The following reproduces the text of the accountants' report in respect of the company's annual financial statements, from which the abbreviated accounts (set out on pages 2 to 4) have been prepared

**Chartered Accountants' Report to the Director on the Unaudited Financial Statements  
of  
Jtech-Control Engineering Limited**

In accordance with the engagement letter dated 20 April 2007, and in order to assist you to fulfil your duties under the Companies Act 1985, we have compiled the financial statements of the company which comprise the Profit and Loss Account, the Balance Sheet, and the related notes from the accounting records and information and explanations you have given to us

This report is made to the Company's Board of Directors, as a body, in accordance with the terms of our engagement. Our work has been undertaken so that we might compile the financial statements that we have been engaged to compile, report to the Company's Board of Directors that we have done so, and state those matters that we have agreed to state to them in this report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's Board of Directors, as a body, for our work or for this report.

We have carried out this engagement in accordance with technical guidance issued by the Institute of Chartered Accountants in England and Wales and have complied with the ethical guidance laid down by the Institute relating to members undertaking the compilation of financial statements.

You have acknowledged on the balance sheet as at 30 April 2008 your duty to ensure that the company has kept proper accounting records and to prepare financial statements that give a true and fair view under the Companies Act 1985. You consider that the company is exempt from the statutory requirement for an audit for the period.

We have not been instructed to carry out an audit of the financial statements. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the financial statements.

## **Jtech-Control Engineering Limited**

### **Notes to the abbreviated accounts for the Period Ended 30 April 2008**

#### **1 Accounting policies**

##### **Basis of preparation**

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007)

##### **Going concern**

These financial statements have been prepared on a going concern basis

##### **Turnover**

Turnover represents amounts chargeable, net of value added tax, in respect of the sale of goods and services to customers

##### **Depreciation**

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows

Office equipment	15% On reducing balance
Computer equipment	Straight line over 3 years

##### **Deferred taxation**

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes, which have arisen but not reversed by the balance sheet date, except as required by FRSSE

Deferred tax is measured at the rates that are expected to apply in the periods when the timing differences are expected to reverse, based on the tax rates and law enacted at the balance sheet date

##### **Start-up costs**

Start-up costs are accounted for on a basis consistent with similar costs incurred as part of the company's ongoing business

Where there are no similar ongoing costs, start up costs which satisfy the criteria under relevant accounting standards to be recognised as assets are included in the balance sheet. All other costs are written off as incurred

##### **Financial instruments**

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities
