TRUSTEES' REPORT

FOR THE YEAR ENDED 30 JUNE 2009

The trustees present their report and accounts for the year ended 30 June 2009

Trustees

During the year and since the year end the following have served as trustees of the charity

Adrian Roger Wyatt, OBE Sir Terry Farrell, CBE David Stewart Innes Elliott

(Resigned 3 June 2009)

lan James Henderson Allan Williams Jones

(Resigned 8 December 2009)

Alian Williams Jones
Tim Webb

(Appointed 8 December 2009)

Sustainable Environment Foundation is a company limited by guarantee and as such the trustees have no interest in its shares

Type of governing document

The activities of the Foundation are governed by its memorandum and articles of association

Charity trustee selection methods

Charity trustees are appointed following discussion by existing trustees. It is intended, in keeping with the objective that the Foundation provides a forum for representatives from politics, academia, finance, commerce and industry, that trustees are appointed from a broad range of disciplines associated with the built environment.

Additional governance information

The trustees of the Foundation meet regularly in conjunction with the directors of the Foundation's subsidiary, Low Carbon World Trading Limited, which is also a registered company (No 6220429) Decisions are made on a voting basis following a debate of the issues under consideration. In the case of a split vote, the chair has the casting vote. Administrative services are provided on a pro-bono basis by various staff members of Quintain Estates and Development plc.

The trustees have assessed the major risks to which the Charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks

Summary of the objects of the charity set out in its governing documents

The Foundation was established to promote for the benefit of the public the conservation, protection and improvement of the physical and natural environment and to advance the education, protection and improvement of the physical and natural environment

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Foundation should undertake

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2009

Summary of the main activities in relation to these objects and achievements of the charity during the year

During the course of the year, the Foundation hosted its third annual conference in April 2009 which was attended by approximately 150 individuals who debated issues relating to the impact of the built environment on climate change

This conference launched the draft of the "Green Paper for the Thames Gateway" which had arisen as a key action from the 2008 conference The trustees and operational board are now focusing the activities of the Foundation on the potential provided to improve the physical and natural environment of the Thames Gateway The Foundation is working to advise how the Thames Gateway can achieve this Eco Region status, through the advocacy and dissemination of the contents of the multi-disciplinary 'green paper'

During the course of 2009 the Foundation has held a number of workshop-style meetings, at which the contents of the 'green paper' on the Thames Gateway have been evolved and debated with a wide range of individuals and organisations associated with the built environment. These workshop meetings have sought both to educate and to promote joined up thinking about ways in which the physical and natural environment can be improved, amongst a wide variety of organisations and disciplines.

Representatives of the Foundation, primarily its Chair, have spoken at a number of events relating to the built environment and have sought to raise awareness of and to educate participants about the impact of the built environment on climate change

in addition, as part of its educational outreach objective, the Foundation has presented its work and aims to a wide variety of educational and professional bodies

Additional matters on activities

All activities undertaken on behalf of the Foundation are done on a voluntary basis. The Foundation does not employ any staff, other than trustees, who are not paid for their services as trustees.

Policy on reserves

The Foundation has no formal policy relating to reserves and no restricted reserves. However, the Foundation's practice is to hold on account sufficient funds to meet its anticipated short term commitments. Since the Foundation does not maintain any premises or have any employees, these short term commitments are not large and the reserves held are commensurately small. The Foundation does not have any overdraft facilities but any short term timing differences between the receipt of sponsorship or conference delegate income and related expenditure are covered by Quintain Estates and Development plc.

Plans for the future

The Foundation intends, over time, to establish an educational program which will promote the awareness of the impact of the built environment on climate change. In the current uncertain economic environment, plans for a major fundraising initiative to endow this fund have been deferred to 2010.

During the course of 2010 the Foundation aims to focus its research activities on the "metrics" and methods of Carbon Accounting, a subject initially covered in Chapter 3 of the Green Paper

On behalf of the board of trustees

Adrıan Roger Wyatt, ΦΒΕ

Trustee

Dated 19 March 2010

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees, who are also the directors of Sustainable Environment Foundation for the purpose of company law, are responsible for preparing the Trustees' Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

Company law requires the trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year

In preparing these accounts, the trustees are required to

- select suitable accounting policies and then apply them consistently,
- observe the methods and principles in the Charities SORP,
- make judgements and estimates that are reasonable and prudent, and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiner

The independent examiner appointed by the trustees is Newman Peters of 19 Fitzroy Square, London, W1T 6FO

Registered address

16 Grosvenor Street, London, W1K 4QF

On behalf of the trustees

Adrian Roger Wyatt, OBE

Trustee

Dated 19 March 2010

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF SUSTAINABLE ENVIRONMENT FOUNDATION

We report on the accounts of the Charity for the year ended 30 June 2009, which are set out on pages 5 to 11

Respective responsibilities of trustees and examiner

The trustees, who are also the directors of Sustainable Environment Foundation for the purposes of company law, are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 43 of the Charities Act 1993, and that an independent examination is needed.

Having satisfied ourselves that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to

- (i) examine the accounts under section 43 of the 1993 Act,
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 43(7)(b) of the 1993 Act, and
- (iii) to state whether particular matters have come to my attention

Basis of independent examiner's report

Our examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with our examination, no matter has come to our attention

= M?

- (a) which gives us reasonable cause to believe that in any material respect the requirements
 - (i) to keep accounting records in accordance with section 386 of the Companies Act 2006, and
 - (ii) to prepare accounts which accord with the accounting records, comply with the accounting requirements of 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice Accounting and Reporting by Charities,
- (b) to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached
