at £4,830.37 in the Director's Estimated Statement of Affairs. No dividend to preferential creditors has been paid.

It is anticipated that a dividend of 100p in the £ will be paid to preferential creditors during the liquidation.

### **Prescribed Part**

The secured creditor's claim has been discharged in full from book debt recoveries and consequently there was no prescribed part in this Administration.

### **Unsecured creditors**

Unsecured claims were estimated at £510,255.74 in the Director's Estimated Statement of Affairs.

A dividend to unsecured creditors is expected and this will be paid by the Joint Liquidators.

### Claims process

Due to the possible distribution to unsecured creditors, you are requested to submit claims to the address on the front of this report, marked for the attention of Daniel Salmon.

A Proof of Debt form is attached at Appendix VIII.

### 4 INVESTIGATIONS

### Investigations

As part of the Joint Administrators' statutory duties, an investigation into the conduct of the Company Directors was completed.

In this regard, a confidential report was submitted to The Insolvency Service on 6 February 2019.

### Initial Assessment of Potential Recoveries

As part of our duties as Joint Administrators, we reviewed shortly after appointment all the information available to us and conducted an initial assessment of whether there were any matters which may have led to any recoveries for the benefit of creditors.

We confirm that we did not identify any further assets or actions which would lead to a recovery for creditors.

#### 5 Other Information

#### 6 THE JOINT ADMINISTRATORS' FEES AND EXPENSES

### **Pre-Administration Costs**

Included within the Joint Administrators' Proposals was a Statement of Pre-Administration Costs.

These costs were approved as detailed below:

| Party instructed | Amount approved (£) | Date approved |
|------------------|---------------------|---------------|
| Quantuma LLP     | 5,000               | 22/1/2019     |
| TOTAL APPROVED   | £5,000              | 22/1/2019     |

### The Joint Administrators' Fees

The bases of the Joint Administrators' fees were fixed on 22 January 2019 by the resolution of creditors as follows:

1. That the Joint Administrators fees be fixed by a set amount of £30,000; and 10% of the value of gross asset realisations from the date of administration; and 20% of realisations from antecedent transactions.

"A Creditors' Guide to Administrators' Remuneration" effective from 6 April 2017 is available for download at <a href="http://www.quantuma.com/guide/creditors-guide-fees/">http://www.quantuma.com/guide/creditors-guide-fees/</a> together with Quantuma LLP's Schedule of Current Charge Out Rates and Chargeable Disbursements.

Should you require a paper copy, please send your request in writing to the Joint Administrators at the address on the front of this report and this will be provided to you at no cost.

### Comparison of estimates

The expenses incurred to date are compared with the original expenses estimate as follows:

| Expenses                   | Original expenses estimate | Actual expenses incurred in the Review Period £ | Reason for any excess (if the expenses are likely to, or have, exceeded the original estimate)  |
|----------------------------|----------------------------|---|---|
| Legal costs                | 2,000                      | 9,623.30  | Significant time incurred in drafting sale purchase agreement, deed of assignment and corresponding with interested parties                                 |
| Agents' and valuers' costs | 10,000                     | 19,832.12                                       | Significant time incurred realising assets and corresponding with interested parties  |
| Advertising                | 162.90                     | 113.00  |   |
| Insurance                  | 400.00                     | 1,043.12  | Significant time incurred realising assets and corresponding with interested parties has led to insurance being required for a longer period than expected. |
| Bonding                    | 135                        | 135   |   |
| Other Category 1 expenses  | 80.00                      | 87.86   |   |
| Category 2 expenses        | 126.00                     | 234.21  |   |
| TOTAL                      | 12,903.90                  | 29,725.49                                       |   |

The bases on which the expenses defined as Category 2 disbursements are calculated are explained in Appendix IV.

As can be seen above:

the original expenses estimate has been exceeded largely due to the increase in costs
of agents fees and legal fees. As explained above both expenses incurred have been
exceeded due to the significant amount of time that has had to be incurred in realising
the assets, corresponding with interested third parties and their solicitors and the
drafting of legal documentation.

### Payment of the Joint Administrators' unpaid fees and costs

In accordance with the Insolvency Act 1986, all unpaid fees (subject to any approved fees estimate) and costs, as described in the sections above, are charged on and payable out of the Company's property. Thus, the Joint Liquidators will be responsible for discharging these sums from the assets and funds handed over to them by the Joint Administrators.

### Creditors' right to request information

Any secured creditor, or unsecured creditor with the support of at least 5% in value of the unsecured creditors or with permission of the Court, may request in writing the Joint Administrators to provide additional information regarding fees or expenses to that already supplied within this report. Such requests must be made within 21 days of receipt of this report.

### Creditors' right to challenge fees and/or expenses

Any secured creditor, or unsecured creditor with the support of at least 10% in value of the unsecured creditors or with permission of the Court, may apply to the Court for one or more

orders, reducing the amount or the basis of fees which the Joint Administrators are entitled to charge or otherwise challenging some or all of the expenses incurred.

Such applications must be made within 8 weeks of receipt by the applicant(s) of the progress report detailing the fees and/or expenses being complained of.

Please note that such challenges may not disturb fees or expenses (whether or not discharged from the estate) disclosed in prior progress reports.

### 7 THE OUTCOME OF THE ADMINISTRATION

### Comparison of the outcome with the Joint Administrators' Proposals

Attached at Appendix II is a summary of the Joint Administrators' Proposals as approved.

It had been envisaged that the second Administration objective would be achieved, namely that there would be a better result for creditors as a whole than would be likely if the Company were wound up (without first being in Administration). As described above, it can be seen that this Administration objective was achieved.

The balance in the Joint Administrators' account of £90,455.82 together with control of the remaining assets yet to be realised and claims to be progressed as described above, is being transferred to the Joint Liquidators. An Estimated Outcome Statement as at 27 June 2019 is attached at Appendix IV. This illustrates the anticipated outcome of the subsequent liquidation.

The Joint Administrators are now moving the Company from Administration to Creditors' Voluntary Liquidation to enable a dividend to be paid to unsecured creditors. The Joint Liquidators will also continue to pursue the remaining assets and other matters described in this report. As noted in Appendix II, the Joint Administrators' approved Proposals included that, absent any alternative nomination, the Joint Administrators would take the appointment as Joint Liquidators without further recourse to the creditors. There were no other nominations and therefore the Joint Administrators will be appointed Joint Liquidators.

1.5 The Statement of Proposals at Appendix I provides explanations of the events leading to the Administration and the progress of the Administration to date, as well as other statutory information.

- 1.6 This Proposal provides more detailed information on the work that the Joint Administrators anticipate they will undertake to complete the Administration together with their proposed basis of fees. To put this request into context, this Proposal provides further information on the Joint Administrators' costs to date, including the costs incurred prior to Administration. It also explains other matters for creditors' consideration, such as the proposed timing of the Joint Administrators' discharge on conclusion of the Administration.
- **1.7** Definitions of the terms used in this Proposal are provided in Appendix I together with all statutory information pertaining to the Company.

### 2. Statement of Pre-Administration Costs

2.1 Pre-administration costs are defined in the Insolvency Rules as fees charged and expenses incurred by the Administrators or their firm, or another person qualified to act as an insolvency practitioner, before the company entered Administration but with a view to its doing so.

This statement outlines those fees and expenses that were paid prior to the Administration and those where approval is being sought to pay them from Administration funds.

- 2.2 On 15 November 2018, the directors Martin Rai, David Lees and Paul Lees agreed with the proposed Joint Administrators that Quantuma LLP be paid fees for work done prior to the Administration on the basis of an estimated set fee of £7,500 to £10,000 plus VAT and related expenses for the following tasks and matters that were considered to be necessary to placing Mode-AL Limited into Administration.
- 2.3 Setting the Joint Administrators' fees in the sum of £10,000 is considered to be a fair and reasonable reflection of the work undertaken, because if the Joint Administrators were to charge their fees on the basis of time costs incurred by them and their staff, this would result in a fee in excess of that proposed.

Prior to Administration, the proposed Joint Administrators gathered information on the Company to ensure that they were in a position to consent to act as Joint Administrators and to formulate an initial strategy for pursuing achievement of an Administration objective. Agents and Solicitors were engaged to assist the valuation of the business and assets and with the preparation of administration documents. This work was carried out prior to Administration so that there would be no delay in the Joint Administrators implementing the strategy immediately on appointment. In this way, the business could be maintained as a trading entity on Administration, which improved the likelihood that significantly enhanced realisations could be achieved for the business and assets, thus furthering the second objective of achieving a better result for creditors as a whole than would be likely if the Company were wound up. This work was expected to have a financial benefit for creditors, as the strategy of pursuing the second Administration objective would improve the prospects of recovery, even avoiding some claims arising, e.g. those of the employees.

2.4 The pre appointment costs of the Joint Administrators in the sum of £10,164.50 were incurred in relation to activities outlined above.

£5,162,90

- 2.5 The Joint Administrators have not incurred any disbursements pre appointment.
- 2.6 As confirmed above, Blake Morgan were instructed on 6 November 2018 to provide legal advice to the Company and the proposed Administrators. It was agreed that their services would be provided on a time costs basis and consequently costs were incurred in the pre-administration period in connection with the following activities:
  - Preparing and submitting to Court a Notice of Intention to Appoint Administrators and board minutes
  - Preparing and submitting the Notice of Appointment of Administrators

Richard Birch & Co were instructed on 5 November 2018 to carry out an inventory and valuation of the Company's assets on going concern (in situ and ex situ) bases and a forced sale basis, and to provide advice in respect of any offers received by the Company for its business and assets from any potential purchaser.

It was agreed that their services would be provided on a percentage basis.

