4.3 **Crystallisation on Notice of Floating Charge**

Notwithstanding anything express or implied in this Deed, the Security Agent may at any time:

- 4.3.1 on or after the occurrence of an Event of Default; or
- 4.3.2 if the Security Agent considers in good faith that any of the Charged Assets are in danger of being seized or sold as a result of any legal process, are otherwise in jeopardy or the Security Agent reasonably believes that steps are being taken or have been taken which are likely or intended to lead to the appointment of an Administrator or the presentation of a petition for the winding up of a Chargor,

by giving notice in writing to that effect to the Chargors convert the floating charge created by Clause 4.1 (*Creation of Floating Charge*) into a fixed charge as regards any assets specified in such notice. The conversion shall take effect immediately upon the giving of the notice.

- 5.2 Each Chargor shall, at any time, promptly upon request, execute over all or any of the Charged Assets, a charge by way of legal mortgage or legal sub-mortgage or legal assignment, as the case may be, in favour of the Security Agent in such form as the Security Agent shall require.

(together, the "**Excluded Assets**") provided that the Excluded Assets shall be secured by way of floating charge under Clause 4 (*Floating Charge*) unless and only to the extent that the circumstances in paragraphs 6.1 or 6.2 above would also apply to a floating charge over such Excluded Assets and provided that this Deed will charge all amounts which the Chargor may receive or has received in respect of any Excluded Asset.

- 8.2.1 Prior to the occurrence of an Event of Default which is continuing and save as otherwise provided in this Clause 8.2, each Chargor shall exercise (or direct the Security Agent to exercise on its behalf) all voting rights in respect of the Shares provided that no Chargor shall exercise (or direct the exercise of) any voting rights in any manner which, in the reasonable opinion of the Security Agent, may prejudice the value of, or the ability of the Security Agent to realise, the security over the Shares created pursuant to this Deed.
- 8.2.2 No Chargor shall, without the prior written consent of the Security Agent, permit or agree to any variation of the rights attaching to or conferred by any of the Shares which, in the reasonable opinion of the Security Agent, may prejudice the value of, or the ability of the Security Agent to realise, the security over the Shares created pursuant to this Deed, participate in any rights issue, elect to receive or vote in favour of receiving any dividends or other distributions other than in the form of cash or participate in any vote concerning a members voluntary winding-up or a compromise or arrangement pursuant to sections 895-901 of the Companies Act 2006.
- 8.2.3 At any time on or after the occurrence of an Event of Default which is continuing, the Security Agent may in such manner and on such terms as it sees fit (in the name of the relevant Chargor or otherwise and without the need for further consent from the relevant Chargor):
 - (A) exercise (or refrain from exercising) any voting rights in respect of the Shares;
 - (B) apply all dividends and other monies arising from the Shares in accordance with Clause 15 (*Application of Monies Received under this Deed*);
 - (C) without prejudice to any other provision of this Deed, transfer the Shares into the name of a nominee or transferee of the Security Agent as the Security Agent may require; and/or

- (D) exercise (or refrain from exercising) all or any of the powers and rights conferred upon or exercisable by the legal or beneficial owner of the Shares.

8.3 **Nominees**

Each Chargor represents and warrants that it has not and undertakes that it shall not appoint any nominee to exercise or enjoy all or any of its rights in relation to the Shares.

9. **RIGHTS OF THE SECURITY AGENT**

9.1 **Enforcement**

At any time on or after the occurrence of an Event of Default which is continuing, the security created pursuant to this Deed shall be immediately enforceable and the Security Agent may in its absolute discretion and without notice to any Chargor or the prior authorisation of any court:

- 9.1.1 enforce all or any part of the security created by this Deed and take possession of or dispose of all or any of the Charged Assets in each case at such times and upon such terms as it sees fit; and
- 9.1.2 whether or not it has appointed a Receiver, exercise all of the powers, authorities and discretions:
 - (A) conferred from time to time on mortgagees by the LPA (as varied or extended by this Deed) or by law; and
 - (B) granted to a Receiver by this Deed or from time to time by law.

