## 1. ACCOUNTING POLICIES

The company has taken advantage of the exemptions in the Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company

The business of the company and its total transactions are conducted exclusively in the currency of European EURO. Therefore all relevant information available as at 31/12/2008 had to be translated into British £ applying the exchange rate circulated by the Bank of England regarding the accounting reference date To the extent this report also includes accounts subject to reports filed with the Companies House of preceeding financial years this could lead to differences according to a change of exchange rates between the present and preceeding accounting reference dates Where such differences occur they are explicitelty shown in the report

**Turnover comprises the value of sales excluding value added tax and trade discounts**

Depreciation has been provided at the following rates in order to write down the cost or valuation, less estimated residual value, of all tangible fixed assets over their expected useful lives. The rates and methods relating to a whole calendar year generally applicable are
