**FINANCIAL STATEMENTS**  
**FOR THE PERIOD TO 31 JANUARY 2009**

**STATEMENT OF DIRECTOR'S RESPONSIBILITIES**

Company law requires the director to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the Company and of the surplus or deficit for that period. In preparing those financial statements, the director is required to:

- . select suitable accounting policies and then apply them consistently;
- . make judgements and estimates that are reasonable and prudent;
- . prepare financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The director is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding of assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The financial statements on pages 3 to 7 were approved by the Board on 24 November 2009

These financial statements have been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies and with the Financial Reporting Standard for Smaller Entities (Effective January 2005).

For the year to 31 January 2009 the company was entitled to exemption under subsection (1) of section 249a of the Companies Act 1985.

No notice has been deposited under subsection (2) of section 249B in relation to these accounts.

The directors acknowledge their responsibilities for

- 1) ensuring that the company keeps accounting records which comply with section 221 and
- 2) preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit and loss for the financial year in accordance with the requirements of section 226 and which otherwise comply with the requirements of the act relating to accounts, so far as applicable to the company.

The accompanying accounting policies and notes form an integral part of these financial statements.

FINANCIAL STATEMENTS  
FOR THE PERIOD TO 31 JANUARY 2009**

**ACCOUNTING POLICIES**

**Historic Cost Convention**

The financial statements have been prepared in accordance with applicable accounting standards and in accordance with the historical cost convention. A summary of the company's accounting policies, which have been applied consistently, is set out below.

**Foreign Currencies**

All transactions denominated in foreign currencies are translated at the actual rate of exchange ruling on the date of the transaction. Current assets and liabilities in foreign currencies are translated into sterling at rates of exchange ruling at Balance Sheet date. All exchange differences are dealt with in the profit and loss account.

**Turnover**

Turnover represents the value of charges to customers for the year, net of any credits issued and before any charges for value added tax.

**Deferred Tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that have resulted in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which timing differences are expected to arise, based on tax rates and laws that have been enacted or substantially enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.
