Clauses 1.2 (*Construction*) to 1.5 (*Declaration of Trust*) of the Debenture will be deemed to be set out in full in this Deed, but as if references in those clauses to the “Debenture” and other similar expressions were references to this Deed.

2. ACCESSION OF NEW CHARGORS

2.1 Accession

The New Chargors each agree to be a Chargor for the purposes of the Debenture with immediate effect and agree to be bound by all of the terms of the Debenture as if they had originally been a party to it as a Chargor.

2.2 Covenant to pay

The New Chargors as primary obligors covenant with the Security Agent (for the benefit of itself and the other Secured Parties) that they will on demand pay the Secured Obligations when they fall due for payment.

2.3 Specific Security

The New Chargors, as continuing security for the payment of the Secured Obligations, charge in favour of the Security Agent with full title guarantee the following assets, both present and future, from time to time owned by them or in which they have an interest:

- (a) by way of first legal mortgage all Property now belonging to or vested in it; and

 - (vi) its goodwill and uncalled capital; and
 - (vii) if not effectively assigned by Clause 2.4 (*Security Assignment*), all its rights and interests in (and proceeds and claims under) the Assigned Agreements,

and include, in respect of each of the above charged assets, (as appropriate), the benefit of all licences, consents and agreements held by the New Chargors in connection with the use of the asset, any monies or income paid or payable in respect of the asset, any proceeds of the sale of the asset and any other property, rights or claims relating to, accruing to or deriving from the asset, but in each case excluding any Excluded Assets.

2.4 Security Assignment

As further security for the payment of the Secured Obligations, the New Chargors assign absolutely with full title guarantee to the Security Agent all their rights, title and interest, both present and future, from time to time in the Assigned Agreements, subject in each case to reassignment by the Security Agent to the relevant New Chargor of all such rights, title and interest upon payment or discharge in full of the Secured Obligations.

2.5 Floating charge

- (a) As further security for the payment of the Secured Obligations, the New Chargors charge with full title guarantee in favour of the Security Agent (for the benefit of itself and the other Secured Parties) by way of first floating charge all their present and future assets, undertakings and rights, excluding any Excluded Assets not otherwise effectively charged by way of first fixed charge under Clause 2.3 (*Specific Security*) or assigned under Clause 2.4 (*Security Assignment*).
- (b) Paragraph 14 of Schedule B1 to the Insolvency Act 1986 shall apply to the floating charge created by this Deed.
- (c) The parties acknowledge that the ranking of the security created pursuant to this Clause 2.5 (*Floating charge*) is subject to the Intercreditor Agreement and that the application of proceeds pursuant to this Deed is provided for in the Intercreditor Agreement.

2.6 Property Restricting Charging

- (a) There shall be excluded from the charge created by Clause 2.3 (*Specific Security*) any Restricted Property held by any New Chargor the title to which is subject to covenants, restrictions or other matters which prohibits either absolutely or conditionally (including requiring the consent of any third party) any such New Chargor from creating any charge over its freehold interest, in each case until a certificate from, or the consent of, the beneficiary of any restriction on the title of any Restricted Property has been obtained.
- (b) Subject to the Security Principles, for each Restricted Property referred to in Clause 2.7(a), the relevant New Chargor undertakes to promptly apply for the relevant consent or certificate (and in any event within fourteen (14) days of the date of this Deed) and to use all reasonable endeavours to obtain such consent as soon as possible and to keep the Security Agent informed of the progress of its negotiations.
- (c) Immediately upon receipt of the relevant consent or certificate, the formerly excluded Restricted Property shall stand charged to the Security Agent under Clause 2.3 (*Specific Security*). If required by the Security Agent, at any time following receipt of that consent or certificate, the relevant New Chargor will forthwith execute a supplemental legal mortgage in such form as the Security Agent shall reasonably require, subject to the Security Principles.

3. NEGATIVE PLEDGE

The New Chargors may not:

- (a) create or agree to create or permit to subsist any Security over all or any part of the Charged Property under this Deed;
- (b) sell, transfer, lease out, lend or otherwise dispose of all or any part of Charged Property under this Deed (other than in respect of assets charged under Clause 2.5 (*Floating Charge*) on arm's length terms in the ordinary course of trading) or the right to receive

or to be paid the proceeds arising on the disposal of the same, or agree or attempt to do so,

except as not prohibited under the terms of the Relevant Senior Secured Documents or with the prior written consent of the Security Agent.

