ACERBIS ITALIA SPA ANNUAL REPORT YEAR ENDED 31 AUGUST 2021

ACERBIS was founded by Franco Acerbis in 1973 and specialises in design, manufacture and marketing of technical plastic, clothing, accessories for motor and sport activity. Our knowledge and success has led to the creation of three business units. Sportwear, OEM and Motorsport. We are one of the world's leading manufacturers rotational moulded nylons and we have partnerships with the biggest Motorcycle brands in Europe.

Our manufacturing OEM unit accounts for 45% of production value, followed by Motorsport 45% with Sportswear 10%.

We distribute in 80 countries worldwide with our own offices and warehousing in Italy, USA, UK and Czech Republic. Sales are split 75% internationally and 25% within our home market.

Our group turnover is € 80 million.

Today the company continuous its research in materials, innovation and design allowing Acerbis to be a leading influence on the international market. With a mission to satisfy our clients, create and distribute our products worldwide, always with a designs that is a result of our passion and the knowledge acquired over the course of our company's history.

The director presents his report with the financial statements of the company for the year ended 31 August 2021.

Director Franco Acerbis held office during the whole of the period from 1 September 2020 to the date of this report.

This report has been prepared in accordance with ISA (International Standard of Auditing) and IFRS (Italian Financial Standard Reporting).

Acerbis Franco

Si dichiara il presente bilancio conforme ai libri e alle scritture contabili.

PRESIDENTE C.d.A. (Sig. Franco Acerbis)

These are the consolidated accounts for Acerbis Group for the year ended 31 August 2021. These accounts have been audited.

The company has a subsidiary called Acerbis UK Limited, who's accounts are included in these consolidated accounts. Acerbis UK Limited is exempt from the audit requirements of the Companies Act 2006 relating to the audit of individual accounts by virtue of section 479A of that act.

Independent auditing firm's report as per art. 14 of Legislative Decree 27 January 2010 no. 39

To the Acerbis Italia S.p.A. shareholders

Report on the consolidated financial statements audit

Opinion

We have audited the financial statements of Acerbis Group (hereinafter also "Group"), including the statement of assets and liabilities as at 31 August 2021, the income statement and cash flow statement for the period ended at that date and the explanatory notes.

In our opinion, the consolidated financial statements provide a truthful and correct representation of Acerbis Group equity and financial situation as at August 31, 2021, of the economic results and cash flows for the year closed on that date according to the Italian Financial Reporting Standards.

Basic elements of opinion

We performed the financial audit in compliance with international auditing principles (ISA Italia). Our responsibilities pursuant to these principles are further described in the paragraph "Responsibility of the auditing company for the audit of the consolidated financial statements" of this report. We are independent in respect of Acerbis Italia S.p.A. in compliance with the rules and principles on ethics and independence applicable in the Italian legal system for auditing the financial statements. We feel we have acquired sufficient, appropriate audit evidence on which to base our opinion.

Acerbis Italia S.p.A. Directors and Statutory Auditors' responsibilities for the consolidated financial statements

The directors are responsible for the preparation of the consolidated financial statements that provide a truthful and correct representation in compliance with the Italian rules governing the drafting criteria and, within the terms established by law, for that part of the internal control they deem necessary to allow the preparation of a financial statement that does not contain significant errors due to fraud or unintentional behaviour or events.

The directors are responsible for assessing the company's ability to continue operating as a going concern and, in the preparation of the consolidated financial statements, for the appropriateness of the use of the going concern assumption, as well as providing adequate information on the matter. The directors use the assumption of business continuity in the preparation of the consolidated financial statements unless they have assessed that the conditions exist for the liquidation of the parent company Acerbis Italia S.p.A. or for the interruption of its activity, or have no realistic alternatives to such choices.

The Board of Statutory Auditors is responsible for supervising, within the terms established by law, the process of preparing the Group's financial information.

The auditing firm's responsibility for auditing the consolidated financial statements. Our objectives are the acquisition of reasonable assurance that the consolidated financial statements as a whole do not contain significant errors, due to fraud or unintentional behaviour or events, and the issuance of an audit report that includes our opinion.

Reasonable assurance means a high level of assuredness which, however, does not guarantee that an audit carried out in accordance with (ISA Italia) international auditing standards will always identify a significant error, should it exist. Errors can result from fraud or unintentional behaviour or events and are considered significant if it can reasonably be expected that they, individually or as a whole, are able to influence the economic decisions made by the users on the basis of the financial statements.

As part of the audit conducted in accordance with international auditing standards (ISA Italia), we have exercised professional judgement and maintained professional scepticism throughout the audit. In addition:

- ---- we have identified and assessed the risks of significant errors in the consolidated financial statements, due to fraud or unintentional behaviour or events; we have defined and carried out audit procedures in response to these risks; we have acquired sufficient and appropriate audit evidence on which to base our opinion. The risk of not identifying a significant misstatement due to fraud is higher than the risk of not identifying a significant misstatement deriving from unintentional behaviour or events, since fraud can imply the existence of collusion, falsification, intentional omission, misleading representation or a breakdown in internal control;
- ---- we have acquired an understanding of internal control relevant for auditing purposes in order to define appropriate audit procedures in the circumstances and not to express an opinion on the effectiveness of the internal control of the Group;
- ---- we evaluated the appropriateness of the accounting principles used as well as the reasonableness of accounting estimates made by the Directors, including the related disclosure;
- we have come to a conclusion on the applicability of the use by the directors of the assumption of business continuity and, based on the audit evidence, on the existence of significant uncertainty regarding events or circumstances that may give rise to significant doubts on the Group's ability to continue operating as a functioning entity. In the presence of significant uncertainty, we are obliged to call attention to the audit report on the related disclosures in the financial statements, or, if this report is inadequate, to reflect this fact in the formulation of our opinion. Our conclusions are based on the audit evidence obtained up to the date of this report. However, subsequent events or circumstances may result in the Group ceasing to operate as a going concern;
- we have evaluated the presentation, the structure and the content of the consolidated financial statements as a whole, including the report, and whether the consolidated financial statements represent the underlying transactions and events in order to provide a correct representation;
- we have obtained sufficient and appropriate audit evidence on the financial information of the companies or of the various economic activities carried out within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the Group's audit. We are solely responsible for the audit opinion on the consolidated financial statements.

We have communicated to the people in charge of the governance activities, identified at an appropriate level as required by the ISA Italia, among other aspects, the scope and timing

planned for the audit and the significant results emerged, including any significant deficiencies in the internal control identified over the audit.

Report on other laws and regulations Opinion as per art. 14, paragraph 2, letter e) of Legislative Decree 39/10

The Directors of Acerbis Italia S.p.A. are responsible for preparing the Acerbis Group report on operations as at 31 August 2021, including its consistency with the related consolidated financial statements and its compliance with the law.

We have carried out the procedures indicated in the auditing principle (SA Italia) no. 720B in order to express an opinion on the consistency of the management report with the consolidated financial statements of the Acerbis Group at 31 August 2021 and on its compliance with the law, as well as to issue a statement on any significant errors.

In our opinion, the management report is consistent with the Acerbis Group consolidated financial statements as of August 31, 2021 and drafted according to law.
