Semperian PPP Investment Partners Limited

Strategic report for the year ended 31 March 2015

The directors present their annual report and the audited financial statements for the year ended 31 March 2015.

Results, principal activities and review of business

The principal activity of the company is to hold investments in undertakings engaged in the development and funding of investment opportunities in Private Finance Initiative markets.

The loss for the year is set out in the profit and loss account on page 7. The directors consider the performance of the company during the year, the financial position at the end of the year and its prospects for the future to be satisfactory.

Principal risks and uncertainties

From the perspective of the company, the principal risks and uncertainties and financial risk management policies are integrated with the principal risks of the Semperian PPP Investment Partners Holdings Limited group of companies ("the group") and are not managed separately. Accordingly, the principal risks and uncertainties of Semperian PPP Investment Partners Holdings Limited, which include those of the company, are discussed in the Semperian PPP Investment Partners Holdings Limited consolidated report and financial statements which does not form part of this report.

Going concern

As at 31 March 2015, the company was in a net liability position of £80,060,520 (2014: £76,349,717). Accordingly, the directors have made an assessment as to the entity's ability to continue on a going concern basis.

The directors have reviewed the company's projected profits and cash flows by reference to a financial model. Having examined the current status of the company's fixed asset investments and likely developments in the foreseeable future, and taking into account of the ability of its fixed asset investments to pay dividends, interest and other fees, if required, the directors of the company have a reasonable expectation that the company will be able to settle its liabilities as they fall due and accordingly the financial statements have been prepared on a going concern basis.

Key performance indicators ('KPIs')

Given the nature of the business, the company's directors are of the opinion that analysis using KPIs is not necessary for an understanding of the development, performance or position of the business.

Directors' responsibilities statement

The directors are responsible for preparing the Annual report and financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Semperian PPP Investment Partners Limited

Directors' report for the year ended 31 March 2015 (continued)

Statement of disclosure of information to auditors

In the case of each director in office at the date the directors' report is approved, so far as the director is aware, there is no relevant audit information of which PricewaterhouseCoopers LLP ('PwC') are unaware, and the director has taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information, and to establish that PwC are aware of that information.

Independent auditors

The auditors, PricewaterhouseCoopers LLP, Chartered Accountants and Statutory Auditors, have signified their willingness to continue in office.

Semperian PPP Investment Partners Limited

Independent auditors' report to the members of Semperian PPP Investment Partners Limited

Report on the financial statements

Our opinion

In our opinion, Semperian PPP Investment Partners Limited's financial statements (the "financial statements"):

- give a true and fair view of the state of the company's affairs as at 31 March 2015 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

What we have audited

Semperian PPP Investment Partners Limited's financial statements comprise:

- the balance sheet as at 31 March 2015;
- the profit and loss account for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in the preparation of the financial statements is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

Semperian PPP Investment Partners Limited

Independent auditors' report to the members of Semperian PPP Investment Partners Limited (continued)

Responsibilities for the financial statements and the audit

Our responsibilities and those of the directors

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

What an audit of financial statements involves

We conducted our audit in accordance with ISAs (UK & Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

We primarily focus our work in these areas by assessing the directors' judgements against available evidence, forming our own judgements, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures or a combination of both.

In addition, we read all the financial and non-financial information in the Annual report and financial statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Semperian PPP Investment Partners Limited

Notes to the financial statements for the year ended 31 March 2015

1 Principal accounting policies

A summary of the company's principal accounting policies, which have been consistently applied, is set out below:

Basis of preparation of financial statements

The financial statements have been prepared on the going concern basis, under the historical cost convention and in accordance with the Companies Act 2006 and applicable accounting and financial reporting standards in the United Kingdom.

Consolidated financial statements

The financial statements contain information about Semperian PPP Investment Partners Limited as an individual company and do not contain consolidated financial information as the parent of a group. The company is exempt from the requirement to prepare consolidated financial statements, under section 401 of the Companies Act 2006, as its results are included in the consolidated financial statements of Semperian PPP Investment Partners Holdings Limited.

Going concern

As at 31 March 2015, the company was in a net liability position of £80,060,520 (2014: £76,349,717). Accordingly, the directors have made an assessment as to the entity's ability to continue on a going concern basis.

The directors have reviewed the company's projected profits and cash flows by reference to a financial model. Having examined the current status of the company's fixed asset investments and likely developments in the foreseeable future, and taking into account of the ability of its fixed asset investments to pay dividends, interest and other fees, if required, the directors of the company have a reasonable expectation that the company will be able to settle its liabilities as they fall due and accordingly the financial statements have been prepared on a going concern basis.

Turnover

Turnover, which excludes value added tax, includes management fee income, recharge income and interest receivable from subordinated debt. Interest receivable from subordinated debt investments is included in income on an accruals basis.

Interest

Interest is recognised on an accruals basis.

Fixed asset investments

Investments in equity and subordinated loans are stated at cost less an appropriate provision to reflect any impairment in the value of the investments. Premiums and discounts on subordinated loan investments have been amortised over the life of the loan to give a constant effective finance rate. Repayments of loans have been disclosed as disposals of fixed asset investments.

Semperian PPP Investment Partners Limited

Notes to the financial statements for the year ended 31 March 2015 (continued)

1 Principal accounting policies (continued)

Taxation

Current tax, including United Kingdom corporation tax, is provided at amounts expected to be paid or recovered using the tax rates and laws that have been enacted or substantially enacted at the balance sheet date.

Deferred tax is provided in full on timing differences that result in an obligation at the balance sheet date to pay more tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion in income and expenditure in tax computations in periods different from those in which they are included in the financial statements.

Deferred tax assets are recognised to the extent that it is regarded more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

Debt issue costs

Debt issue costs directly incurred have been offset against the related debt and will be charged to the profit and loss account at a constant rate on the carrying value of the debt.

Foreign currencies

Transactions in overseas currencies are translated at the exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the exchange rates ruling at the balance sheet date and any exchange differences arising are taken to the profit and loss account.

Impairment

Fixed asset investments are subject to impairment review if events or changes in circumstances occur which indicate that the carrying amount of the fixed asset may not be fully recoverable. An impairment review comprises a comparison of the carrying amount of the fixed asset with its recoverable amount, which is the higher of net realisable value and value in use.

Net realisable value is calculated by reference to the amount at which the asset could be disposed of. Value in use is calculated by discounting the expected future cash flows obtainable as a result of the assets continued use, including those resulting from its ultimate disposal, at a market based discount rate on a pre-tax basis. The carrying values of fixed assets are written down by the amount of any impairment and this loss is recognised in the profit and loss account in the year in which it occurs.

Cash flow statement

Under Financial Reporting Standard 1 (revised 1996) the company is exempt from the requirement to prepare a cash flow statement on the grounds that the company's ultimate parent undertaking, Semperian PPP Investment Partners Holdings Limited, prepares a consolidated cash flow statement, in which the company's cash flows are included.

Notes to the financial statements for the year ended 31 March 2015 (continued)

8 Tax on loss on ordinary activities (continued)

(b) Factors affecting current tax credit

The tax assessed for the year is lower (2014: lower) than the standard rate of corporation tax in the UK of 21% (2014: 23%). The differences are explained below:

	Year ended 31 March 2015 £ '000	Year ended 31 March 2014 £ '000
Loss on ordinary activities before taxation	(5,788)	(9,377)
Loss on ordinary activities multiplied by the standard rate of corporation tax in the UK of 21% (2014: 23%)	(1,215)	(2,157)
Effects of:		
Permanent differences	30	-
Adjustments in respect of prior periods	(816)	(2,324)
Unrelieved tax losses carried forward	(76)	-
Current tax credit for the year (note 8(a))	(2,077)	(4,481)

(c) Factors that may affect future tax charges

A deferred tax asset of £1,081,992 (2014: £1,238,135) in respect of available tax losses has not been recognised as at 31 March 2015. Given the timing of future profits it is not considered appropriate to recognise the deferred tax asset at this time.

Finance Act 2013, which was substantively enacted on 2 July 2013, included legislation to reduce the main rate of Corporation Tax to 20% with effect from 1 April 2015.