- 2.7 We are unaware of any additional costs incurred by any other professionals qualified to act as an insolvency practitioner in respect of the Company. Should any claims subsequently come to light, they will be dealt with in the manner provided for by the Insolvency Rules.
- 2.8 A summary of the total costs incurred together with details of those which were paid pre-Administration and the amounts remaining outstanding, follows below:

|   | Total cost<br>incurred | Amount<br>already<br>Paid | Identity of<br>party who<br>made<br>payment | Amount<br>Outstanding |
|---|------------------------|---------------------------|---|-----------------------|
|   | £                      | £                         | p-cyonc                                     | £                     |

| Legal costs   | TBC                    | Nil                       |   | TBC                   |
| Valuation Agent's costs<br>Administrators' Pre-<br>administration<br>Disbursements                      | TBC                    | Nil                       |   | TBC                   |

2.9 Consequently the unpaid pre-Administration costs are as follows:

**Total Amount Outstanding** 

|  | £       |
|--|---------|
| Quantuma LLP's fixed fee (see Appendix II) | £5,000  |
| Quantuma LLP's disbursements               | £162.90 |
| Agents' costs                              | TBC     |
| Solicitors' casts                          | TBC     |

**Total** £6,162.90

**2.10** I am seeking to recover all the unpaid pre-Administration costs and expenses scheduled in paragraph 2.9 above as an expense of the Administration.

2.11 The payment of the unpaid pre-Administration costs as an expense of the Administration is subject to approval under Rule 3.52 of the Rules and is not part of the Statement of Proposals subject to approval under Paragraph 53 of Schedule B1 of the Act. Further explanation of the approval process is provided in Section 9.

### 3. The Joint Administrators' Fees

- 3.1 The Joint Administrators propose to fix their fees on the following basis:
  - (i) That the Joint Administrators fees by fixed by a set amount of £30,000; and 10% of the value of gross asset realisations from the date of the administration; and 20% of antecedent transaction realisations.
- 3.2 Attached at Appendix IV is a breakdown of the time costs incurred in the Administration to 20 December 2018. The Statement of Proposals provides an account of the work undertaken to date and Appendix V provides a detailed list of work undertaken and proposed to be undertaken by the Joint Administrators and their staff.
- 3.3 The charge-out rates of the Joint Administrators and their staff are detailed in Appendix III. The appropriate staff have been assigned to work on each aspect of the case based upon their seniority and experience, having regard to the complexity of the relevant work, the financial value of the assets being realised and claims being agreed. The grades of staff instructed to assist in this matter and their key responsibilities include
  - Administrators: maintenance of the creditors' contacts database, assisting with creditors' queries and routine correspondence, assisting in the realisation of assets, employee matters, liaising with creditors and debtors, preparing reports to creditors and other statutory matters, and managing the cashiering function
  - Managers: reviewing the Company's position and affairs, handling asset realisations, reviewing draft statutory reports to creditors and overseeing the tax and VAT aspects of the case
- 3.4 Creditors may access a Guide to Administrators' Fees effective from 6 April 2017 at <a href="http://www.quantuma.com/guide/creditors-guide-fees/">http://www.quantuma.com/guide/creditors-guide-fees/</a> or a hard copy will be provided on request free of charge.
- **3.5** Further information is set out below and in the appendices to explain the future time costs that the Joint Administrators anticipate incurring in this Administration.

### 4. The Joint Administrators' Expenses

**4.1** Expenses are amounts properly payable by the office holder from the estate which are not otherwise categorised as the office holder's remuneration or as a distribution to a creditor or creditors. These may include, but are not limited to, legal and agents' fees, trading expenses and tax liabilities.

Disbursements are expenses initially met by, and later reimbursed to, an office holder in connection with an insolvency appointment and will fall into two categories: Category 1 and Category 2.

- Category 1 disbursements are payments to independent third parties where
  there is specific expenditure directly referable to the appointment in question.
  These are charged to the estate at cost with no uplift. These include, but are
  not limited to, such items as advertising, bonding and other insurance
  premiums. Legislation provides that administrators may discharge Category
  1 disbursements from the funds held in the insolvent estate without further
  recourse to creditors.
- Category 2 disbursements are also directly referable to the appointment in question but not to a payment to an independent third party. Payments may only be made in relation to Category 2 disbursements after the relevant creditors have approved the bases of their calculation.
- **4.2** Appendix III provides details of the bases of Category 2 disbursements that the Joint Administrators propose to recover from the insolvent estate and also provides details of the Category 1 and 2 disbursements as well as the other expenses that the Joint Administrators expect to incur in the Administration.

### Proposed Work to be Undertaken

5.1 Set out in Appendix V is a detailed list of tasks that the Joint Administrators propose that they and their staff will undertake together with their estimates of the time these tasks will take to carry out in total. The most material tasks are summarised below. The Estimated Outcome Statement attached to the Statement of Proposals provides an overview of the financial benefit that this work is expected to bring to creditors.

### Administration (including Statutory Reporting)

- 5.2 The Joint Administrators are required to meet a considerable number of statutory and regulatory obligations. Whilst many of these tasks do not have a direct benefit in enhancing realisations for the insolvent estate, they assist in the efficient and compliant progressing of the administration, which ensures that the Joint Administrators and their staff carry out their work to high professional standards.
- **5.3** Primarily, these tasks include:
  - Meeting all statutory reporting and filing requirements, including 6-monthly reports, seeking an extension where necessary, and issuing a final report and notices;
  - Consulting with and instructing staff and independent advisers as regards
    practical, technical and legal aspects of the case to ensure efficient progress;
  - Maintaining case files, which must include records to show and explain the administration and any decisions made by the Joint Administrators that materially affect the administration;
  - Conducting periodic case reviews to ensure that the administration is progressing efficiently, effectively and in line with the statutory requirements; and
  - Maintaining and updating the estate cash book and bank accounts, including regular bank reconciliations and processing receipts and payments.

### Investigations

- **5.4** The Joint Administrators examine the conduct of the Company and its directors prior to the Administration with two main objectives:
  - To identify what assets are available for realising for the benefit of creditors, including any potential actions against directors or other parties, such as challenging transactions at an undervalue or preferences; and
  - To enable the Joint Administrators to report to the Insolvency Service on the conduct of the directors so that the Insolvency Service may consider whether disqualification proceedings are appropriate ("CDDA" work).
- 5.5 In the early stages of the Administration, this work involves examining the Company's books and records, considering information received from creditors and the Company's accountants and seeking information from the Company's directors and other senior staff by means of guestionnaires and/or interviews.
- 5.6 In the event that questionable transactions are identified, it may be necessary to conduct further investigations and instruct solicitors to assist in deciding the Joint Administrators' next steps in pursuing a recovery. If a potential recovery action is identified, it may be necessary to instruct professional agents in gathering evidence and in exploring further the existence and value of assets to target. If the Joint Administrators encounter resistance in making a recovery, formal legal action may be appropriate.
- 5.7 In addition, if the Insolvency Service decides to proceed with a disqualification, the Joint Administrators will be required to assist the Insolvency Service's investigators in their work, which may include providing the investigators with access to the Company's books and records and agreeing statements to be given in evidence of those proceedings.
- 5.8 At this early stage, it is difficult to estimate the likely time costs and expenses that may be incurred in this work. The Fees and Expenses Estimates presented below reflect the anticipated work in identifying potential causes of action. If any are identified and the Joint Administrators consider that additional work is required, they may revert to the relevant creditors to seek approval for fees in excess of the estimate

### Realisation of assets

- **5.9** The Statement of Proposals summarises the work carried out by the Joint Administrators to date in realising the Company's assets. The principal matters that require further work are:
  - Continuing to pursue the Company's outstanding book debts;
  - Establishing the sums due in respect of the directors' loans/inter-company balances and pursuing settlement of these;
  - Concluding a sale of the Company's chattel assets, intellectual property and stock, which will involve determining the claims of retention of title; and
  - Maintaining appropriate insurance cover on the Company's assets until they have been disposed of.

### Creditors (claims and distributions)

- **5.10** As the Statement of Proposals explains, there a number of different classes of creditor involved in the Administration that require the Joint Administrators' attention. In particular, the Joint Administrators anticipate conducting the following key tasks:
  - Liaising with the secured creditors in relation to the sale of assets subject to their security:
  - Assisting the employees to receive payments from the RPO and liaising with the RPO to agree its claim;
  - Reviewing claims submitted by the tax departments and, where it is appropriate, examining the Company's records to appeal assessments or adjudicate on the Crown's claims;
  - Responding to creditors' queries and logging their claims and supporting information:
  - Maintaining the database as regards creditors' contact details and claims;
  - Dealing with a creditors' committee, if one is appointed;
  - Agreeing employee claims, calculating and paying a distribution to preferential creditors, if there are sufficient funds, and paying the subsequent PAYE/NI deductions to HMRC:
  - If a prescribed part dividend is to be paid in the Administration, adjudicating on all unsecured creditors' claims, including seeking further information where necessary; and
  - Where relevant, calculating and paying the prescribed part dividend and dealing with unclaimed dividends.

### Proposed work to be undertaken by the Joint Liquidators

- 5.11 At present, it appears possible that there will be sufficient funds to pay a dividend to unsecured creditors (other than by way of the prescribed part). As this will be carried out once the Company has moved from Administration to CVL, separate Fees and Expenses Estimates for the Liquidation have been provided at Appendix V.
- 5.12 Creditors will appreciate that it is difficult to estimate the time and expenses likely to be incurred by the Joint Liquidators at this time, not least because it is difficult to know when the Company will move from Administration to CVL and consequently what work will have been done by the Joint Administrators by the time that the move takes place. Therefore, although much of the time estimated to be incurred in the activities listed above has been included in the Joint Administrators' Fees Estimate, in the event that the Administration moves to CVL sooner than anticipated, the Joint Liquidators are likely to incur a proportion of the time currently allocated to the Joint Administrators, for example in concluding the book debt collections.
- **5.13** In any event, the Joint Liquidators will be required to carry out the following activities in addition to continuing to realise the Company's assets and conduct investigations, where these have not been completed in the Administration:
  - Meeting statutory requirements including: issuing notices on appointment; issuing annual progress reports and a final account to creditors; and completing periodic tax returns;
  - Maintaining case files, which must include records to show and explain the administration of the liquidation and any decisions made by the Joint Liquidators that materially affect the administration;
  - Conducting periodic case reviews to ensure that the liquidation is progressing efficiently, effectively and in line with the statutory requirements;

- Maintaining and updating the estate cash book and bank accounts, including regular bank reconciliations and processing receipts and payments;
- Adjudicating on all creditors' claims with the assistance of solicitors where necessary;
- Giving notice of the intention to declare a dividend; and
- Calculating, declaring and paying dividends to creditors and dealing with unclaimed dividends.

### 6. Other Information to Support the Proposed Fees

- **6.1** Appendix V provides the Joint Administrators estimate of the expenses that have been or are likely to be incurred.
- 6.2 Please note that the estimate has been provided on the assumptions given below. In the event that it proves necessary for the Joint Administrators to incur additional expenses in performing their duties, they will provide further details in their progress reports, but there is no statutory obligation to ask creditors to approve any adjusted Expenses Estimate.
- **6.3** In summary, the Joint Administrators propose that their fees be fixed in the sum of £30,000 together with 10% of gross asset realisations and 20% of antecedent transaction realisations.

The table below provides a summary of the proposed % basis realisation fees per asset. On the basis of the estimated to realise figures provided in the Estimated Outcome Statement, if recoveries are made as anticipated, the fee that is likely to be charged per asset is shown in last column of the table. This estimated figure is to provide assistance to creditors and is for illustration purposes only. It cannot be guaranteed.

| Asset                 | <u>% 8</u>      | asis Pro | posed        | Estimated to Realise Value £ | Estimated Fee<br>£ |
|-----------------------|-----------------|----------|--------------|------------------------------|--------------------|
| Plant                 | 10% of achieved | gross    | realisations | 99,500                       | 9,950              |
| Motor Vehicles        | 10% of achieved | gross    | realisations | 14,500                       | 1,450              |
| Book Debts            | 10% of achieved | gross    | realisations | 25,000                       | 2,500              |
| Furniture & Equipment | 10% of achieved | gross    | realisations | 1,730                        | 173                |
| Cash at Bank          | 10% of achieved | gross    | realisations | 18,456                       | 1,845.60           |
| Stock                 | 10% of achieved | gross    | realisations | 8,500                        | 850                |

6.4 Fixing the Joint Administrators' fees in this way provides creditors with certainty as regards the fees irrespective of developments in the Administration (although the Joint Administrators have a statutory right to seek creditors' approval to adjust the fee in the event that circumstances change materially) and, if the Joint Administrators were to charge their fees on the alternative basis of time costs incurred by them and their staff, it is very likely that this would result in a fee at least equal to, and likely in excess of, that proposed. On this basis, the Joint Administrators consider the proposed fee basis to be a fair and reasonable reflection of the work that they propose to undertake.

- **6.5** The proposed Expenses Estimate have been compiled on the assumptions set out below. Please note that these are assumptions only for the purposes of preparing the proposed fees and Expenses Estimate in accordance with the statutory provisions. It has been assumed that:
  - investigations to the extent described in section 5 above will be carried out;
  - no exceptional work will need to be conducted in order to realise the remaining assets
  - there will be no requirement to hold a physical creditors' meeting or additional decision procedure to consider the matters covered by this Proposal; and
  - there will be no need to extend the Administration

### 7. The Joint Administrators' Discharge

7.1 The Act requires that in the absence of a Committee the timing of the Joint Administrators' discharge from liability will be decided by the unsecured creditors. The Joint Administrators propose that this discharge will take effect when their appointment ceases to have effect, unless the court specifies a time.

### 8. Invitation to Form a Creditors' Committee

- 8.1 Attached at Appendix VIII is a Notice of Invitation to Form a Creditors' Committee. The purpose of the Committee is to assist the Joint Administrators in discharging their functions. In particular, a Creditors' Committee takes on the responsibility for approving the basis of the Joint Administrators' fees and other costs described above.
- **8.2** In the absence of a Committee, this responsibility falls to the unsecured creditors. The Joint Administrators do not see a need for a Committee to be formed in this case.
- 8.3 Notwithstanding this, creditors are entitled to seek the formation of Committee, provided that there are sufficient nominations to form a Committee. At least three nominations would be required and the requisite majority of creditors would also need to object to the proposed decision not to form a Committee. Appendices VII and VIII provide further information on these steps.

### 9. Approval Process

- 9.1 The Joint Administrators are proposing the decisions set out below by means of the process set out in Rule 15.7 (Deemed Consent) of the Rules. Creditors are not required to vote on these proposed decisions, but they may object to their approval. Please see the Notice Seeking Deemed Consent attached at Appendix VII for further information.
  - That the Joint Administrators' Proposals (i.e. the statutory Statement of Proposals at Appendix I), be approved;
  - That a Creditors' Committee will not be established; and
  - That the Joint Administrators be discharged from liability in respect of any action undertaken by them pursuant to Paragraph 98 of Schedule B1 of the Act, such discharge to take effect when the appointment of Joint Administrators ceases to have effect, as defined by the Act, unless the court specifies a time.