9.2 **Restrictions on Consolidation of Mortgages**

Section 93 of the LPA shall not apply to this Deed or to any sale made under it. The Security Agent shall have the right to consolidate all or any of the security created by or pursuant to this Deed with any other security in existence at any time. Such power may be exercised by the Security Agent at any time on or after the occurrence of an Event of Default. Each Chargor hereby consents to the Security Agent making an application to the Chief Land Registrar on Form CC for registration against the registered titles (if any) specified in Part D (*Real Property*) of Schedule 1 (*Details of the Charged Assets*) (and any unregistered properties subject to compulsory first registration at the date of this Deed and any other Real Property from time to time including a registered title) of the right to consolidate.

9.3 **Restrictions on Exercise of Power of Sale**

Section 103 of the LPA shall not apply to this Deed and the power of sale arising under the LPA shall arise on the date of this Deed (and the Secured Liabilities shall be deemed to have become due and payable for that purpose). The power of sale and other powers conferred by section 101 of the LPA as varied or extended by this Deed and those powers conferred (expressly or by reference) on a Receiver shall be immediately exercisable by the Security Agent at any time on or after the occurrence of an Event of Default.

9.4 **Leasing Powers**

The restrictions contained in sections 99 to 100 of the LPA shall not apply to restrict the rights of the Security Agent or any Receiver under this Deed. The statutory powers of leasing may be exercised by the Security Agent at any time on or after the occurrence of an Event of Default and the Security Agent and any Receiver may make any lease or agreement for lease and/or accept any surrenders of leases and/or grant options on such terms as it sees fit without the need to comply with the aforementioned restrictions.

9.5 **No Prior Notice Needed**

The powers of the Security Agent set out in Clauses 9.2 (*Restrictions on Consolidation of Mortgages*) to 9.4 (*Leasing Powers*) may be exercised by the Security Agent without prior notice to each Chargor.

9.6 **Right of Appropriation**

9.6.1 Without prejudice to the other provisions of this Deed, to the extent that any of the Charged Assets constitute "financial collateral", and this Deed and the obligations of each Chargor hereunder constitute a "security financial collateral arrangement" (in each case as defined in, and for the purposes of, the Financial Collateral Arrangements (No.2) Regulations 2003 (SI 2003/3226) (the "Regulations")), the Security Agent shall have the right to appropriate all or any part of those Charged Assets in or towards discharge of the Secured Liabilities. For this purpose, the parties agree that the value of any such Charged Assets so appropriated shall be the market price of such Charged Assets at the time the right of appropriation is exercised as determined by the Security Agent by reference to such method or source of valuation as the Security Agent may select, including by independent valuation. The parties agree that the methods or sources of valuation provided for in this Clause or selected by the Security Agent in accordance with this Clause shall constitute a commercially reasonable method of valuation for the purposes of the Regulations.

9.6.2 The Security Agent shall notify the relevant Chargor as soon as reasonably practicable of the exercise of its right of appropriation as regards such of the Charged Assets as are specified in such notice.

10. **EXONERATION**

10.1 **Exoneration**

No Secured Party shall, nor shall any Receiver, by reason of it or the Receiver entering into possession of the Charged Assets or any part thereof, be liable to account as mortgagee in possession or be liable for any loss or realisation or for any default or omission for which a mortgagee in possession might be liable; but every Receiver duly appointed by the Security Agent under this Deed shall for all purposes be deemed to be in the same position as a receiver duly appointed by a mortgagee under the LPA save to the extent that the provisions of that Act are varied by or are inconsistent with the provisions of this Deed when the provisions of this Deed shall prevail and every such Receiver and the Security Agent shall in any event be entitled to all the rights, powers, privileges and immunities conferred by the LPA on mortgagees and receivers duly appointed under the LPA.

