NOTES TO THE ACCOUNTS FOR THE PERIOD ENDED 31 MAY 2010

1 Accounting Policies

Basis of Accounting

The financial statements have been prepared under the historic cost accounting rules.

The company has taken advantage of the exemption from preparing a cash flow statement as conferred by Financial Reporting Standard No1 (as revised) on the grounds that it qualifies as a small company under the Companies Act 2006.

Turnover

Turnover represents the amount derived from the provisions of goods and services falling within the company's activities after deduction of trade discounts and value added tax

Depreciation

Depreciation of fixed assets is calculated to write off their cost or valuation less any residual value over their estimated useful lives as follows, commencing in the year after acquisition:

Fixtures and fittings

25% of written down value

2 Turnover

In the opinion of the directors, none of the turnover of the company is attributable to geographical markets outside the UK.