- 9.2 In addition, the Joint Administrators are seeking creditors' approval of the proposed decisions set out below by means of a vote by correspondence. Creditors are invited to vote on these proposed decisions by completing and returning the enclosed voting form together with a proof of debt form, if one has not already been submitted. These forms are attached at Appendix VII together with a Notice of Decision Procedure setting out the following proposed decisions:
  - That the Joint Administrators fees by fixed by a set amount of £30,000; and 10% of the value of gross asset realisations from the date of the administration; and 20% of antecedent transaction realisations.
  - That the Joint Administrators be authorised to recover all Category 2 disbursements, calculated on the bases detailed in Quantuma LLP's Summary; and
  - That the unpaid pre-Administration costs (£5,000 plus VAT) set out in the Joint Administrators' Proposal be approved.
- **9.3** The Joint Administrators must receive completed forms by no later than 23.59 on 22 January 2019 to enable your vote to be counted.
- 9.4 Whilst a vote by correspondence is being sought, creditors who meet a statutory threshold as set out in the Notice attached at Appendix VII can require that a physical meeting of creditors be convened. Such a request must be made to the Joint Administrators within 5 business days of the date on which this Proposal was delivered. If you wish to request a physical meeting, please set out in writing which of the decision(s) above you wish the meeting to consider.

Should you have any queries in regard to any of the above please do not hesitate to contact Daniel Salmon on 01628 478100 or by e-mail at daniel.salmon@quantuma.com.

- **3.2** The Company also lost a significant expected order from a large client which did not materialise and this further compounded the situation.
- 3.3 The Company mitigated its losses by cutting costs as far as possible, however, the Company did not have sufficient capital to settle its liabilities as and when they fell due therefore the directors agreed that it would proceed with placing the Company into Administration.

### 4. The Purpose of the Administration

- **4.1** The purpose of an Administration is set out in Schedule B1, Paragraph 3(1) of the Act. In short, this provides that an Administrator of a company must perform his functions with the objective of:
  - rescuing the company as a going concern, or

- achieving a better result for the creditors as a whole than would be likely to be achieved if the company were wound up (without first being in Administration), or
- realising property in order to make a distribution to one or more secured or preferential creditors.
- 4.2 These objectives form a hierarchy. The rescue of a company is the priority. If this is not possible, the Administrator seeks to achieve a better result for the creditors as a whole. In the event that this cannot be achieved, then the Administrator is permitted to realise assets for the benefit of the preferential or secured creditors.
- 4.3 The Joint Administrators would comment that due to a lack of working capital and the cessation of trading prior to appointment, the Joint Administrators did not consider it possible to restructure the existing business or propose a Company Voluntary Arrangement.
- 4.4 The second objective is normally achieved by means of a sale of the business and assets as a going concern (or a more orderly sales process than in liquidation). The Joint Administrators would comment that the Administration will enable a more secure and controlled sale of plant and machinery, book debt collection and provided a moratorium against creditor action.
- **4.5** A detailed account of how the Joint Administrators have sought to achieve the objective of the Administration is set out below.

# 5. Management of the Company's Affairs since the Joint Administrators' Appointment

**5.1** Immediately upon appointment the Joint Administrators undertook a review of the Company's affairs with particular regard to its financial and resource requirements. This assessment was carried out in liaison with the remaining management of the Company.

### Sales to connected parties

**5.2** There have been no sales of any of the Company's assets to connected parties since the Joint Administrators' appointment.

### Assets remaining to be realised

- 5.3 The Company factored its book debts, and as a result they are held as security by Royal Bank of Scotland Invoice Finance. As illustrated in the Estimated Outcome Statement at Attachment D, on the basis of current information, it is estimated that there will be a surplus of c. £25,000 after Royal Bank of Scotland Invoice Finance's debt has been discharged.
- 5.4 The Company has plant and machinery, motor vehicles, furniture and equipment, and stock, all of which has been removed from the Company's premises to offsite storage unit until the same is sold. Agents, Richard Birch & Co have been instructed to collect and realise the assets and have prepared a valuation and are in the process of negotiating with a third party with a view to a sale of the assets.

### Post appointment strategy

- **5.5** The Joint Administrators' staff are in the process of collating creditors' claims and have handled creditors' queries as they have arisen which include telephone calls and correspondence.
- 5.6 Immediately following the appointment of the Joint Administrators on 16 November 2018, members of the Joint Administrators' staff advised employees of the Joint Administrators' appointment, provided information with regard to the Administration.
- 5.7 To advise on appropriate legal matters and to prepare required legal documentation, the Joint Administrators instructed Blake Morgan, a firm of lawyers with the appropriate expertise and experience in dealing with these types of Administrations.
- 5.8 In addition, Richard Birch & Co, a firm of chattel agents, was instructed by the Joint Administrators to undertake inventories and valuations of stock, plant and equipment, fixtures and fittings and other chattel assets where appropriate. They confirmed their independence, are qualified and have adequate professional indemnity insurance. The agents also advised on the best method of disposal of those assets and assisted in their disposal, as well as assisted with claims of retention of title and security.
- 5.9 All professional fees are based upon the parties' recorded time costs incurred at their standard charge out rates and will be reviewed by the Joint Administrators' staff before being approved for payment. This excludes Richard Birch & Co whose fees are based upon 10% of asset realisations.

### Investigation into the Company's Affairs Prior to the Administration

- 5.10 The Joint Administrators are undertaking a review of the Company's trading activities in order to establish whether or not there are actions that may be taken for the benefit of the Administration and consequently to enable a conduct report to be submitted in respect of Company directors in office at the commencement of the Administration and any who resigned in the three years prior to the Administration.
- **5.11** Should any creditor have any concerns about the way in which the Company's business has been conducted or information on any potential recoveries for the estate, they are invited to bring them to the attention of the Joint Administrators as soon as they are able.

