The objects of the Company are unlimited.

3.2 Share Capital

3.3 The share capital of the Company is comprised of Ordinary Shares and Preferred Shares. No limit shall apply to the amount of the Company's share capital.

4. LIQUIDATION PREFERENCE

4.1 Liquidation Event

4.1.1 Subject to Article 4.1.2, on a Liquidation Event, the Available Assets shall be applied among, and distributed to the Holders of Shares in the following order of priority:

- (a) *first*, in paying the Holders of Series C Preferred Shares an amount per Series C Preferred Share equal to the greater of:
 - (i) the Subscription Price in respect of each Series C Preferred Share held by such Holder, together with a sum equal to any Arrears on such Series C Preferred Shares calculated down to and including the date of the return of capital (less any receipts, including any dividends and/or distributions, received by such Holders between the date of Adoption of these Articles and the Liquidation Event); or
 - (ii) an amount per Series C Preferred Share that is equal to: (x) \$191,000,000; divided by (y) the number of Series C Preferred Shares then in issue (provided that where this Article 4.1.1(a)(ii) applies the amount actually distributed to Holders of Series C Preferred Shares shall be distributed *pro rata* as between the Holders of Series C Preferred Shares in proportion to the Subscription Price in respect of each Series C Preferred Share held),

save that if the Available Assets are not sufficient to distribute in full the amounts so due in respect of all Series C Preferred Shares, then the Available Assets (if any) shall be distributed *pro rata* as between the Holders of Series C Preferred Shares in proportion to the Subscription Price in respect of each Series C Preferred Share held (and no distribution shall be made pursuant to Article (b) or Article 4.1.1(c))

- (b) *second*, in paying the Holders of Series B Preferred Shares and Series A Preferred Shares (as if they constituted one and the same class) an amount per Series B Preferred Share equal to the Subscription Price in respect of each Series B Preferred Share held by such Holder and an amount per Series A Preferred Share equal to the Subscription Price in respect of each Series A Preferred Share held by such Holder, together with a sum equal to any Arrears on such Series B Preferred Shares and Series A Preferred Shares calculated down to and including the date of the return of capital (less any receipts, including any dividends and/or distributions, received by such Holders between the date of Adoption of these Articles and the Liquidation Event); save that if the Available Assets are not sufficient to distribute in full the amounts so due in respect of all Series B Preferred Shares and Series A Preferred Shares, then the Available Assets (if any) shall be distributed *pro rata* as between the Holders of Series B Preferred Shares and Series A Preferred Shares in proportion to the Subscription Price in respect of each Series B Preferred Share and Series A Preferred Share held (and no distribution shall be made pursuant to Article 4.1.1(c)); and

- (c) *thereafter*, in paying any balance, if any (after accounting in full for the application of proceeds under Articles 4.1.1(a) and 4.1.1(b)) to the Holders of Series A Preferred Shares, Holders of Series B Preferred Shares, Holders of Series C Preferred Shares and the Holders of Ordinary Shares *pro rata* on an As Converted Basis as if they constituted one and the same class (less any receipts, including any dividends and/or distributions, received by such Holders between the date of Adoption of these Articles and the Liquidation Event).

4.2 Business Sale

As soon as practicable following receipt of the consideration payable to the Company in respect of a Business Sale, the Company shall distribute the Sale Proceeds to the Holders by means of a dividend or other distribution constituting a Liquidation Event in accordance with the priorities set out in Article 4.1. For the purposes of effecting such distribution, the Directors shall have authority to procure the liquidation of the Company or to distribute the Sale Proceeds to the Holders by way of dividend or otherwise. The provisions of this Article 4 shall take precedence over all other provisions of these Articles which may otherwise conflict with the provisions of this Article.

4.3 Share Sale

- 4.3.1 On a Share Sale, the Sale Proceeds shall be distributed in the order of priority set out in Article 4.1 and the Directors shall not register any transfer of Shares if the Sale Proceeds are not so distributed save in respect of any Shares not sold in connection with that Share Sale provided that if the Sale Proceeds are not settled in their entirety upon completion of the Share Sale:

- (a) the Directors shall not be prohibited from registering the transfer of the relevant Shares so long as the Sale Proceeds that are settled have been distributed in the order of priority set out in Article 4.1; and
- (b) the Shareholders shall take any action required by any of the Investors to ensure that the Sale Proceeds in their entirety are distributed in the order of priority set out in Article 4.1.

- 4.4 If any Available Assets or Sale Proceeds on a Liquidation Event, Business Sale or Share Sale include: (i) any non-cash assets or proceeds ("**Non-Cash Consideration**"); and/or (ii) any deferred and/or contingent assets or proceeds ("**Delayed Consideration**") then Articles 4.1, 4.2 and 4.3, as the case may be, shall apply to such Non-Cash Consideration and/or Delayed Consideration in such manner as the Board (acting reasonably and in good faith) may determine, *provided that*, with respect to Articles 4.1, 4.2 and 4.3, the potential value of any Delayed Consideration shall be excluded for the purposes of calculating any distribution to be made as at the date of such Liquidation Event, Business Sale or Share Sale (as the case may be), and if such Delayed Consideration is subsequently distributed, then as at the time of such distribution, the entitlement of each Holder of Shares in accordance with Articles 4.1, 4.2 and 4.3 (including the amounts previously distributed plus the Delayed Consideration to be then distributed) shall be recalculated and distributed so as to make good any shortfall between the amounts previously distributed and the amounts to which each such Holder is entitled pursuant to these Articles.

- 4.5 The Company shall not have the power to effect any transaction constituting or deemed to be a Share Sale (a “**Deemed Liquidation Event**”) unless the applicable transaction agreement provides that the consideration payable to the Shareholders shall be allocated among the Shareholders in accordance with Article 4.3.
- 4.6 Prior to any distribution of proceeds provided for in this Article 4, the Company shall not expend or dissipate the consideration received for any Liquidation Event, Business Sale, Share Sale or Deemed Liquidation Event, except to discharge any expenses incurred by the Company in such transaction.

5. ANTI-DILUTION

5.1 Weighted average anti-dilution

- 5.1.1 On each occasion that the Company is unconditionally obliged to issue or does issue any Relevant Securities (other than pursuant to: (i) a Permitted Capitalisation Issue or otherwise pursuant to this Article 5.1.1; (ii) any option already granted as at the date of Adoption or granted after the date of Adoption from the Option Pool or an issue of Ordinary Shares pursuant to the exercise of any option granted; (iii) an equipment financing arrangement with a financial institution or in connection with an acquisition of another entity’s assets and/or shares (in each case subject to prior approval of the Board and Investor Majority Consent); (iv) any conversion of Preferred Shares; or (v) an issue of Preferred Shares pursuant to the Series C Investment Agreements (including, without limitation and for the avoidance of doubt, any subscription letter entered into in connection with any Series C Investment Agreement) (a “**Relevant Issue**”) where:

- (a) in the case of an issue (for cash or non-cash consideration) of Shares the issue is made at a price of less than the relevant Benchmark Price; or
- (b) in the case of the issue of Relevant Securities (other than Shares), where the consideration received by the Company in respect of the Relevant Issue and any subsequent consideration (if any) received by the Company in connection with the issue of Share(s) pursuant to the terms of such Relevant Securities, are together equal to a price per Share which is less than the relevant Benchmark Price,

