Strategic Report

The directors present the Strategic Report and their Directors' Report together with the financial statements for the year ended 30 September 2013

Results, trading and dividend

The results of the year and the financial position of the company are shown in the annexed financial statements. The state of the company's affairs at 30 September 2013 was satisfactory and no significant change in the company's business was envisaged. No dividend has been paid.

Principal risks and uncertainties

Planning approval risk

The UK planning regime affects all aspects of our business and any major changes could affect the business either positively or negatively.

Liquidity risk

The company relies in part on debt finance from the ultimate holding company to fund its operations. The company actively maintains a mixture of long-term and short-term debt finance that is designed to ensure the company has sufficient available funds for operations and planned expansions.

Directors Report

Principal Activity

The principal activity of the company throughout the year was the development of a windfarm for operation

Directors

The directors of the company during the year were

- R J Dunkley
- P L Dyke
- S R Tonks (resigned 28 May 2013)
- S R Klein (appointed 18 July 2013)

Responsibility of the directors

The directors are responsible for preparing the Strategic Report, the Directors Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial period. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to

- a) select suitable accounting policies and then apply them consistently,
- b) make judgements and estimates that are reasonable and prudent,
- c) state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- d) prepare the financial statements on the going concern basis unless inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
