TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31ST JULY 2023

The trustees and directors of the charitable company present their report and the unaudited financial statements for the year ended 31st July 2023. The information set out on page 1 forms part of this report.

Vision

Our vision is to see every child and young person recognise their pioneering potential through participating in arts and creative activity.

Mission

We use arts and creativity as a vehicle to engage, empower and enrich children and young people lives (up to the age of 25), who experience challenges and disadvantages.

Objectives and Activities

The objectives for which the charity was established, as defined in the Memorandum and Articles of Association, and amended in August 2015 are to promote charitable purposes only; more specifically:

- a) To advance in life as wide a range of people as possible to express themselves artistically by the provision of complimentary services and activities to such individuals, which develop their skills, capacity, and capabilities to enable them to participate in society.
- b) To further such charitable causes both locally and nationally as from time to time determined by the members in the support of the Company's primary objective.

Public Benefit

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the organisation's aims and objectives and in planning future activities. Public Benefit is demonstrated more specifically in the following Achievements and Performance section which highlights specific work undertaken across Pedestrian's provision.

Structure, Governance and Management

Governing Document

The organisation is a charitable company limited by guarantee. The charity is constituted, and governed, by its Memorandum and Articles of Association dated 30th January 2007, amended 20th January 2011, 1st November 2013, and 1st August 2015. The company became a registered charity on 25th January 2011. In the event of the company being wound up, members are required to contribute an amount not exceeding £1.

Trustees/Directors and Induction

The trustees and directors who have served throughout the year, unless a date of appointment or resignation is noted, are listed on page 1 of this report. The organisation provides all new trustees with an information pack containing details of the role of a charity trustee and their legal rights and responsibilities including guidance from the Charity Commission. Following successful application, Trustees will attend an induction board meeting to familiarise themselves with their peers and the organisation, and to facilitate their decision making in respect of nominating themselves for a 3-year term, at the following board meeting or AGM. Trustees will then be elected by unanimous vote of the other Trustees.

Organisational Structure

Pedestrian is a leading arts organisation and charity specialising in music and arts education based in the heart of Leicester's bustling city centre. Since 1998, we have built a strong track record of delivering high quality creative activity that has seen us complete over 15,000 workshops. We provide education, training, and outreach projects for young people at risk, vulnerable adults and communities in Leicester, Leicestershire and across the Midlands. Our participants are often socially excluded, not in education, employment, or training (NEET) or experiencing disadvantage.

TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31ST JULY 2023 (continued)

Organisational Structure (continued)

Our programme consists of three main areas:

Alternative Education

An accredited alternative to school for young people aged 14-16 years which supports those struggling or who have struggled in mainstream education to achieve their goals. Utilising mentoring principles to develop the whole person, alongside a framework of recognised accreditation which is appropriate to the level, needs and interest of the learner.

Early Intervention and Outreach

A series of projects with communities, schools and local partner organisations which aims to support those experiencing challenges and disadvantages caused by barriers such as isolation caused by geographical or economical factors, being in the care system or those at risk of criminalisation or other harmful/risky practices.

Progression and Training

Supporting children, young people, and adults to progress into the next phase of their development, including programmes which seek to train emerging practitioners and practicing professionals working in the creative sector through education, training, and qualifications.

A Message from the Chair

As we approach the end of another impactful year, and my second year as Chair for Pedestrian, I am filled with gratitude and pride for the work Pedestrian has completed and the strides it has made in the last year. It's been an honour to be a part of Pedestrian's journey, working alongside the board of trustees, staff, tutors, volunteers, and our new youth advisory board to help advance arts education to those most vulnerable in our community. From engaging workshops to inspiring performances, we've seen first-hand the profound impact of these initiatives on the lives of our participants and their families or support systems.

Some personal highlights have been seeing:

- 436 workshops delivered including the launch of our Grime Opera project, Half Term Antics (a new three-year school holiday programme) and second successful year of Feel Good Fridays (free activity during the Summer holidays every Friday).
- 49 young people accessing our Alternative Education Provision, which is forecasted to double next year due to the high-quality service respected by local educators and services
- 156 Arts Awards achieved
- Partnerships and new commissions with Virtual Schools, Menphys, Leicester City in the Community and LeicesterShire Music.

As a small charity, we rely on public funding, donations, and fundraising initiatives. None of this would be possible without the support of our funders, sponsors, partners, volunteers, educators, and advocates. I would like to take this opportunity to thank all of you for believing the work that we do. We ensure all this support is directly transferred to concentrate on and impact our service users.

It's been wonderful to have the opportunity to reflect on this last year and how far we have come. Our wonderful Director, Hema, announced her pregnancy and we welcomed Paul Snape to the team as our Interim Director. This provided us with a fresh perspective and the ability to build on our Business Plan and Strategic Aims. I would like to thank Hema and Paul for the incredible effort they have put into this process. Hema returned to us in September 2023 and now we are ready to step into the next phase of Pedestrian's development; recruiting new staff members and progressing with new building plans. This will accommodate our growth for Alternative Education, Projects, and Tutor Training. Our vision for the future involves reaching more individuals, fostering creativity, and creating an accessible vibrant community where the arts thrive.

I invite you to join us in celebrating the achievements of the past year and renewing our commitment to empowering the next generation through arts education. Thank you for being an integral part of our journey. Here's to the next 25 years.

The Board remains focused on supporting the director and the team and it's safe to say they are incredibly proud of all Pedestrian has managed to achieve in 2022-2023. The success over the last year is truly a reflection of the talented people involved. The Director(s) and team, the tutors and artists have been able to adapt quickly and continue to deliver the high-quality services our young people, funders and partners have come to expect.