(the lowest price in the Relevant Issue, in each case, being referred to as the “**Third Party Price**”), then the Company shall (to the extent that it is lawfully able to do so):

- (c) where the Third Party Price is less than the Series C1 Preferred Subscription Price, issue to each Holder of Series C1 Preferred Shares by way of a Capitalisation Issue such number of additional Series C1 Preferred Shares as would result in such Holder of Series C1 Preferred Shares holding such number of Series C1 Preferred Shares (after taking into account any Series C1 Preferred Shares held by it which were previously issued under this Article 5.1.1) as it would hold if the aggregate amount of the Subscription Price in respect of all Series C1 Preferred Shares then held by such Holder of Series C1 Preferred Shares were applied wholly in subscribing for Series C1 Preferred Shares at the weighted average subscription price for the Relevant Issue (“**WAP**”) as calculated as set out below; and
- (d) where the Third Party Price is less than the Series C2 Preferred Subscription Price, in addition to the issue pursuant to clause (c) above, issue to each Holder of Series

C2 Preferred Shares by way of a Capitalisation Issue such number of additional Series C2 Preferred Shares as would result in such Holder of Series C2 Preferred Shares holding such number of Series C2 Preferred Shares (after taking into account any Series C2 Preferred Shares held by it which were previously issued under this Article 5.1.1) as it would hold if the aggregate amount of the Subscription Price in respect of all Series C2 Preferred Shares then held by such Holder of Series C2 Preferred Shares were applied wholly in subscribing for Series C2 Preferred Shares at the WAP as calculated as set out below.

In this Article 5.1:

“WAP” means the weighted average subscription price in respect of the Relevant Issue, being:

$$WAP = \frac{N_1 P_1 + N_2 P_2}{N_1 + N_2}$$

“P1” = the relevant Benchmark Price.

“N1” = the total number of Shares (on an As Converted Basis) in issue immediately prior to the Relevant Issue plus the maximum number of Shares (on an As Converted Basis) which are subject to Relevant Securities (other than Shares) in issue prior to the Relevant Issue (and where the number of Shares subject to Relevant Securities is not then determinable, the number of Shares to be used shall be the number of Shares which the Board determines is the best estimate of the number of Shares into which the Relevant Securities will ultimately convert).

“P2” = the Third Party Price.

“N2” = the total number of Shares (on an As Converted Basis) to be issued in the Relevant Issue and the maximum number of Shares (on an As Converted Basis) which may fall to be issued in respect of any Relevant Securities (other than Shares) comprised in the Relevant Issue.

5.1.2 To the extent that it is not lawful for the Company to make such a Capitalisation Issue to a Holder of Series C Preferred Shares pursuant to this Article 5.1.1:

- (a) the Company shall instead offer to such Holder of Series C Preferred Shares the right to subscribe in cash at par for such number of Series C Preferred Shares as would otherwise have been due to be issued to such Holder of Series C Preferred Shares pursuant to this Article 5.1.1 by way of Capitalisation Issue had it been lawful for the Company to do so and the entitlement of such Holder of Series C Preferred Shares for Series C Preferred Shares shall be increased by adjustment to the formula set out in Article 5.1.1 so that the Holders of Series C Preferred Shares shall be in no worse position than if they had not so subscribed at par. In the event of any dispute between the Company and any Holder of Series C Preferred Shares as to the effect of Article 5.1.1 or this Article 5.1.2, the matter shall be referred (at the cost of the Company) to the Auditors (acting as experts and not as arbitrators) for

certification of the number of Series C Preferred Shares to be issued. The Auditor's certification of the matter shall in the absence of manifest error be final and binding on the Company and the relevant Holder of Series C Preferred Shares; and

- (b) subject to the payment of any cash payable pursuant to Article 5.1.2(a) (if applicable), within five (5) Business Days of the expiry of the offer being made by the Company to the Holder of Series C Preferred Shares and pursuant to Article 5.2(a), be issued, credited fully paid up in cash and shall rank pari passu in all respects with the existing Series C1 Preferred Shares or Series C2 Preferred Shares except that the Subscription Price of the Series C Preferred Shares issued pursuant to this clause 5 shall be nominal value.

5.1.3 In the event of a Relevant Issue comprising Relevant Securities conferring a right to subscribe or exchange for, or convert into, or otherwise call for, the issue of any Shares where the number of Shares issuable pursuant to the terms of the Relevant Issue is not immediately ascertainable (because, for example but without limitation, the exercise or conversion rate is variable according to a formula), then: (i) the number of Series C Preferred Shares to be issued pursuant to this Article 5 shall be determined by the Board (acting reasonably and in good faith) and approved in writing by Investor Majority Consent or (ii) otherwise in the absence of a Board determination approved by Investor Majority Consent then the application of Article 5.1.1 may be postponed in respect of such Relevant Issue until such time or times as Shares are actually issued pursuant to the terms of such Relevant Securities, whereupon the number of Series C Preferred Shares to be issued pursuant to Article 5.1.1 shall be determined on the basis of the number of Shares actually issued.

5.1.4 In the event of a Capital Reorganisation or an issue of any Shares pursuant to this article 5, the Benchmark Price shall be adjusted on such basis as may be agreed by the Board acting with the Investor Majority Consent within ten (10) Business Days after that issue so as to ensure that the aggregate Benchmark Price immediately before that issue is equal to the aggregate Benchmark Price immediately following that issue plus any par amount which might have been paid for such shares issued pursuant to this article 5. If the Board and the Investor Majority Consent do not agree that adjustment within the ten (10) Business Day period referred to above, they must refer the matter to:

- (a) the Auditors; or
- (b) if the Auditors decline or are unable to act, an independent firm of accountants jointly appointed by the Board and the Investors (acting by way of an Investor Majority Consent),

or if paragraph 5.1.5(b) above applies and the Board and the Investor Majority Consent do not agree the identity of the independent firm of accountants within five (5) Business Days of the end of the ten (10) Business Day period referred to above, either the Board or the Investor Majority Consent may request the President for the time being of the Institute of Chartered Accountants in England and Wales (or his duly authorised deputy) to nominate an independent firm of accountants for that purpose. As soon as practicable after that nomination, the Board and the Investor Majority Consent must jointly appoint the independent firm so nominated. The Board and the Investor Majority Consent must act reasonably and in good faith to agree with the Auditors or the relevant firm of accountants (as applicable) the detailed terms of reference and the procedures that are to apply in relation to the adjustment of the Benchmark

Price. The Auditor's or the relevant firm of accountants (as applicable) fees and expenses shall be paid by the Company.

- 5.1.5 The provisions of this Article 5.1 may from time to time be disapplied or suspended (in whole and not in part) with the prior approval of each Holder of Series C Preferred Shares.

6. CONVERSION

6.1 Voluntary Conversion

- 6.1.1 Each Holder of Preferred Shares may at any time convert all, or any part of, its holding of Preferred Shares into a number of Ordinary Shares calculated as follows:

$$Z = W \times X$$

Where:

- W = the applicable Conversion Ratio;
- X = the number of the Preferred Shares to be converted; and
- Z = the number of Ordinary Shares into which the Preferred Shares to be so converted shall so convert.

- 6.1.2 Such right of conversion may be effected by notice in writing given to the Company signed by the Holder of the relevant Preferred Shares.

- 6.1.3 A conversion under Article 6.1.1 shall take effect immediately upon the date of delivery of a notice to the Company in accordance with Article 6.1.2 (unless such notice states that the conversion is to be effective when any conditions specified in the notice have been fulfilled in which case conversion shall take effect immediately upon the satisfaction of such conditions).

- 6.1.4 A notice in accordance with Article 6.1.2 shall be deemed to have been served, where applicable, in accordance with the Pay-to-Play Provisions.

6.2 Automatic Conversion on a Qualified Listing or with Investor Majority Consent

All of the Preferred Shares in issue shall automatically be converted into a number of Ordinary Shares calculated in accordance with Article 6.1.1 (and where so required by Article 6.3.6 a number of Deferred Shares calculated in accordance with the said Article 6.3.6) immediately:

- (i) prior to a Qualified Listing; or
- (ii) upon an Investor Majority Consent being served on the Company requiring that all Preferred Shares be so converted into Ordinary Shares,

and all Relevant Securities (excluding Shares) conferring any right to acquire Preferred Shares shall automatically as from the time of such Qualified Listing or receipt by the Company of such Investor Majority Consent, as the case may be, instead take effect as a right to acquire a number of Ordinary Shares calculated in accordance with Article 6.1.1 by reference to the number of Preferred Shares which would otherwise have been acquired pursuant to such Relevant Securities.

6.3 General

- 6.3.1 Forthwith upon a conversion taking effect the Holders of the resulting Ordinary Shares shall send to the Company the certificates in respect of their respective holdings of Preferred Shares. Following each receipt of the certificate for Preferred Shares or an indemnity in favour of the Company in respect of a lost certificate, the Company shall issue to the Holder thereof a certificate for the Ordinary Shares resulting from the conversion of such Preferred Shares.
- 6.3.2 The Ordinary Shares resulting from a conversion pursuant to this Article 6 shall rank from the date of conversion *pari passu* in all respects with the other Ordinary Shares in the Company.
- 6.3.3 Nothing in this Article 6.3 shall entitle any person to any fraction of any Share and any such fraction of Preferred Share shall be disregarded and may be otherwise applied by the Company at the discretion of the Directors in accordance with the Companies Acts.
- 6.3.4 Immediately upon a conversion pursuant to a Qualified Listing in accordance with Article 6.2, all Arrears in respect of the Preferred Shares so converted shall be capitalised into Ordinary Shares which Ordinary Shares the Company shall immediately allot and issue (together with Share certificates in respect thereof) to each Holder of Preferred Shares so converted. The number of Ordinary Shares to be so allotted and issued to each such Holder (the “**Relevant Holder**”) shall be calculated as follows:

$$J = \frac{K}{L}$$

J = number of Ordinary Shares to be issued to the Relevant Holder;

K = the aggregate of all Arrears in respect of all Preferred Shares to be so converted and held by the Relevant Holder; and

L = the Listing Price.

If the number, “J”, calculated in accordance with this Article 6.3 is not a whole number, the number of Ordinary Shares to be actually issued and allotted by the Company to the Relevant Holder in respect of a capitalisation of the aggregate of all Arrears in respect of the Preferred Shares to be so converted and held by the Relevant Holder shall be such whole number as is closest to, but less than, J (and the balancing fraction of such Preferred Share shall be disregarded and any corresponding Arrears shall cease to be payable).

- 6.3.5 In the event that a Capital Reorganisation or Capitalisation Issue (other than a Permitted Capitalisation Issue) shall take place whilst any Preferred Shares remain unconverted the Auditors (acting as experts and not as arbitrators) shall determine whether it is fair and reasonable to adjust the Conversion Ratio in respect of all those Preferred Shares and, if so determined, the Conversion Ratio shall be adjusted in such manner as is determined by the Auditors (acting as experts and not as arbitrators) to be fair and reasonable. The Auditor’s fees and expenses shall be paid by the Company.
- 6.3.6 If the aggregate nominal value of Preferred Shares to be converted into Ordinary Shares exceeds the aggregate nominal value of the Ordinary Shares into which such Preferred Shares are to be converted, then the excess Preferred Shares shall be converted into “Deferred Shares” having the rights set out in Article 6.4.

- 6.3.7 If the aggregate nominal value of Preferred Shares to be converted into Ordinary Shares is less than the aggregate nominal value of the Ordinary Shares into which such Preferred Shares are to be converted, then the Preferred Shares to be converted shall be converted into an equal nominal value of Ordinary Shares and the shortfall in nominal value shall be paid up by the issue of additional Ordinary Shares by capitalisation of reserves or such other manner as the Directors may determine, subject to applicable laws.

6.4 Deferred Shares

- 6.4.1 Notwithstanding any other provision of these Articles to the contrary, Deferred Shares: (i) carry no right to payment of any dividend or to receive notice of or to attend, speak or vote at any general meeting of the Company or on a return of capital (whether on a winding up or otherwise) to the repayment of the amount paid up on such Deferred Shares until after the repayment in full of the amount paid up on the Ordinary Shares together with the payment of £1,000,000 on each such Ordinary Share whereupon the Deferred Shares shall carry the right to repayment of the nominal capital paid up thereon and no more; and (ii) shall not be transferable without the consent of the Company.
- 6.4.2 Each holder of Deferred Shares shall be deemed to have conferred irrevocable authority on the Company at any time to appoint any person, for and on behalf of such holder, to:
- (a) receive notice of, attend and vote at any meeting of the class of Deferred Shares and sign any written resolution of such class;
 - (b) agree and execute any transfer of (and any agreement to re-purchase transfer or otherwise dispose of) some or all of the Deferred Shares to such persons as the Company may determine (including, without limitation, the Company itself);
 - (c) agree to sell or cancel all of the Deferred Shares then in issue for not more than one penny for all such Deferred Shares; and/or
 - (d) receive any consideration payable upon a transfer or re-purchase made pursuant to (b) or (c) above, in each case without obtaining the sanction of the holders, of such Deferred Shares, and in respect of any transfer and/or purchase; and to retain the certificate(s) for such Deferred Shares.
- 6.4.3 The Company may at its option re-purchase all of the Deferred Shares then in issue, at a price not exceeding one penny (in aggregate) for all such Deferred Shares purchased at any one time.
- 6.4.4 Notwithstanding any other provisions of these Articles, entering into a contract to purchase, and the purchase of, Deferred Shares shall not require the sanction of a resolution passed at a meeting of the holders of the Deferred Shares or any other consent of such holders.
- 6.4.5 In the event of any conflict or inconsistency between this Article 6.4 and any other provision of these Articles, this Article 6.4 shall prevail in respect of any matter relating to the Deferred Shares.

7. VOTING

7.1 Number of votes

Subject to any special rights or restrictions as to voting attached to any Shares by or in accordance with these Articles:

- 7.1.1 each Ordinary Share shall, on a poll, carry one vote per Share; and
- 7.1.2 each Preferred Share shall, on a poll, carry one vote per Share (on an As Converted Basis).