4. REPRESENTATIONS AND UNDERTAKINGS

- (a) Schedule 4 (*Properties*) identifies all Property legally and beneficially owned by each New Chargor (as relevant) as at the date of this Deed. There are no proceedings, actions or circumstances relating to any of that Property which materially and adversely affect such Property's value or the relevant New Chargor's ability to use such Property for the purposes for which it is currently used.
- (b) Subject to the Security Principles, each New Chargor (as relevant) will notify the Security Agent if it intends to acquire any Property and will in any event notify the Security Agent promptly in writing of the actual acquisition by it of any such Property, and if required by the Security Agent, the relevant Chargor will promptly execute a supplemental legal mortgage in relation to such acquired real property in such form as the Security Agent shall reasonably require.
- (c) Subject to the Security Principles, each New Chargor (as relevant) will take all reasonable steps to keep all buildings, trade and other fixtures, plant, machinery and chattels from time to time forming part of its Property in repair in order to ensure the continuance of the effective operation of such New Chargor's business at the Property.
- (d) No New Chargor (as relevant) will grant any lease, tenancy, contractual licence or right to occupy in respect of the whole or any part of the Property or otherwise part with possession of the whole or any part of the Property without the prior written consent of the Security Agent (not to be unreasonably withheld or delayed), except as not prohibited by the Relevant Senior Secured Documents.
- (e) Each New Chargor (as relevant) will comply with all laws for the time being in force, notices, orders, directives, licences, consents, permissions and guidance given or made by any competent authority or governmental body which relate to the Property.
- (f) Subject to the Security Principles, each New Chargor (as relevant) will grant the Security Agent or its lawyers, following receipt of a reasonable request, all reasonable facilities within the power of the relevant New Chargor to enable the Security Agent or its lawyers to:
 - (i) carry out investigations of title to the Property; and
 - (ii) make such customary enquiries in relation to any part of the Property as a reasonably prudent mortgagee might carry out.

5. PROTECTION OF SECURITY

5.1 Title Documents

5.2 All deeds and documents necessary to show good and marketable title to a New Chargor's interest in the Property and which are in the possession or under the control of the relevant New Chargor will from the date of this deed be:

- (a) in possession of the Security Agent; or

- (b) held to the order of the Security Agent by a firm of solicitors approved by the Security Agent for that purpose.

5.3 The Land Registry

- (a) Subject to the Security Principles, each New Chargor shall apply to the Land Registrar for a restriction to be entered on the Register of Title in relation to all real property situated in England and Wales and charged by way of legal mortgage under this Deed (including any unregistered properties subject to compulsory first registration at the date of this Deed) on the prescribed Land Registry form and in the following or substantially similar terms:

“No disposition of the registered estate by the proprietor of the registered estate, or by the proprietor of any registered charge, not being a charge registered before the entry of the restriction, is to be registered without a written consent signed by the proprietor for the time being of the charge dated [●] 2021 in favour of [●] referred to in the charges register”.

- (b) Subject to the Security Principles, each New Chargor shall apply to the Land Registrar on the prescribed Land Registry form for a notice to be entered on the Register of Title in relation to real property situated in England and Wales and charged by way of legal mortgage under this Deed (including any unregistered properties subject to compulsory first registration at the date of this Deed) that there is an obligation to make further advances on the security of the registered charge.
- (c) If any New Chargor fails to make the applications set out in Clauses 5.2 (a) or (b) or if the Security Agent gives notice to any New Chargor that it will make such applications on its behalf, any such New Chargor irrevocably consents to the Security Agent making such application on its behalf and shall promptly provide the Security Agent with all information and fees which the Security Agent may reasonably request in connection with such application, subject to the Security Principles.

- 5.4 In respect of any of the real property mortgaged or charged under this Deed title to which is registered at the Land Registry, it is certified that the Security created by this Deed does not contravene any of the provisions of the articles of association of any relevant New Chargor.

6. CONSTRUCTION OF DEBENTURE

- (a) The Debenture shall remain in full force and effect as supplemented by this Deed.
- (b) The Debenture and this Deed shall be read together as one instrument on the basis that references in the Debenture to “this Deed” and other similar expressions will be deemed to be references to the Debenture as supplemented by this Deed.

7. DESIGNATION AS A SENIOR SECURED DOCUMENT

This Deed is designated as a Senior Secured Document.

8. FAILURE TO EXECUTE

Failure by one or more parties (“Non-Signatories”) to execute this Deed on the date hereof will not invalidate the provisions of this Deed as between the other Parties who do execute this Deed.