We value the creative industries and the talented professionals within it, championing successful collaborations and partnerships with organisations following similar charitable aims. Several successful collaborations with organisations such as Arts Council England, Children in Need and Youth Music have enabled us to strengthen our remit and reach and have provided a solid platform as the organisation moved into its 25th year of delivery.

Future Activities

Like all Third Sector organisations, Pedestrian faces a huge challenge in developing its services in the face of massive cuts in funding to the sector, but the Trustees are confident that we will meet this challenge. The Trustees recognise that that, as with all third sector organisations, we must diversify our income streams to ensure the long-term sustainability of Pedestrian.

The Trustees continually review the operations and activities of the organisation which were affected by the COVID-19 pandemic. The organisation continues to provide the services and income generation was maintained, therefore, the Trustees are satisfied they have taken all reasonable steps to safeguard the ongoing and future activities of the organisation as far as they are able. In the opinion of the Trustees, the organisation remains a going concern and with the Senior Management Team and staff team continued to work on their current 3-year strategy. To achieve our purpose, vision, and mission, working in a way that is true to our values and culture, the strategic aims we need to strive for are:

- To further develop our Alternative Education Provision (AEP) offer to young people in a sustainable way, continuing to build on our reputation as the best city centre provider.
- 2. To build our reputation in the local communities to be recognised for our expertise in providing high, quality creative experiences for all children and young people. Building more partnerships and commissions.
- 3. To grow the capability & capacity of the organisation to realise the pioneering potential of Pedestrian and the creative professionals who work for & with them.
- 4. To develop flagship projects that give us a regional and national profile.
- 5. To be part of the Leicester(shire) arts & cultural scene.
- 6. To seek a new, environmentally friendly city-centre premises accessible to all.

TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31ST JULY 2023 (continued)

Financial Review

The charity made a deficit for the year of £ (2,752); (2021 - surplus of £28,304). The Charity has unrestricted reserves of £80,788 of which £30,000 has been allocated by the Trustees as designated reserve, as described in note 10 of the financial statements.

The principal funding sources of the charity are grant-making organisations and Local Authorities.

Investment Policy

Under the Memorandum and Articles of Association, the charity has the power to make investments which the trustees see fit.

Reserves Policy

The Board of Trustees has examined the Charity's requirements for reserves in light of the main risks to the organisation. It is the policy of the Charity to maintain the reserves fund at a level to provide sufficient funds to cover all relevant costs to see the existing activities through to a satisfactory conclusion. This is the unrestricted funds, which are the free reserves of the Charity.

Due to the nature of the activities of the Charity, this may vary significantly depending upon when in the calendar year such funds may be required. Our policy, in the opinion of the Trustees, is that the unrestricted funds, not committed or invested in tangible fixed assets and designated funds held by the charity, should be a minimum of approximately three months and a maximum of six months of charitable expenditure. The Trustees monitor the unrestricted funds on an ongoing basis and review the reserves policy, including the level of reserves held, on an annual basis.

Core expenditure for 3 months in 2023/24 is £34,783 (approx. £11,594 per month) and therefore the target is set at £46,376 (approx. 4 months running costs) in general funds.

The reserves are needed to meet the working capital requirements of the charity and the Board of Trustees are confident that at this level they would be able to continue the current activities of the charity in the event of a significant drop in funding and/or in the need to dissolve the charity.

Whilst unrestricted funds stand at £80,788 a designation of £30,000 has been set aside for relocation costs towards a new building. Our free reserves are £50,788.

We expect everyone who represents Pedestrian at senior, board, and trustee level to have read, understood and adhere to this policy and related procedures. Please see Appendix 1 for reference on calculations.

This policy is reviewed on an annual basis.

Risk Management

The trustees and directors conduct their own review of the risks to which the charity is exposed and establish systems to mitigate those risks. These systems are periodically reviewed to ensure they still meet the needs of the charity both now and in the future. The organisation has developed a risk register which is reviewed by the board of trustees periodically.

Statement of Trustees' Responsibilities

The trustees (who are also the directors for the purpose of company law) are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under that law the trustees must prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31ST JULY 2023 (continued)

TO THE MEMBERS OF PEDESTRIAN LIMITED (LIMITED BY GUARANTEE)

I report to the Trustees (who are also Directors for the purpose of company law) on my examination of the financial statements of Pedestrian Limited for the year ended 31st July 2023 which comprise the Statement of Financial Activities, the Balance Sheet, and related notes.

This report is made solely to the charity's trustees, as a body, in accordance with the section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As Trustees of a charitable company, you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006, ("the "2006 Act").

Having satisfied myself that the financial statements of the charitable company are not required to be audited under Part 16 of the Act and are eligible for independent examination, I report in respect of my examination of the charitable company's financial statements carried out under section 145 of the Charities Act 2011 ('the 2011 Act') and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

As permitted by Direction 2, issued by the Charity Commission the firm for which I work has provided the Company with bookkeeping services during the year ended 31st July 2023. As a consequence, I have followed the requirement of the FRC's Ethical Standard when undertaking this assignment.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the financial statements. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently, I express no opinion as to whether the financial statements present a 'true and fair' view and my report is limited to those specific matters set out in the independent examiner's statement.

Independent examiner's statement

Since the charitable company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the ICAEW which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the charitable company as required by section 386 of the 2006 Act; or
- the financial statements do not accord with those records; or
- the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other
 than any requirement that the financial statements give a 'true and fair view which is not a matter considered as
 part of an independent examination; or
- the financial statements have not been prepared in accordance with the methods and principles of the Statement
 of Recommended Practice for accounting and reporting by charities applicable to charities preparing their
 accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland
 (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.