7.2 Exercise of votes

Votes on Shares may be exercised:

- 7.2.1 on a show of hands, by every member who (being an individual) is present in person or by proxy or (being a corporation) is present by a representative, not being himself a member (in which case each Shareholder shall have one vote); and
- 7.2.2 on a poll, by every member who (being an individual) is present in person or by proxy or (being a corporation) is present by a representative or by a proxy (in which case each Shareholder shall have that number of votes attributable to the Shares held by him or in respect of which he has been appointed an authorised representative or proxy as is set out in Article 7.1).

7.3 Certain Shares not to carry votes

Notwithstanding Articles 7.1 and 7.2, Shares the subject of a Compulsory Transfer Notice shall temporarily cease to carry any voting rights or give the Holder thereof the right to attend or receive notice of any meetings of the Company until such Shares are transferred and registered in the name of another Holder in accordance with these Articles. The temporary cessation of voting rights and the right to attend or receive notice of any meetings of the Company, shall not constitute such Shares a class of Shares separate from the classes of voting Shares.

7.4 Removal of Special Directors

Article 22.1.4 shall apply in respect of any resolution (proposed pursuant to section 168 of the Act or otherwise) to remove a Special Director from office.

8. VARIATION OF CLASS RIGHTS

- 8.1 Whenever the capital of the Company is divided into different classes of shares the special rights attached to any class may (subject to the Companies Acts, and in particular section 630 of the Act) be varied or abrogated either whilst the Company is a going concern or during or in contemplation of a winding up, with the consent in writing of the Holders of not less than 75 per cent. of the issued Shares of that class.
- 8.2 The creation of a new class of shares which has preferential rights to all existing classes of shares shall not constitute a variation of the rights of those existing Shares.
- 8.3 The special rights attaching to the Deferred Shares as a class may be varied or abrogated by a special resolution without the requirement for any consent by the holders of the Deferred Shares or any of them.

9. DIVIDENDS

9.1 Dividends and other distributions to be paid *pro rata*

- 9.1.1 All dividends and other distributions shall be paid to all Holders of Shares *pro rata* to the number of Shares held on an As Converted Basis by each such person and shall not be paid without an Investor Majority Consent.
- 9.1.2 Article 9.1.1 shall not apply to a dividend or other distribution which:
- (a) occurs as a result of a Liquidation Event, in which case the Available Assets shall be distributed in accordance with Article 4;
 - (b) occurs as a result of a Business Sale, in which case the Sale Proceeds shall be distributed in accordance with Article 4; or
 - (c) which is a Permitted Capitalisation Issue.

10. GENERAL MEETINGS

- 10.1 The quorum for any general meeting shall be Shareholders representing an Investor Majority Consent, each being a Shareholder in person or a proxy or authorised representative appointed by one or more Shareholders, unless the Company has only one Shareholder, when the quorum shall be one such person. Two or more persons being or representing or being a proxy for the same Shareholder shall count as one person.
- 10.2 If the persons attending a general meeting within half an hour of the time at which the meeting was due to start do not constitute a quorum, the meeting shall stand adjourned to the same day in the next week at the same time and place or such date and time as the Board may determine. Article 41(1) of the Model Articles shall not apply. Article 41(4) of the Model Articles shall only apply to meetings adjourned under Article 41(2) of the Model Articles.
- 10.3 The provisions of section 318 of the Act shall apply to the Company, save that if there is only one Shareholder who is permitted to vote upon the business at the meeting, the quorum for that part of meeting considering the business for which only one Shareholder is permitted to vote, shall be one qualifying person present at the meeting (as defined in Section 318(3) of the Act).
- 10.4 If at any general meeting any votes are counted which ought not to have been counted, or are not counted which ought to have been counted, the error shall not vitiate the result of the voting unless:
- (a) it is pointed out at the same meeting; and
 - (b) it is, in the opinion of the chairman of the meeting, of sufficient magnitude to affect the result of the voting.
- 10.5 If a demand for a poll is withdrawn under Article 44(3) of the Model Articles, the demand shall not be taken to have invalidated the result of a show of hands declared before the demand was made and the meeting shall continue as if the demand had not been made.

- 10.6 Polls must be taken in such manner as the chairman directs. A poll demanded on the election of a chairman or on a question of adjournment must be held immediately. A poll demanded on any other question must be held either immediately or at such time and place as the chairman directs not being more than fourteen (14) days after the poll is demanded. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll was demanded. Article 44(4) of the Model Articles shall not apply.
- 10.7 No notice need be given of a poll not held immediately if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In any other case at least seven clear days' notice shall be given specifying the time and place at which the poll is to be taken.
- 10.8 If the poll is to be held more than forty-eight (48) hours after it was demanded the Shareholders shall be entitled to deliver Proxy Notices in respect of the poll at any time up to twenty-four (24) hours before the time appointed for taking that poll. In calculating that period, no account shall be taken of any part of a day that is not a working day.
- 10.9 Proxies may only validly be appointed by a notice in writing (a **"Proxy Notice"**) which:
- (a) states the name and address of the Shareholder appointing the proxy;
 - (b) identifies the person appointed to be that Shareholder's proxy and the general meeting in relation to which that person is appointed;
 - (c) is signed by or on behalf of the Shareholder appointing the proxy, or is authenticated in such manner as the Board may determine; and
 - (d) subject to Article 10.6, is either handed to the chairman any time before the start of the relevant meeting or delivered to the Company in accordance with the Articles and any instructions contained in the notice of the general meeting to which they relate.
- 10.10 Article 45(1) of the Model Articles shall not apply.
- 10.11 If a Proxy Notice is executed on behalf of the Shareholder appointing the proxy, it must be accompanied by written evidence of the authority (being the original, a duly certified copy of the grant of authority or such other evidence as the Board deems appropriate) of the person who executed it to execute it on the appointor's behalf. Article 46(4) of the Model Articles shall not apply.

11. ISSUES OF RELEVANT SECURITIES

Subject to the provisions of the Companies Acts, any resolutions passed by Shareholders varying any authority and/or power conferred on the Directors pursuant to section 551 of the Act, the terms of the Shareholders Agreement and these Articles having been duly and properly complied with:

11.1 Authority to allot

- 11.1.1 The Directors shall be generally and unconditionally authorised pursuant to and in accordance with section 551 of the Act to exercise all the powers of the Company to allot Relevant Securities up to an aggregate nominal amount equal to the amount specified by any resolutions passed by the Shareholders before, on or after the date of Adoption.
- 11.1.2 Without prejudice to any authority otherwise conferred on the Directors (whether pursuant to this Article 11.1 or any resolution passed by the Shareholders), the Directors may not exercise any power of the Company to allot Shares, or grant any rights to subscribe for or convert any security into Shares, where such authority is conferred solely by section 550 of the Act (notwithstanding that the Company may at the relevant time be a private company having only one class of Share).

11.2 Disapplication of the statutory pre-emption rights

The statutory pre-emption rights contained in section 561 of the Act shall not apply to the Company.