10.2 **Indemnity**

The Security Agent and every Receiver, attorney, delegate, manager, agent or other person appointed by the Security Agent hereunder shall be entitled to be indemnified out of the Charged Assets or any part thereof in respect of all liabilities and expenses incurred by it or him in the execution of any of the powers, authorities or discretions vested in it or him pursuant to this Deed and against all actions, proceedings, costs, claims and demands in respect of any matter or thing done or omitted in any way relating to the Charged Assets or any part of them. The Security Agent and any such Receiver may retain and pay all sums in respect of which it is indemnified out of any monies received by it under the powers conferred by this Deed.

11. **APPOINTMENT OF RECEIVER OR ADMINISTRATOR**

11.1 **Appointment**

11.1.1 At any time on or after the occurrence of an Event of Default, or at the request of any Chargor or its directors, the Security Agent may, without prior notice to any it

or any other Chargor, in writing (under seal, by deed or otherwise under hand) appoint:

- (A) a Receiver in respect of the Charged Assets or any part thereof and may in like manner from time to time (and insofar as it is lawfully able to do) remove any Receiver and appoint another in his stead; or
- (B) one or more persons to be an Administrator in accordance with paragraph 14 of Schedule B1 to the Insolvency Act 1986.

11.1.2 Nothing in Clause 11.1.1 shall restrict the exercise by the Security Agent of any one or more of the rights of the Security Agent under Schedule B1 to the Insolvency Act 1986 and the rules thereunder or at common law.

11.2 More than one Receiver

Where more than one Receiver is appointed, each joint Receiver shall have the power to act severally, independently of any other joint Receiver, except to the extent that the Security Agent may specify to the contrary in the appointment.

11.3 Receiver as agent

A Receiver shall be the agent of the relevant Chargor which shall be solely responsible for his acts or defaults and for his remuneration. No Receiver shall at any time act as agent of any Secured Party.

11.4 Receiver's Remuneration

A Receiver shall be entitled to remuneration for his services at a rate to be determined by the Security Agent from time to time (and without being limited to any maximum rate specified by any statute or statutory instrument).

11.5 Actions of the Administrator

Save as provided for in statute or as otherwise agreed in writing by that Secured Party, no Secured Party shall have any liability for the acts or omissions of an Administrator.

12. RECEIVER'S POWERS

12.1 Powers

A Receiver shall have (and be entitled to exercise) in relation to the Charged Assets over which he is appointed the following powers (as the same may be varied or extended by the provisions of this Deed):

- 12.1.1 all of the powers of an administrative receiver set out in Schedule 1 to the Insolvency Act 1986 (whether or not the Receiver is an administrative receiver);
- 12.1.2 all of the powers conferred from time to time on receivers, mortgagors and mortgagees in possession by the LPA;
- 12.1.3 all the powers and rights of a legal and beneficial owner and the power to do or omit to do anything which any Chargor itself could do or omit to do;
- 12.1.4 the power to do all things which, in the opinion of the Receiver, are incidental to any of the powers, functions, authorities or discretions conferred or vested in the Receiver pursuant to this Deed or upon receivers by statute or law generally (including the bringing or defending of proceedings in the name of, or on behalf of, any Chargor; the collection and/or realisation of Charged Assets in such manner and on such terms as the Receiver sees fit; and the execution of documents in the name of any Chargor (whether under hand, or by way of deed or by utilisation of the company seal of that Chargor).

12.2 **Powers may be Restricted**

The powers granted to a Receiver pursuant to this Deed may be restricted by the instrument (signed by the Security Agent) appointing him but they shall not be restricted by any winding-up or dissolution of any Chargor.

13. **PROTECTION OF PURCHASERS**

13.1 **Absence of Enquiry**

No person or persons dealing with the Security Agent or any Receiver appointed by it shall be concerned to enquire whether any event has happened upon which any of the powers in this Deed are or may be exercisable or otherwise as to the propriety or regularity of any exercise of such powers or of any act purporting or intended to be an exercise of such powers or whether any amount remains secured by this Deed. All the protections to purchasers and persons dealing with receivers contained in sections 104, 107 and 109(4) of the LPA shall apply to any person purchasing from or dealing with the Security Agent or any such Receiver.

13.2 **Receipt: Conclusive Discharge**

The receipt of the Security Agent or any Receiver shall be a conclusive discharge to any purchaser of the Charged Assets.

14. **POWER OF ATTORNEY AND DELEGATION**

14.1 **Power of Attorney: General**

Each Chargor hereby irrevocably and by way of security appoints the Security Agent and any Receiver severally to be its attorney in its name and on its behalf and as its act and deed:

- 14.1.1 to execute and deliver any documents or instruments which the Security Agent or such Receiver may require for perfecting the title of the Security Agent to the Charged Assets or for vesting the same in the Security Agent, its nominee or any purchaser;
- 14.1.2 to sign, execute, seal and deliver and otherwise perfect any further security document which it is required to enter into pursuant to this Deed;
- 14.1.3 otherwise generally to sign, seal, execute and deliver all deeds, assurances, agreements and documents and to do all acts and things which may be required for the full exercise of all or any of the powers conferred on the Security Agent or any Receiver under this Deed or which it is required to do pursuant to this Deed or which may be deemed expedient by the Security Agent or a Receiver in connection with any preservation, disposition, realisation or getting in by the Security Agent or such Receiver of the Charged Assets or in connection with any other exercise of any other power under this Deed,

in each case, provided that, an attorney may only exercise the powers granted to it by this Clause 14.1 (i) at any time on or after the occurrence of an Event of Default which is continuing or (ii) at any time following a failure by any Chargor to carry out any of its obligations under this Deed.

14.2 **Power of Attorney: Ratification**

Each Chargor ratifies and confirms and agrees to ratify and confirm all acts and things which any attorney mentioned in this Clause 14 (*Power of Attorney and Delegation*) does or purports to do in exercise of the powers granted by this Clause.

14.3 **General Delegation**

The Security Agent and any Receiver shall have full power to delegate the powers, authorities and discretions conferred on it or him by this Deed (including the power of

attorney) on such terms and conditions as it or he shall see fit which shall not preclude exercise of those powers, authorities or discretions by it or him or any revocation of the delegation or any subsequent delegation.

15. APPLICATION OF MONIES RECEIVED UNDER THIS DEED

Any monies received under the powers hereby conferred shall, subject to the repayment of any claims having priority to this Deed and to any applicable statutory requirement as to (i) the payment of preferential debts or (ii) the payment of unsecured creditors in accordance with section 176A Insolvency Act 1986, be applied for the following purposes and in the following order of priority:

- 15.1.1 in satisfaction of all costs, charges and expenses and payments (including payments made in accordance with paragraphs (i), (ii) and (iii) of section 109(8) of the LPA) made or incurred by the Security Agent or the Receiver and of remuneration to the Receiver in such order as the Security Agent shall in its absolute discretion decide;
- 15.1.2 in or towards satisfaction of the Secured Liabilities which, subject to the Facility Agreement, shall be applied in such order as the Security Agent shall in its absolute discretion decide; and
- 15.1.3 the surplus, if any, shall be paid to the relevant Chargor or other person or persons entitled to it,

save that the Security Agent may credit any monies received under this Deed to a suspense account for so long and in such manner as the Security Agent may from time to time determine and the Security Agent may retain the same for such period as he considers appropriate.

16. RELEASE OF SECURITY

16.1 Release

At the end of the Security Period the Security Agent shall, at the request and cost of a Chargor, execute or procure the execution by its nominee (in each case in a form acceptable to the Security Agent) and do all such deeds, acts and things as are necessary to release and/or reassign the Charged Assets of that Chargor from the security created by or in accordance with this Deed.

16.2 Avoidance of Payments

- 16.2.1 No amount paid, repaid or credited to a Secured Party shall be deemed to have been irrevocably paid if the Security Agent considers that the payment or credit of such amount is capable of being avoided or reduced because of any laws applicable on bankruptcy, insolvency, liquidation or any similar laws.
- 16.2.2 If any amount paid, repaid or credited to a Secured Party is avoided or reduced because of any laws applicable on bankruptcy, insolvency, liquidation or any similar laws then any release, discharge or settlement between that Secured Party and each Chargor shall be deemed not to have occurred and the Security Agent shall be entitled to enforce this Deed subsequently as if such release, discharge or settlement had not occurred and any such payment had not been made.

17. AMOUNTS PAYABLE

17.1 No Deduction

All payments to be made by a Chargor under this Deed shall be made without any set-off, counterclaim or equity and (subject to the following sentence) free from, clear of and without deduction for any taxes, duties, levies, imposts or charges whatsoever, present or future. If a Chargor is compelled by the law of any applicable jurisdiction (or by an order of any regulatory authority in such jurisdiction) to withhold or deduct any sums in respect of

taxes, duties, levies, imposts or charges from any amount payable to a Secured Party under this Deed or, if any such withholding or deduction is made in respect of any recovery under this Deed, that Chargor shall pay such additional amount so as to ensure that the net amount received by that Secured Party shall equal the full amount due to it under the provisions of this Deed (had no such withholding or deduction been made).

17.2 Currency of Payment

The obligation of a Chargor under this Deed to make payments in any currency shall not be discharged or satisfied by any tender, or recovery pursuant to any judgment or otherwise, expressed in or converted into any other currency, except to the extent that tender or recovery results in the effective receipt by a Secured Party of the full amount of the currency expressed to be payable under this Deed.

18. POWER OF SEVERANCE

In the exercise of the powers conferred by this Deed, the Security Agent or any Receiver may sever and sell plant, machinery or other fixtures separately from the property to which they may be annexed and the Security Agent or any Receiver may apportion any rent or other amount without the consent of any Chargor.

19. NEW ACCOUNTS

If a Secured Party receives notice of any subsequent charge or other interest affecting any part of the Charged Assets (the date of receipt of such notice being the "Notice Date") it may, without prejudice to its rights under this Deed, open a fresh account or accounts with any Chargor and continue any existing account in the name of any Chargor and may appropriate to any such fresh account any monies paid in, received or realised for the credit of that Chargor after that time without being under any obligation to apply the same or any part of them in discharge of any of the Secured Liabilities. If a Secured Party fails to open a fresh account it will be deemed to have done so and any monies received or realised after the Notice Date will not reduce the Secured Liabilities outstanding on the Notice Date.

20. MISCELLANEOUS

20.1 The Chargors

This Deed is binding on the successors and assigns of the Chargors.

20.2 Assignment and Transfer

No Chargor may assign any of its rights or transfer any of its rights or obligations under this Deed. The Security Agent may assign and transfer all or any part of its rights and obligations under this Deed.

20.3 Property

This Deed is and will remain the property of the Security Agent.

20.4 Continuing Security

This Deed shall be a continuing security and shall not be discharged by any intermediate payment or satisfaction of the whole or any part of the Secured Liabilities.

20.5 Additional Security

This Deed shall be in addition to and not be affected by any other security or guarantee now or hereafter held by a Secured Party for all or any part of the Secured Liabilities nor shall any such other security or guarantee of liability to a Secured Party of or by any person not a party to this Deed be in any way impaired or discharged by this Deed nor shall this Deed in any way impair or discharge such other security or guarantee.

20.6 Variation of Security

This Deed shall not in any way be affected or prejudiced by a Secured Party at any time dealing with, exchanging, releasing, varying or abstaining from perfecting or enforcing any security or guarantee referred to in Clause 20.5 (*Additional Security*) or any rights which a Secured Party may at any time have or giving time for payment or granting any indulgence or compounding with any person whatsoever.

20.7 Enforcement of Other Security

No Secured Party shall be obliged to enforce any other Security it may hold for the Secured Liabilities before enforcing any of its rights under this Deed.

20.8 Redemption of Prior Incumbrances

The Security Agent may redeem or take a transfer of any prior Security over the Charged Assets and may agree the accounts of prior incumbrancers. An agreed account shall be conclusive and binding on each Chargor. Any amount paid in connection with such redemption or transfer (including expenses) shall be paid on demand by each Chargor to the Security Agent and until such payment shall form part of the Secured Liabilities.

20.9 Stamp Taxes

Each Chargor covenants to pay to each Secured Party and any Receiver, attorney, manager, agent or other person appointed by the Security Agent under this Deed immediately on demand a sum equal to any liability which that Secured Party, Receiver, attorney, manager, agent or other person appointed by the Security Agent under this Deed incurs in respect of stamp duty, registration fees and other taxes which is or becomes payable in connection with the entry into, performance or enforcement of this Deed (including any interest, penalties, liabilities, costs and expenses resulting from any failure to pay or delay in paying any such duty, fee or tax).

20.10 Costs and Expenses

Each Chargor shall promptly on demand reimburse each Secured Party and any Receiver, attorney, manager, agent or other person appointed by the Security Agent under this Deed for:

20.10.1 all costs and expenses (including legal fees) agreed to in writing by the Parent incurred by that Secured Party, Receiver, attorney, manager, agent or other person (on a full indemnity basis together with any applicable VAT) in connection with the negotiation, preparation, printing and execution of this Deed, the completion of the transactions and perfection of the security contemplated by this Deed; and

20.10.2 all costs and expenses (including legal fees) incurred by that Secured Party, Receiver, attorney, manager, agent or other person (on a full indemnity basis together with any applicable VAT) in connection with the exercise, preservation and/or enforcement or attempted enforcement of the security created by or contemplated by this Deed.

20.11 Further advances

20.11.1 Each Lender must perform its obligations under the Facility Agreement (including any obligation to make available further advances).

20.11.2 Each Chargor hereby consents to the Security Agent making an application to the Chief Land Registrar on Form CH2 for the registration against the registered titles (if any) specified in Part D (*Real Property*) of Schedule 1 (*Details of the Charged Assets*) (and any unregistered properties subject to compulsory first registration at the date of this Deed and any other Real Property from time to time including a registered title) of the obligation to make further advances.

20.12 **Security over joint operating agreements**

Notwithstanding any other provision of this Deed, the Security Agent and the Secured Parties rights under this Deed are, in relation to any current or future joint operating agreements, subject to and without prejudice to the rights of any third parties thereto.

21. **COUNTERPARTS**

This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of the Deed.

22. **LAW**

This Deed and any dispute or claim arising out of or in connection with it or its subject matter, existence, negotiation, validity, termination or enforceability (including any non-contractual disputes or claims) shall be governed by and construed in accordance with English law.

23. **ENFORCEMENT**

23.1 The courts of England have exclusive jurisdiction to settle any dispute or claim arising out of or in connection with this Deed or its subject matter, existence, negotiation, validity, termination or enforceability (including any non-contractual dispute or claim) (a "Dispute").

23.2 Subject to Clause 23.3 below, the parties to this Deed agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Chargor will:

23.2.1 argue to the contrary; or

23.2.2 initiate or pursue any proceedings relating to a Dispute in any jurisdiction other than England.

23.3 This Clause 23 is for the benefit of each of the Secured Parties only. As a result, a Secured Party shall not be prevented from initiating or pursuing proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, a Secured Party may initiate or pursue:

23.3.1 proceedings in any other court; and

23.3.2 concurrent proceedings in any number of jurisdictions,

irrespective of whether proceedings have already been initiated by any party in England. Each Chargor irrevocably waives any right that it may have to claim that the action has been brought in an inconvenient forum.

IN WITNESS whereof this Deed has been duly executed and delivered as a deed on the date first above written.
