**Directors' Report**

The Directors present their report and audited financial statements for the period ended 31 December 2007

The company was incorporated on 14 May 2007 and the reports and financial statements have been prepared for the seven months ("period") to 31 December 2007

**Principal activities and review of the business**

The principal activity of the company is to provide services to group companies in the development of projects which reduce greenhouse gas emissions, with a view to obtaining emission reduction credits under the Kyoto Protocol

The directors are satisfied with the results for the period. The company will pursue its established management policies and it is anticipated that there will be an effective response to the challenges of the oncoming year

The company faces risks in its day to day operations and details of the company and group's risk management policies are disclosed in the financial statements of Sindicatum Carbon Capital Holdings Limited

**Key Performance Indicators ("KPIs")**

The Directors of Sindicatum Carbon Capital Services Limited manage the Sindicatum Carbon Capital Group's operations on a group-wide basis. For this reason, the Directors of the Company believe that analysis using key performance indicators for the Company is not necessary or appropriate for an understanding of the development, performance or position of the business of the Company. The development, performance and position of the Sindicatum Carbon Capital Holdings Limited, which includes the Company, is discussed in the Directors' Report of Sindicatum Carbon Capital Holdings Limited which does not form part of this report

**Results and dividends**

The results for the year are set out on page 7

The directors do not recommend the payment of a dividend

**Sindicatum Carbon Capital Services Limited**  
**Financial Statements for the period ended 31 December 2007**  
**Directors' Report (continued)**

**Directors' responsibilities**

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the company financial statements in accordance with International Financial Reporting Standards (IFRSs) as adopted by the European Union. In preparing these financial statements, the directors have also elected to comply with IFRSs, issued by the International Accounting Standards Board (IASB). The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing those financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state that the financial statements comply with IFRSs as adopted by the European Union and IFRSs issued by IASB
- prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the company will continue in business, in which case there should be supporting assumptions or qualifications as necessary

The directors confirm that they have complied with the above requirements in preparing the financial statements

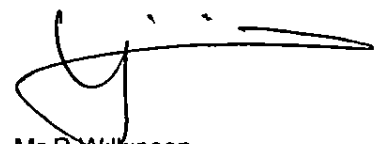

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the company's website and legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**Provision of information to auditors**

- (a) so far as the directors are aware, there is no relevant audit information of which the company's auditors are unaware, and
- (b) the directors have taken all the steps that ought to have been taken as directors in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

On behalf of the board

**Sindicatum Carbon Capital Services Limited**  
**Financial Statements for the period ended 31 December 2007**

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SINDICATUM CARBON CAPITAL SERVICES LIMITED**

We have audited the financial statements of Sindicatum Carbon Capital Services Limited for the period ended 31 December 2007 which comprise the Income Statement, the Balance Sheet, the Cash Flow Statement, Statement of Recognised Income and Expense and the related notes. These financial statements have been prepared under the accounting policies set out therein.

**Respective responsibilities of directors and auditors**

The directors' responsibilities for preparing the financial statements in accordance with applicable law and International Financial Reporting Standards (IFRSs) as adopted by the European Union are set out in the Statement of Directors' Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland). This report, including the opinion, has been prepared for and only for the company's members as a body in accordance with Section 235 of the Companies Act 1985 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

We report to you our opinion as to whether the financial statements give a true and fair view and whether the financial statements have been properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the Directors' Report is consistent with the financial statements.

In addition we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

**Basis of audit opinion**

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

**Opinion**

In our opinion:

- the financial statements give a true and fair view, in accordance with IFRSs as adopted by the European Union, of the state of the company's affairs as at 31 December 2007 and of its loss and cash flows for the period then ended,
- the financial statements have been properly prepared in accordance with the Companies Act 1985, and
- the information given in the Directors' Report is consistent with the financial statements.

## **1 General information**

Sindicatum Carbon Capital Services Limited (the Company) principal activity is to provide services to group companies in the development of greenhouse gas emission reduction projects that enable business and host countries to reduce carbon emissions. The Company is a wholly owned subsidiary of Sindicatum Carbon Capital Holdings Limited, a company registered in England and Wales. The ultimate holding company and producer of consolidated financial statements is Sindicatum Carbon Capital Holdings Limited whose registered office and principal place of business is 18 Hanover Square, London, W1S 1HX.

