Directors' Report

For the year ended 31st December 2017

The directors present their report with financial statements for the year ended 31st December. The company did not trade during the year and consequently made neither a profit nor a loss. There are no gains or losses to be recognised during the year.

Principal Activity

The company is not a trading company. The principal activity of the company is the management of 4 Halkin Street, London

As part of the management of that property, service charges are collected from lessees to meet the costs of managing and maintaining the property. Service charges are held in trust for the benefit of the lessees. Accordingly the service charge income and expenditure is excluded from the Company's accounts and separate service charge accounts are prepared.

Directors

The directors of the Company who served during the year were as follows: -

Micheal Lindley

Lama O Aggad

This report has been prepared in accordance with the provisions of Part 15 of the Companies Act 2006 relating to small companies

On behalf of the board:

Notes to the financial statements

For the year ended 31st December 2017

1 Statutory Information

is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2 Accounting policies

Basis of preparing the financial statements

The financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred Tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

3 Ultimate controlling party

There is no ultimate controlling party.