### 6. The Statement of Affairs and the Outcome for Creditors

- **6.1** A Statement of Affairs as at 16 November 2018 has been submitted by the Directors of the Company, a copy of which is attached at Attachment C.
- **6.2** In accordance with the standard format of a Statement of Affairs, no provision has been made in the Statement for the costs of the Administration (including agents, legal and other professional fees).
- **6.3** In comparison to the figures shown on the Estimated Outcome Statement in Attachment D, the company's debtors have been written down by 50% to allow for estimated realisations.

**6.4** The Joint Administrators have not carried out any work of the nature of an audit on the information.

### Secured creditors

**6.5** The Company's Bank debt at the date of the appointment of the Joint Administrators, and as set out in the Statement of Affairs, can be summarised as follows:

| Invoice Discounting Agreement | £        |
|-------------------------------|----------|
| mvoice Discounting Agreement  | 6,772.80 |
| TOTAL                         | 6,772.80 |

**6.6** The anticipated recovery to the secured creditor is shown on the Estimated Outcome Statement at Attachment C.

### Preferential claims

- **6.7** Preferential claims relating to employee deductions are expected to be paid by the RPO who will have a corresponding preferential claim against the Company. These are likely to be in the region of £4,830.37. There are no other known preferential claims outstanding.
- **6.8** Section 176A of the Act requires Administrators to make a prescribed part of the company's net property, which is the balance remaining after discharging the preferential claims but before paying the floating charge-holder, available for the satisfaction of unsecured debts.
- 6.9 In this case, it is anticipated that the prescribed part provision will not apply, as it is likely that the secured creditor will be paid in full from book debt recoveries and thus there will be no residual liability due under its floating charge.
- **6.10** The Joint Administrators do not propose to make an application to court under Section 176A(5) of the Act to disapply the prescribed part provisions, because in any event it is anticipated that there will be no prescribed part.
- 6.11 As demonstrated in the Estimated Outcome Statement attached at Attachment D, on the basis of the costs incurred to date and the estimated further costs to be incurred in bringing the Administration to a conclusion, it is anticipated that there Due to the possible distribution to unsecured creditors, you are requested to submit claims to the address on the front of this report. A Proof of Debt form is provided in the document to which this forms an appendix.
- **6.12** Attached at Attachment D is the Joint Administrators' receipts and payments account for the period from 16 November 2018 to 20 December 2018.

### 7. The Joint Administrators' Fees

7.1 The Joint Administrators propose their fees be fixed by a set amount of £30,000 for the Administration; and 10% of the value of gross asset realisations; and 20% of realisations related to antecedent transaction recoveries.

- **7.2** The Joint Administrators will seek approval for the basis of their fees from the unsecured creditors unless a Creditors' Committee is established.
- 7.3 Information to support the proposed basis of the Joint Administrators' fees, together with the Statement of pre-Administration costs, is provided in the Joint Administrators' Proposal, to which this Statement of Proposals forms an appendix.

### 8. Approval of the Statement of Proposals

- 8.1 The Joint Administrators are seeking creditors' approval of the Statement of Proposals, which are summarised in Section 9, by means of the process set out in Rule 15.7 (Deemed Consent) of the Rules.
- **8.2** Attached to the Joint Administrators' Proposal, to which this Statement of Proposals forms an appendix, is a Notice Seeking Deemed Consent, which describes how creditors may object to the acceptance of the Statement of Proposals or to the other proposed decisions.
- 8.3 Creditors who meet a statutory threshold as set out in the Notice can require that a physical meeting of creditors be convened. Such a request must be made to the Joint Administrators within 5 business days of the date on which the Statement of Proposals was delivered.
- **8.4** Unless the Joint Administrators receive the requisite number of objections to the proposed decision to approve the Statement of Proposals or of requests to convene a physical meeting as set out in the Notice, creditors will have deemed to have consented to approve the Statement of Proposals.

### 9. Summary of the Joint Administrators' Proposals

- 9.1 The Statement of Proposals which creditors are invited to consider, is summarised below.
- **9.2** In order to achieve the purpose of the Administration, the Joint Administrators formally propose to creditors that:
  - the Joint Administrators continue to manage the business, affairs and property
    of the Company in order to achieve the purpose of the Administration, in
    particular that:
    - (i) they sell the Company's assets at such time(s) and on such terms as they consider appropriate.
    - (ii) they investigate and, if appropriate, pursue any claims that the Company may have against any person, firm or company, whether in contract or otherwise, including any officer or former officer of the Company or any person, firm or company that supplies or has supplied goods or services to the Company; and
    - (iii) they do all such things and generally exercise all their powers as Joint Administrators as they consider desirable or expedient at their discretion in order to achieve the purpose of the Administration or protect and preserve

the assets of the Company or maximise the realisations of those assets, or of any purpose incidental to these activities.

- the Joint Administrators make distributions to any secured or preferential creditors in accordance with Paragraph 65 of Schedule B1 of the Act. Further, they may make a distribution to unsecured creditors, having first sought the court's permission in accordance with Paragraph 65(3) of Schedule B1 of the Act where necessary.
- the Joint Administrators end the Administration in one of the following ways, appropriate to the circumstances of the case at the time:
  - (i) in the event that the Joint Administrators think that a distribution will be made to unsecured creditors (and they have not sought the court's permission, and are otherwise unable, to pay the distribution whilst the Company is in Administration), they shall send to the registrar of companies notice to move the Company from Administration to Creditors' Voluntary Liquidation. In such circumstances, Chris Newell and Frank Wessely will be appointed Joint Liquidators and will be authorised to act either jointly or separately in undertaking their duties as Liquidator. Creditors may nominate a different person or persons as the proposed liquidator or liquidators in accordance with Paragraph 83(7)(a) of Schedule B1 of the Act and Rule 3.60(6)(b) of the Rules, but they must make the nomination or nominations at any time after they receive the Statement of Proposals, but before it is approved. Information about the process of approval of the Statement of Proposals is set out at Section 8; or
  - (ii) in the unlikely event that there is no remaining property that might permit a distribution to the Company's creditors, they shall file a notice of dissolution of the Company pursuant to Paragraph 84 of Schedule B1 of the Act; or
  - (iii) alternatively, and should there be no likely funds to distribute to unsecured creditors, the Joint Administrators may seek to place the Company into Compulsory Liquidation in order to bring proceedings that only a Liquidator may commence for the benefit of the estate. In such circumstances, Chris Newell and Frank Wessely may ask the court that they be appointed Joint Liquidators, to act either jointly or separately in undertaking their duties as Liquidator.

Work undertaken is recorded in 6 minute units in an electronic time recording system. Time properly incurred on cases is charged at the hourly rate of the grade of staff undertaking the work that applies at the time the work is done. There has been no allocation of any general or overhead costs.

Time spent on casework is recording directly to the relevant case and the nature of the work undertaken is recorded at that time. The work is recorded under the following categories:

- Administration & Planning
- Creditors
- Investigations
- Realisation of Assets
- Trading
- Cashiering
- Closing Procedures

On occasion it may be necessary to change the rates applicable to the work undertaken and if this occurs during the period of the assignment any material changes will be notified to creditors as part of the normal fee reporting procedures. Rates are likely to be subject to periodic increase.

The time of support staff and executive assistants is not charged to a case except when the initial set up is being performed or when a sizeable administrative task or appropriate ad hoc duty is being undertaken.

Details of historic charge out rates are provided at the end of this guide. Should any creditor wish to receive details of the charge out rates in force prior to those shown, these can be provided upon request.

### Subcontractors

Details and the cost of any work which has been or is intended to be sub-contracted out that could otherwise by carried out by the office holder or his staff will be provided in any report which incorporates a request for approval of the basis upon which remuneration may be charged.

### Direct Expenses (Category 1 Disbursements)

Category 1 disbursements, as defined by SIP 9, are expenses which are directly referable both to the appointment in question and a payment to an independent third party at cost and without uplift.

These expenses, which do not require the prior approval of creditors, include but are not limited to the following examples:

| Basis of Charge   |

|   |

### Indirect Expenses (Category 2 Disbursements)

These are expenses that are directly referable to the appointment in question but which are not to an independent third party and may include shared or allocated costs that can be apportioned to the appointment on a proper and reasonable basis.

They may also include payment to an individual with whom a practice or individual within a practice has a business or personal relationship. Included within the list below is the cost per hour of Mr Mick Brunning, who is the husband of an individual within the practice. It is considered that the services of Mr Brunning represent best value.

Other\_payments made to individuals of businesses with whom the practice or individual within the practice has a business or personal relationship will be disclosed to creditors and an appropriate resolution for approval will be proposed.

Specific approval for Category 2 Disbursements is required from creditors before they can be paid.

### b) The Joint Administrators' Expenses Estimate

Below is the expenses estimate in respect of category 1 direct expenses and category 2 expenses, which will have an element of shared or allocated costs.

Please note that this estimate reflects the expenses anticipated to be incurred for the full period of the Administration and thus it includes expenses already incurred, details of which are provided elsewhere in this document.

Please note that this estimate has been provided on the assumptions given in Section 6. In the event that it proves necessary for the Joint Administrators to incur additional expenses in performing their duties, they will provide further details in their progress reports, but there is no statutory obligation to ask creditors to approve any adjusted estimate.

### c) The Joint Liquidators' Fees Estimate

Whilst it is anticipated that the Company will move from Administration to CVL in order to pay a dividend to creditors, the timing of that move is currently unknown and therefore it is not known what work will remain to be carried out by the Joint Liquidators once the Administration is terminated. Despite these uncertainties, to ensure that the Joint Liquidators can act immediately to administer the winding up without needing to incur additional costs in reverting to creditors with information on their estimates, set out below is the Joint Liquidators' Fees Estimate.

The Joint Administrators do not anticipate that it will be necessary to seek approval for fees in excess of this estimate. However, should additional work be necessary beyond what is contemplated, further approval may be sought from creditors.

### d) The Joint Liquidators' Expenses Estimate

Below is the estimate of expenses that will be incurred by the Joint Liquidators once the Company has moved from Administration to CVL.
