SECURITY ACCESSION DEED

THIS SECURITY ACCESSION DEED is dated 1 June 2017 and made between:

- (2) THE ENTITIES listed in Annexure 1 (*The Additional Chargors*) as additional chargors (the "**Additional Chargors**"); and
- (3) BARCLAYS BANK PLC as security agent for the Secured Parties (the "**Security Agent**").

Background

- A. This Security Accession Deed is supplemental to a fixed and floating charge dated 2 March 2017 between, amongst others, the Original Chargors and the Security Agent, as previously supplemented by earlier Security Accession Deeds (if any) and as scheduled in Annexure 7 (the "**Fixed and Floating Charge**"). This Security Accession Deed shall take effect as a Security Accession Deed for the purpose of the Fixed and Floating Charge.
- B. The board of directors of each Additional Chargor are satisfied that entering into this Security Accession Deed would be most likely to promote the success of each Additional Chargor for the benefit of its members as a whole and to the further benefit and advantage of the Additional Chargors.
- C. The Security Agent and the Additional Chargors intend this document to take effect as a deed (even though the Security Agent only executes it under hand).
- D. The Security Agent holds the benefit of this Security Accession Deed for the Secured Parties on the terms of the Finance Documents.

2. ACCESSION OF ADDITIONAL CHARGOR

Each Additional Chargor agrees to become an Additional Chargor and to be bound by the terms of the Fixed and Floating Charge as an Additional Chargor.

3. FIXED CHARGE

Subject to Clause 6 (*Excluded Assets*) of the Fixed and Floating Charge, each Additional Chargor, with full title guarantee and as continuing security for the payment of all Liabilities (whether of that or any other Chargor), charges in favour of the Security Agent (as trustee for the Secured Parties):

- (a) by way of first fixed charge, all its present and future:
 - (i) Real Property;
 - (ii) Book Debts;
 - (iii) Investments;
 - (iv) rights, title and interest in and to its uncalled capital and goodwill;
 - (v) Intellectual Property (including, in respect of that Additional Chargor, that described in Annexure 5 (*Intellectual Property*));
 - (vi) Plant and Machinery (except that validly and effectively mortgaged or charged under paragraph (a) or sub-paragraph (i) above);
 - (vii) to the extent not validly and effectively assigned, Insurances and all related proceeds, claims of any kind, returns of premium and other benefits relating thereto;
 - (viii) to the extent not validly and effectively assigned under Clause 5.1 (*Assignment*), all its rights and interests in (and claims under) the Assigned Agreements to which it is a party; and
 - (ix) Bank Accounts, to the extent not validly and effectively assigned under Clause 5.1 (*Assignment*).
- (b) by way of first mortgage, all its present and future Shares.

4. FLOATING CHARGE

4.1 Creation

Each Additional Chargor, with full title guarantee and as security for the payment of all Liabilities (whether of that or any other Chargor), charges in favour of the Security Agent (as trustee for the Secured Parties) by way of floating charge its undertaking and all its assets, both present and future (including assets expressed to be charged by Clause 3(a) (*Fixed Charge*) or assigned by Clause 5 (*Assignment*)).

4.2 Qualifying Floating Charge

- (a) The floating Charge created by each Additional Chargor pursuant to Clause 4.1 above is a "qualifying floating charge" for the purposes of paragraph 14.2(a) of Schedule B1 to the Insolvency Act.

- (b) Paragraph 14 of Schedule B1 to the Insolvency Act shall apply to this Deed and the Security Agent may appoint an Administrator of the Additional Chargor pursuant to that paragraph.

4.3 Ranking

The floating charge created by each Additional Chargor under Clause 4 (*Floating charge*) ranks:

- (a) behind all the mortgages, fixed charges and assignments created by that Additional Chargor; but
- (b) in priority to any other Security over the Security Assets of that Additional Chargor except for Security ranking in priority in accordance with paragraph (g) of Schedule 2 (*Rights of Receivers*) of the Fixed and Floating Charge.

4.4 Conversion by notice

The Security Agent may convert the floating Charge over all or any of the Charged Assets into a fixed Charge by notice to the Parent specifying the relevant Charged Assets (either generally or specifically):

- (a) if it has reasonable grounds for considering those assets to be in jeopardy (whether due to a risk of being seized or sold pursuant to any distress, attachment, execution, sequestration or other analogous legal process);
- (b) on the occurrence of an Enforcement Event; and/or
- (c) the Security Agent reasonably considers that it is desirable to protect the priority of the security.

4.5 Automatic conversion

If:

- (a) any Additional Chargor takes any step to create any Security or Quasi-Security in breach of Clause 6.3 (*Negative pledge*) over any of the Charged Assets subject to a floating charge created under this Deed; or
- (b) any person takes any step to effect any expropriation, attachment, sequestration, distress or execution against any of those Charged Assets,

the floating charge over the relevant Charged Assets shall automatically and immediately be converted into a fixed charge.

4.6 Company voluntary arrangement moratorium

Obtaining a moratorium or doing anything with a view to obtaining a moratorium pursuant to Schedule A1 of the Insolvency Act (including any preliminary decision or investigation) shall not by itself (a) cause the floating charge over all or any of the Charged Assets to crystallise, (b) impose any restriction which would not otherwise apply on the disposal of property by any Security Chargor, or (c) constitute a ground for the appointment of a Receiver.

5. ASSIGNMENT

- 5.1 Each Additional Chargor, with full title guarantee and as security for the payment of the Liabilities assigns absolutely to the Security Agent all its rights, title and interest in the Assigned Agreements, provided that on payment or discharge in full of the Liabilities, the Security Agent

will at the request and cost of the Additional Chargor re-assign the Assigned Agreements to that Additional Chargor (or as that Additional Chargor so directs).

- 5.2 Until the occurrence of an Enforcement Event which is continuing, but subject to Clause 12 (*Assigned Agreements*) of the Fixed and Floating Charge, each Additional Chargor may continue to deal with the counterparties to the relevant Assigned Agreements and, for the avoidance of doubt, shall be entitled to receive the proceeds of any claim under the Assigned Agreements.

6. UNDERTAKINGS

6.1 Undertaking to pay

Each Additional Chargor shall pay each of the Liabilities when due in accordance with terms of the relevant Secured Debt Documents or, if they do not specify a time for payment, immediately on demand by the Security Agent.

6.2 Proportionate payment

Each sum appropriated by the Security Agent in accordance with the Secured Debt Documents in or towards payment of a particular part of the Liabilities shall to the extent of that appropriation discharge each Additional Chargor's obligations in respect of that part of the Liabilities both to any Secured Party to which the same is owed, and to the Security Agent.

6.3 Negative pledge

Each Additional Chargor shall not create or permit to subsist any Security or Quasi Security over any Security Asset, except as permitted by the Secured Debt Documents.

6.4 Disposals

Each Additional Chargor shall not enter into a single transaction or a series of transactions (whether related or not and whether voluntary or involuntary) to sell, lease, transfer or otherwise dispose of any Security Asset, except as permitted by the Secured Debt Documents.

7. CONSENT OF ORIGINAL CHARGORS

The Original Chargors agree to the terms of this deed and agree that its execution will in no way prejudice or affect the security granted by each of them under (and covenants given by each of them in) the Fixed and Floating Charge.

8. REPRESENTATIONS

Each Additional Chargor represents and warrants to the Security Agent that the assets listed in Annexure 2 (*Real Property*) to Annexure 5 (*Intellectual Property*) in respect of that Additional Chargor are all the relevant material assets in which it has an interest.

9. NOTICES

- (a) Each Additional Chargor confirms that its address details for notices in relation to the Fixed and Floating Charge are as follows:

Address: c/o Richmond UK Holdco Limited,

2nd Floor, One Gosforth Park Way,
Gosforth Business Park,
Newcastle upon Tyne, NE12 8ET

Attention: Judith Archibold

- (b) This deed constitutes notice in writing to each Chargor of any charge or assignment of debt owed to that Chargor by any other Group Company or Tower Company and contained in any other Loan Document.

10. **DESIGNATION**

In accordance with the Fixed and Floating Charge, each of the Security Agent and the Parent designate this Security Accession Deed as a Secured Debt Document.

11. **COUNTERPARTS**

This deed may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this deed. Delivery of a counterpart of this deed by e-mail attachment or telecopy shall be an effective mode of delivery.

12. **GOVERNING LAW**

This deed (and any dispute, controversy, proceedings or claims of whatever nature arising out of or in any way relating to this deed or its formation) and obligations of the Parties hereto and any matter, claim or dispute arising out of or in connection with this deed (including any non-contractual claims arising out of or in association with it) shall be governed by and construed in accordance with English law.

IN WITNESS whereof this deed has been duly executed on the date first above written.