## **Significant accounting policies**

### **2 Basis of preparation**

The financial statements have been prepared on the historical cost basis except for the revaluation of certain non-current assets and financial instruments in accordance with EU Endorsed IFRS standards and the company's interpretation of IFRIC standards. The principal accounting policies are set out below.

The Company financial statements were authorised for issue by the Directors on 30 October 2008.

### **3 Statement of compliance**

The financial statements have been prepared in accordance with European Union endorsed International Financial Reporting Standards and IFRIC interpretation and the Companies Act 1985 applicable to companies reporting under IFRS.

### **4 Adoption of new and revised standards**

The Company has adopted IFRS 7 Financial Instruments Disclosures which is effective for annual reporting periods beginning on or after 1 January 2007, and the consequential amendments to IAS 1 Presentation of Financial Statements.

The impact of the adoption of IFRS 7 and the changes to IAS 1 has been to expand the disclosures provided in these financial statements regarding the Entity's financial instruments and management of capital. Seven Interpretations issued by the International Financial Reporting Interpretations Committee are effective for the current period. These are:

- IFRIC 7 Applying the Restatement Approach under IAS 29, Financial Reporting in Hyperinflationary Economies
- IFRIC 8 Scope of IFRS 2,
- IFRIC 9 Reassessment of Embedded Derivatives
- IFRIC 10 Interim Financial Reporting and Impairment
- IFRIC 11 Group and Treasury Share Transactions
- IFRIC 12 Service Concession Arrangements
- IFRIC 14 The Limit of a defined Benefit Assets, Minimum funding Requirement

The adoption of these interpretations has not led to any changes in the company's accounting policies.

Standards and Interpretations issued but not yet effective

- IFRS 8 Segment Reporting
- IFRIC 13 Customer Loyalty Programmes
- IFRIC 16 Hedge of a Net Investment in a Foreign Operation

The company believes the adoption of these standards will have no impact on the financial reports of the company.

### **Revenue**

Revenue is recognised on services performed in the period and excludes value added tax. The Company also received sponsorship revenue in the period in conjunction with its work.

### **Taxation**

Tax expense represents the sum of the current tax and deferred tax.

Current tax is based on taxable profit for the year. Taxable profit differs from profit as reported in the income statement because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

**SINDICATUM CARBON CAPITAL Services Limited**  
**Notes to the financial statements (continued)**  
**For the period ended 31 December 2007**

**Intangible assets**

Intangible assets are stated at cost less accumulated amortisation and impairment losses

The Company utilises internal resources as well as third party subcontractors to develop the Group's Carbon Emission Reduction project portfolio. These costs are assessed as to whether they qualify for capitalisation and recognition as intangible assets. In complying with the general requirements for an initial measurement of an intangible asset, qualification criteria for capitalisation are met only when specific project milestones have been achieved, specifically when technical and commercial feasibility can be demonstrated and cost can be reliably measured. It must also be probable that the related costs will generate future economic benefits and that the amount capitalised is clearly identifiable and allocable to a specific project.

Project costs capitalised are subsequently amortised by transfer to inventories as CERs are produced from the projects. These assets are reviewed for impairment annually.

**Property, plant & equipment**

Tangible Fixed Assets are recorded at cost less depreciation in accordance with the recognition criteria detailed in IAS 18, Property Plant and Equipment.

Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life. The depreciation rates applied are:

Office equipment	25 00% Reducing Balance
Fixtures & Fittings	25 00% Reducing Balance
Monitoring Equipment	10 Years Straight Line
Motor Vehicles	33 33% Reducing balance

**Impairment of tangible and intangible assets excluding goodwill**

At each balance sheet date, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

**Critical accounting judgements and key sources of estimation uncertainty**

In the application of the Company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

**Critical judgements in applying accounting policies**

The Directors do not believe there are any critical judgements applied within the accounts.
