**Turnover**

**Depreciation of fixed assets**

Depreciation has been computed to write off the cost of fixed assets over their expected useful lives at the following rates -

Plant and machinery	25% per annum reducing balance
---------------------	--------------------------------

A full year's depreciation is charged in the year of acquisition of an asset but none in the year of disposal

**Debtors**

Debtors are shown after providing for any amounts which in the opinion of the directors may not be collected in full

**Deferred taxation**

Deferred tax assets and liabilities have arisen from timing differences between the recognition of gains and losses in the financial statements and their recognition in a tax computation. Full provision has been made to the extent to which it is considered more likely than not to become payable/recoverable in the foreseeable future and at the rate eventually expected to be charged