11.3 Authority to make offers or agreements which might require future allotments

By the authority and power conferred by Article 11.1, the Directors may, during the period specified by the resolution passed by the Shareholders before, on or after the date of Adoption, make offers or agreements which would or might require the allotment of Relevant Securities after such period expires and in such circumstances the Directors may allot securities in pursuance of that offer or agreement as if such authority and power had not expired.

12. PRE-EMPTION RIGHTS ON ISSUE OF SHARES AND SHAREHOLDER DEBT

12.1 Pre-emption rights

- 12.1.1 Unless otherwise agreed by a special resolution of the Company and an Investor Majority Consent, if the Company proposes to allot any Relevant Securities or Shareholder Debt (together, “**New Securities**”), those New Securities shall not be allotted to any person unless the Company has in the first instance offered such New Securities to the Holders of Preferred Shares on the same terms and at the same price as those New Securities are being offered to other persons on a *pro rata* basis to the aggregate number of Preferred Shares held by the Holders of Preferred Shares on an As Converted Basis (as nearly as may be without involving fractions). The offer:
- (a) shall be in writing, give details of the number and subscription price of the New Securities; and
 - (b) may stipulate that any Holder of Preferred Shares who wishes to subscribe for a number of New Securities in excess of the proportion to which such Holder of Preferred Shares is entitled shall in their acceptance state the number of excess New Securities (the “**Excess Securities**”) for which they wish to subscribe.
- 12.1.2 Any New Securities not accepted by Holders of Preferred Shares pursuant to the offer made to them in accordance with Article 12.1.1 shall be used for satisfying any requests for Excess Securities made pursuant to Article 12.1.1 and in the event that there are insufficient Excess Securities to satisfy such requests, the Excess Securities shall be allotted to the applicants on a *pro rata* basis to the number of Preferred Shares held by the applicants on As Converted

Basis immediately prior to the offer made to Holders of Preferred Shares in accordance with Article 12.1.1 (as nearly as may be without involving fractions or increasing the number allotted to any Holder of Preferred Shares beyond that applied for by him).

- 12.1.3 If, after the allotments have been made pursuant to Articles 12.1.1 and 12.1.2, all of the New Securities have not been allotted, the Board may at its absolute discretion offer the unallotted New Securities to one or more Holders of Ordinary Shares or any other person.
- 12.1.4 Subject to Articles 12.1.1 to 12.1.3 (inclusive) and to the provisions of section 551 of the Act, any New Securities shall be at the disposal of the Board who may allot, grant options over or otherwise dispose of them to any persons at those times and generally on the terms and conditions they think proper, provided that the allotment or grant to that person must be supported in writing by an Investor Majority Consent.
- 12.1.5 The provisions of Articles 12.1.1 to 12.1.4 shall not apply to:
- (a) any Relevant Securities issued in connection with a Qualified Listing;
 - (b) any subscription for Shares or allotment of Shares made pursuant to any Series C Investment Agreement;
 - (c) a Permitted Capitalisation Issue;
 - (d) any option granted from the Option Pool in accordance with the Shareholders Agreement or any Ordinary Shares issued upon exercise of any option granted from the Option Pool in accordance with the Amended Shareholders Agreement (up to the maximum amount set out in the Amended Shareholders Agreement or as otherwise approved by an Investor Majority Consent);
 - (e) any Relevant Securities issued pursuant to any equipment financing arrangement with a financial institution, or in connection with any strategic partnerships or joint ventures, (in each case, as approved by the Board) provided that such issues do not exceed 5% of the Company's fully diluted share capital in aggregate; or
 - (f) any Relevant Securities issued pursuant to any acquisition made by the Company, provided that such acquisition has received prior Investor Majority Consent.

12.2 Insider Pool

Notwithstanding any provisions in this Article 12, where the Company proposes to allot New Securities and the provisions of articles 12.1.1 to 12.1.3 (inclusive) are dis-applied in respect of such allotment with a special resolution of the Company and Investor Majority Consent, if one or more Investor(s) and/or any Permitted Transferee of any Investor(s) are to be allocated any or all of such New Securities (the number of New Securities allocated to such Investor(s) and/or any Permitted Transferee of any Investor(s) being the “**Insider Pool**”), then Investors shall discuss in good faith as to how the Insider Pool is to be allocated among the Investors giving reasonable consideration to the rights of the Investors in Article 12.1.1 to 12.1.3 (inclusive) had such provisions not been disapplied.

12.3 No other issues

Subject to Article 12.4, the Company shall not issue Relevant Securities or Shareholder Debt save in compliance with this Article 12.

12.4 Fractions

An entitlement to any fraction of any Relevant Security or Shareholder Debt pursuant to this Article 12 may, at the option of the Company, be disregarded.

12.5 Termination of Rights

The rights set out in this Article 12 shall cease upon a Share Sale or Qualified Listing and in relation to a particular Shareholder, upon that Shareholder ceasing to hold any Preferred Shares.

13. TRANSFER OF SHARES

13.1 Method of transfer

Subject to Articles 13.2, 13.4 and 13.6:

- 13.1.1 Shares may be transferred by means of an instrument of transfer in any usual form or any other form approved by the Directors, which is executed by or on behalf of the transferor or, if the Share is nil or partly paid, by or on behalf of both the transferor and the transferee.
- 13.1.2 No fee may be charged for registering any instrument of transfer or other document relating to or affecting the title to any Share.
- 13.1.3 The Company may retain any instrument of transfer which is registered.
- 13.1.4 The transferor remains the Holder until the transferee's name is entered in the register of members as Holder of it.

13.2 Transfers restricted

No Member may transfer any Share except in accordance with Article 14 (*Transfers with Shareholder Approval*), Article 15 (*Permitted Transfers*), Article 16 (*Compulsory Transfers*), Article 17 (*Pre-emption Rights on the Transfer of Shares*), Article 18 (*Mandatory Offer on a Change of Control*), Article 19 (*Co-Sale Rights*) or Article 20 (*Drag Rights*) and any purported transfer in breach of this Article 13.2 shall be of no effect.

13.3 Transfers or grants of interests

References in Article 13.2 to a transfer of any Share includes a transfer or grant of any interest in any Share or of any right attaching to any Share, whether by way of sale, gift, holding on trust, charge, mortgage or pledge, or in any other way, and whether at law or in equity, and also includes an agreement to make any such transfer or grant or to exercise the voting rights attaching to a Share at the direction of any third party.

13.4 Director's powers to refuse to register transfers

The Directors shall refuse to register a transfer of Shares:

- 13.4.1 prohibited by these Articles;
- 13.4.2 not effected in accordance with these Articles;

- 13.4.3 where legal title to such Shares is purportedly transferred to a child under eighteen (18) years of age;
- 13.4.4 the transfer is in respect of more than one (1) class of shares or is in favour of more than four (4) transferees; and/or
- 13.4.5 where (unless otherwise approved in writing by an Investor Majority Consent) the Directors are aware that any of the circumstances described in Article 16.1.1(a) to 16.1.1(e) inclusive apply in respect of the proposed transferee.

The Directors shall not otherwise be entitled to refuse to register any transfer of Shares.

13.5 Investigations as to rights or requirements to transfer

For the purpose of ensuring that a particular transfer of Shares is permitted under the provisions of these Articles or that no circumstances have arisen whereby a Compulsory Transfer Notice may be given or is deemed to have been given under these Articles, the Directors may from time to time require any Holder or past Holder (or a joint Holder or joint past Holder or the personal representatives, trustee in bankruptcy, liquidator, administrator or receiver of any such Holder or past Holder), or any person becoming entitled to Shares on a transmission of those Shares, or in the case of any proposed transfer, any proposed transferee, to supply to the Company such information as they may reasonably think relevant for the purpose of determining whether: (a) there has been a breach of these Articles; (b) a Compulsory Transfer Event has occurred; (c) the proposed transfer is permitted under the Articles; or (d) whether a Transfer Notice should be deemed to have been served. Unless that information is supplied within twenty (20) Business Days of the date of the request, the Directors may declare that until such time as the information so requested is provided to the Company the Shares in question shall be subject to the restrictions set out in sections 797(1)(a)-(d) of the Act and the Directors may refuse to register any transfer of the relevant Shares.

13.6 Registration of transfers

Unless under these Articles the Directors have an express discretion or are obliged to refuse to register the transfer of any Share, the Directors shall register all transfers of Shares permitted by or effected in accordance with these Articles within twenty (20) Business Days of the following being lodged at the registered office of the Company (or such other place in the United Kingdom as the Directors may have notified to Holders of Shares for such purpose):

- 13.6.1 the duly stamped transfer (or transfer certified as being exempt from stamp duty);
- 13.6.2 the certificates for the Shares to which the transfer relates or an indemnity in lieu of the certificates in a form reasonably satisfactory to the Directors;
- 13.6.3 evidence that each proposed transferee has first agreed to be bound, in accordance with its terms, by any applicable provisions of the Shareholders Agreement then in force with effect from the date of the transfer (if the transferor is bound by the terms of such shareholders' agreement and required pursuant thereto to procure that the transferee so agrees to be bound by the terms thereof); and

- 13.6.4 such information (if any) as the Company may have requested pursuant to Article 13.5 in respect of the proposed transferee.

14. TRANSFERS WITH SHAREHOLDER APPROVAL

Notwithstanding any other provisions of these Articles a purported transfer by an Employee Member of any Shares or Relevant Securities must be approved by Investor Majority Consent.

15. PERMITTED TRANSFERS

15.1 Permitted Transferees

Unless otherwise prohibited by these Articles, the following transfers may be made without restriction as to price or otherwise and any such transfers shall (subject to Article 13.4 and Article 13.6) be registered by the Directors:

- 15.1.1 a transfer of up to fifty per cent (50%) of the entire legal and beneficial interest in any Share by a Holder (being an individual who does not hold the Share concerned as a trustee) to a Privileged Relation (aged 18 or over) of such Holder;
- 15.1.2 a transfer of up to fifty per cent (50%) of the legal interest in any Share by a Holder (being an individual who does not hold the Shares concerned solely as a trustee) to the trustees of a Family Trust (acting in that capacity) of such Holder and a transfer of the beneficial interest in any Share by a Holder (being an individual who does not hold the Shares concerned solely as a trustee) to the beneficiaries of any Family Trust of such Holder where the legal interest in such Share is held by the trustees of such Family Trust (in such capacity);
- 15.1.3 a transfer of up to fifty per cent (50%) of the legal interest in any Share by any trustees of a Family Trust acting in that capacity to any other or new trustees of that Family Trust acting in that capacity;
- 15.1.4 a transfer of the entire legal interest in any Share by any trustees of a Family Trust acting in that capacity to any beneficiary of that trust (aged eighteen (18) or over) who has become absolutely entitled to the entire legal and beneficial interest in the Share proposed to be transferred;
- 15.1.5 a transfer of the entire legal and beneficial interest in any Share by a Shareholder to any of its Affiliates, provided that if the transferee ceases to be an Affiliate of its transferor the transferee shall on request by the Company re-transfer the Shares in question to its transferor (or a Permitted Transferee thereof) and failing such transfer, the Company may authorise some person to execute transfers of the relevant Shares in favour of such transferor (or a Permitted Transferee thereof) and may thereupon enter the name of such transferor (or a Permitted Transferee thereof) in the Register of Members as the Holder of such Shares; or
- 15.1.6 a transfer pursuant to paragraph 1.1.2 of Schedule 4 of the Series C Investment Agreement.

15.2 Investor transfers

Unless otherwise prohibited by these Articles, the following transfers may be made without restriction as to price or otherwise and any such transfers shall (subject to Article 13.4 and Article 13.6) be registered by the Directors:

15.2.1 any transfer by an Investor to:

- (a) an Affiliate Fund or any member of such Investor's Group (and thereafter any transfer by any member of such Investor's Group to any other member of such Investor's Group), provided that if the transferee ceases to be an Affiliate of its transferor it shall on request by the Company re-transfer the Shares in question to its transferor (or a Permitted Transferee thereof) and failing such transfer, the Company may authorise some person to execute transfers of the relevant Shares in favour of the original transferor (or a Permitted Transferee thereof) and may thereupon enter the name of such transferor (or a Permitted Transferee thereof) in the Register of Members as the Holder of such Shares;
- (b) a successor in interest whether by merger, consolidation, secondary sale, asset sale, or otherwise, for purposes of liquidating, winding up or restructuring a portion or all of the Investor's investment portfolio;

15.2.2 a transfer of any Shares held by an Investor (or a nominee of an Investor) who is:

- (a) a person whose principal business is to make, manage or advise upon investments (being, where applicable, duly authorised to do so by the Financial Services Authority or other relevant regulator) (an "**Investment Manager**"); or
- (b) a fund, partnership, company, syndicate or other entity whose principal business is to make investments and whose business is managed by an Investment Manager (an "**Investment Fund**"); or
- (c) a nominee of an Investment Manager or an Investment Fund,

to any of the following transferees:

- (d) where the Investor is an Investment Manager or a nominee of an Investment Manager, to any person who is:
 - (i) a participant (directly or indirectly) or partner in or member of an Investment Fund which is managed by such Investment Manager (but only in connection with the dissolution of such Investment Fund or any distribution of assets of the Investment Fund pursuant to the operation of the Investment Fund);
 - (ii) an Investment Fund whose business is managed by the Investment Manager who is or whose nominee is the transferor; or
 - (iii) any other Investment Manager who manages the business of the Investment Fund in respect of which the Shares are held; or
 - (iv) any other Investment Fund.
- (e) where that Investor is an Investment Fund, or a nominee of an Investment Fund, to any person who is:
 - (i) a participant (directly or indirectly) or partner in or member of such Investment Fund (but only in connection with the dissolution of such Investment Fund or any distribution of assets of the Investment Fund pursuant to the operation of the Investment Fund);

- (ii) any other Investment Fund whose business is managed by the same Investment Manager as manages the Investment Fund which is or whose nominee is the transferor;
 - (iii) the Investment Manager who manages the business of the Investment Fund which is or whose nominee is the transferor; or
 - (iv) any other Investment Fund,
- (or, in the case of (d)(i) to (iii) or (e)(i) to (iii), a nominee of any such person).

