Statement of Directors' responsibilities in respect of the Directors' report and the financial statements

The Directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations

Company law requires the Directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice)

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the Directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Notes

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Company's financial statements

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules

On 28 April 2011, in line with its ultimate parent company MWB Group Holdings Plc, the Company changed its accounting reference date from 31 December to 30 June. Accordingly the financial statements of the Company cover the year ended 30 June 2012 whilst the comparative figures cover the 18 months ended 30 June 2011

Under FRS 1 (Revised) the Company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent undertaking includes the Company in its own published consolidated financial statements

As the Company is a wholly owned subsidiary of MWB Business Exchange Plc, it has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which form part of this group (or investees of this group qualifying as related parties)

Taxation

The charge for taxation is based on the result for the year, which takes account of taxation deferred because of timing differences between the treatment of certain items for taxation purposes and the treatment under the Company's accounting policies

Deferred tax assets and liabilities arise from timing differences between the recognition of gains and losses in the financial statements and their recognition in a tax computation

In accordance with FRS 19, Deferred Tax is provided in respect of all timing differences that have originated, but not reversed at the balance sheet date that may give rise to an obligation to pay more or less tax in the future except as otherwise required by FRS 19. Deferred tax is measured on a non-discounted basis

2 Result on ordinary activities before taxation

Audit fees borne by a parent company were as follows

	Year ended 30 June 2012	18 months ended 30 June 2011
	£	£
Fees for the audit of the Company	500	550

Fees for the audit of the Company represent the amount receivable by the Company's auditors

Fees paid to the Company's auditors and their associates for services other than the statutory audit of the Company are not disclosed in the financial statements since the financial statements of the ultimate parent undertaking, MWB Group Holdings Plc, are required to disclose non-audit fees on a consolidated basis