16. COMPULSORY TRANSFERS

16.1 Compulsory Transfer Events

For the purposes of these Articles, a Compulsory Transfer Event shall occur unless otherwise approved in writing by the Board in relation to a Holder (other than an Investor or their Permitted Transferees):

16.1.1 if that Holder (being an individual):

- (a) makes any proposal under Part VIII Insolvency Act 1986 for a composition in satisfaction of his debts or a scheme of arrangement of his affairs, or makes any arrangement or compromise with his creditors generally;
- (b) has a bankruptcy order made against him;
- (c) dies (unless that Holder is a joint Holder) save to the extent such Shares are thereafter transferred to any Permitted Transferees of such deceased Holder and the Board approves such transfers;
- (d) by reason of his mental health he becomes the subject of an order of the court which wholly or partly prevents him from personally exercising any powers or rights he may otherwise have;
- (e) becomes the subject of any occurrence analogous to those in Articles 16.1.1(a) to 16.1.1(d) (whether or not such occurrence arises in England and Wales or in some other jurisdiction); or
- (f) in the case of a Holder who holds Shares by reason of a Permitted Transfer made to a Privileged Relation, if the Holder thereafter ceases to be a Privileged Relation (including, without limitation, by reason of divorce) of the transferor; or
- (g) where the Holder is a nominee holding the legal interest in such Shares, the person holding the beneficial interest in such Shares (legal title to which is held by such nominee): (a) becomes subject to a change of the person who has Control of it (other than if (and for so long as) the person(s) acquiring Control of the holder of such beneficial interest is a Permitted Transferee of the previous holder of such beneficial interest) or (b) is subject to a Compulsory Transfer Event (or would be subject to a Compulsory Transfer Event if such person were a Holder);

(and in case of an event within (a) or (b) any Compulsory Transfer Notice shall be deemed to be served jointly by the nominee and the holder of the beneficial interest);
or

- 16.1.2 in the case of a Holder who holds Shares as trustee of a Family Trust, if he ceases to hold those shares on the terms of a Family Trust (other than in consequence of a transfer under Article 16.3) or holds them on trust for an individual in relation to whom a Compulsory Transfer Event has occurred.

16.2 Notification of Compulsory Transfer Event

If a Compulsory Transfer Event occurs (or is due to occur), then the Holder to whom such event relates shall promptly notify the Board in writing (specifying such details of the Compulsory Transfer Event as the Board may reasonably require).

16.3 Deemed Transfer Notices

At any time prior to the date twelve (12) months after the Board has received all details concerning such a Compulsory Transfer Event as the Board may reasonably require (or, if later, the date twelve (12) months from the occurrence of the Compulsory Transfer Event) the Board may determine that a Transfer Notice be deemed to have been served (being a Compulsory Transfer Notice) in respect of the entire legal and beneficial interest in all (or such other portion as may be determined by the Board) of the Shares held by the relevant Holder (and its Permitted Transferees, to the extent the Board determines that such Shares are to be so offered for transfer in connection with such Compulsory Transfer Event). Article 17 shall apply to a Compulsory Transfer Notice except as modified by this Article 16.3.

16.4 Transfers to be at Market Value

The price at which Shares the subject of a Compulsory Transfer Notice served pursuant to Article 16.3 shall be offered for sale pursuant to Article 17 shall be Market Value.

16.5 Determination of Market Value

- 16.5.1 In respect of a transfer of Shares pursuant to a Compulsory Transfer Notice “**Market Value**” shall be the sale price of such Shares as agreed between the Board and the relevant transferor or as otherwise determined pursuant to this Article 16.5. A transferor may not subsequently retract his agreement as to any such sale price once the Market Value has been so established. If the Board and such transferor are unable to agree such sale price then the sale price shall, at the request of either party, instead be the price which an Independent Expert shall certify to be in his opinion the market value of the Shares to be transferred as at the date of its certificate. In arriving at this opinion prior to certifying the sale price, the Independent Expert will value the Shares on a going concern basis and assuming a sale between a willing seller and a willing buyer ignoring any reduction or increase in value which may be ascribed to the Shares by virtue of the fact that they represent a minority or majority or Controlling Interest and on the assumption that the Shares are capable of transfer without restriction. If the Independent Expert is asked to certify the sale price, his certificate shall be delivered to the Company. The certificate of the Independent Expert shall, (in the absence of fraud or manifest error), be binding on all persons. As soon as the Company receives the certificate it shall deliver a copy to the transferor. The fees and expenses of the Independent Expert shall be payable by the

Company (or, if so determined by the Independent Expert, by the transferor and the Company in such proportions as the Independent Expert may notify to such persons).

- 16.5.2 The Market Value of any Shares may be nil if so determined in accordance with this Article 16.5.

16.6 No withdrawal of Compulsory Transfer Notices

A Compulsory Transfer Notice deemed to have been given may not be withdrawn (other than with written approval of the Board and an Investor Majority Consent).

17. PRE-EMPTION RIGHTS ON THE TRANSFER OF SHARES

17.1 Pre-emption

- 17.1.1 Save where the provisions of Articles 15 (*Permitted Transfers*), 18 (*Mandatory Offer on a Change of Control*), 19 (*Co-Sale Right*) or 20 (*Drag Rights*) apply, any transfer of Shares by a Shareholder shall be subject to the pre-emption rights contained in this Article 17, except where an Investor Majority Consent has determined that the pre-emption rights contained in this Article 17 should not apply.

- 17.1.2 A Shareholder who wishes to transfer Shares (a “**Seller**”) shall, except as otherwise provided in these Articles, before transferring or agreeing to transfer any Shares give notice in writing (a “**Transfer Notice**”) to the Company specifying:

- (a) the number of Shares which he wishes to transfer (the “**Sale Shares**”);
- (b) if he wishes to sell the Sale Shares to a third party, the name of the proposed transferee;
- (c) the price (in cash) at which he wishes to transfer the Sale Shares which will be deemed to be the Market Value of the Sale Shares if no cash price is agreed between the Seller and the Board (including the Special Directors appointed by the Investors) (the “**Transfer Price**”); and
- (d) whether the Transfer Notice is conditional on all or a specific number of the Sale Shares being sold to Shareholders (a “**Minimum Transfer Condition**”).

- 17.1.3 Except by Investor Majority Consent, no Transfer Notice once given or deemed to have been given under these Articles may be withdrawn.

- 17.1.4 A Transfer Notice constitutes the Company the agent of the Seller for the sale of the Sale Shares at the Transfer Price.

- 17.1.5 As soon as practicable following the later of:

- (a) receipt of a Transfer Notice; and
- (b) in the case where the Transfer Price has not been specified or the Transfer Notice is deemed to have been served, the determination of the Transfer Price under Article 16.5.1,

the Board shall offer the Sale Shares for sale to the Holders of Preferred Shares in the manner set out in Articles 17.2 to 17.4 (inclusive). Each offer must be in writing and give details of the number and Transfer Price of the Sale Shares offered.

17.2 **Priority of Offer**

17.2.1 Regardless as to whether the Sale Shares are Preferred Shares or Ordinary Shares (or any other class of Share), the Company shall offer them in the following priority:

- (a) *first*, to the Holders of Preferred Shares (pro rata to the number of Preferred Shares on an As Converted Basis); and
- (b) *thereafter*, to the Holders of Ordinary Shares (pro rata to the number of Ordinary Shares on an As Converted Basis),

in each case on the basis as set out in Article 17.3.

17.3 **Transfers (First Offer)**

17.3.1 Subject to Article 17.1.5, the Board shall offer the Sale Shares pursuant to the priority rights set out in Article 17.2.1 to all shareholders specified in the offer other than the Seller (the “**Continuing Shareholders**”) inviting them to apply in writing within the period from the date of the offer to the date fifteen (15) Business Days after the offer (inclusive) (the “**First Offer Period**”) for the maximum number of Sale Shares they wish to buy.

17.3.2 If the Sale Shares are subject to a Minimum Transfer Condition then any allocation made under Articles 17.3 and 17.4 will be conditional on the fulfilment of the Minimum Transfer Condition.

17.3.3 If, at the end of the First Offer Period, the number of Sale Shares applied for is equal to or exceeds the number of Sale Shares, the Board shall allocate the Sale Shares to each Continuing Shareholder in accordance with the priority rights set out in Article 17.1.2 and in the proportion (fractional entitlements being rounded to the nearest whole number) which his existing holding of the relevant class of Shares bears to the total number of the relevant class of Shares held by those Continuing Shareholders who have applied for Sale Shares but no allocation shall be made to a Shareholder of more than the maximum number of Sale Shares which he has stated he is willing to buy.

17.3.4 If not all Sale Shares are allocated in accordance with Article 17.3.3 but there are applications for Sale Shares that have not been satisfied those Sale Shares shall be allocated to the relevant applicant(s) in accordance with the procedure set out in Article 17.3.3.

17.3.5 If, at the end of the First Offer Period, the number of Sale Shares applied for is less than the number of Sale Shares, the Board shall allocate the Sale Shares to the Continuing Shareholders in accordance with their applications and the balance (the “**Initial Surplus Shares**”) will be dealt with in accordance with Article 17.4.

17.4 **Transfers (Second Offer)**

17.4.1 At the end of the First Offer Period, the Board shall offer the Initial Surplus Shares to all the Continuing Shareholders inviting them to apply in writing within the period from the date of the offer to the date fifteen (15) Business Days after the date of the offer (inclusive) (the

“Second Offer Period”) for the maximum number of the Initial Surplus Shares they wish to buy.

17.4.2 If, at the end of the Second Offer Period, the number of Initial Surplus Shares applied for exceeds the number of Initial Surplus Shares, the Board shall allocate the remaining Initial Surplus Shares to each Continuing Shareholder in the proportion (fractional entitlements being rounded to the nearest whole number) which his existing holding of Shares bears to the total number of Shares (including Sale Shares) held by those Continuing Shareholders who have applied during the Second Offer Period for Initial Surplus Shares but no allocation shall be made to a Shareholder of more than the maximum number of Initial Surplus Shares which he has stated he is willing to buy.

17.4.3 If, at the end of the Second Offer Period, the number of Initial Surplus Shares applied for is less than the number of Initial Surplus Shares, the Board shall allocate the Initial Surplus Shares to the Continuing Shareholders in accordance with their applications and the balance (the **“Second Surplus Shares”**) will be offered to any other person in accordance with Article 17.5.5.

17.5 **Completion of transfer of Sale Shares**

17.5.1 If the Transfer Notice includes a Minimum Transfer Condition and the total number of Shares applied for is less than the number of Sale Shares stated in the Minimum Transfer Condition the Board shall notify the Seller and all those to whom Sale Shares have been conditionally allocated under Articles 16.7 and 16.8 stating the condition has not been met and that the relevant Transfer Notice has lapsed with immediate effect.

17.5.2 If:

- (a) the Transfer Notice does not include a Minimum Transfer Condition; and
- (b) allocations have been made in respect of all the Sale Shares,

the Board shall, when no further offers are required to be made under Articles 17.3 and 17.4, give written notice of allocation (an **“Allocation Notice”**) to the Seller and each Shareholder or other person to whom Sale Shares have been allocated (an **“Applicant”**) specifying the number of Sale Shares allocated to each Applicant and the place and time (being not less than ten (10) Business Days nor more than twenty (20) Business Days after the date of the Allocation Notice) for completion of the transfer of the Sale Shares.

17.5.3 Upon service of an Allocation Notice, the Seller must, against payment of the Transfer Price, transfer the Sale Shares in accordance with the requirements specified in it.

17.5.4 If the Seller fails to comply with the provisions of Article 17.5.3:

- (a) the chairman of the Company or, failing him, one of the Directors, or some other person nominated by a resolution of the Board, may on behalf of the Seller:
 - (i) complete, execute and deliver in his name all documents necessary to give effect to the transfer of the relevant Sale Shares to the Applicants;
 - (ii) receive the Transfer Price and give a good discharge for it; and

- (iii) subject to the transfer being duly stamped, enter the Applicants in the register of Shareholders as the holders of the Shares purchased by them; and
 - (b) the Company shall pay the Transfer Price into a separate bank account in the Company's name on trust (but without interest) for the Seller until he has delivered to the Company his certificate or certificates for the relevant Shares (or an indemnity, in a form reasonably satisfactory to the Board, in respect of any lost certificate).
- 17.5.5 If an Allocation Notice does not relate to all the Sale Shares then, subject to Article 17.5.6, the Seller may, within eight (8) weeks after service of the Allocation Notice, transfer the Second Surplus Shares to any person at a price at least equal to the Transfer Price provided that the sale of the Second Surplus Shares shall continue to be subject to any Minimum Transfer Conditions.
- 17.5.6 The right of the Seller to transfer Shares under Article 17.5.5 does not apply if the Board is of the opinion on reasonable grounds that:
 - (a) the transferee is a person (or a nominee for a person) who the Special Directors determine in their absolute discretion is a competitor with (or an Associate of a competitor with) the business of the Company or any Subsidiary;
 - (b) the sale of the Sale Shares is not *bona fide* or the price is subject to a deduction, rebate or allowance to the transferee; or

The determination of the fair market value shall be final and binding on all parties (absent any manifest error or fraud);
 - (j) the Called Shareholder shall not be required to agree (unless such Called Shareholder is an employee, director or consultant of the Company) to any restrictive covenant (including without limitation any covenant not to compete or covenant not to solicit customers, employees or suppliers of any party to the Drag Sale); and

due pursuant to Article 20.4 for the Called Shareholder's Shares offered to him. The Board shall then authorise registration of the transfer once any appropriate stamp duty (if any) has been paid. The defaulting Called Shareholder shall surrender his share certificate for his Shares (or provide a suitable indemnity in lieu thereof) to the Company. On surrender, he shall be entitled to the amount due to him pursuant to Article 20.4.

- 20.9 Any transfer of Shares to a proposed Acquiror (or as they may direct) pursuant to a sale in respect of which a Drag Notice has been duly served shall not be subject to the provisions of Article 17.

23.8 Determination of questions as to the right to participate in a Directors' meeting

- 23.8.1 Subject to Article 22.2, if a question arises at a meeting of Directors or of a committee of Directors as to the right of a Director to participate in the meeting (or part of the meeting) for voting or quorum purposes, the question may, before the conclusion of the meeting, be referred to the chairman whose ruling in relation to any Director other than the chairman is to be final and conclusive.
