7.2 Security Trustee's and Receiver's powers and rights

- (a) The Security Trustee shall have the power:
 - (i) to appoint a Receiver of the whole or any part of the Charged Assets and (so far as the law allows) to remove and/or substitute any such appointee;
 - (ii) to appropriate any Charged Assets in accordance with Clause 7.2(b) (*Right of appropriation*); and
 - (iii) if this Deed contains a qualifying floating charge for the purposes of the Insolvency Act 1986, to appoint an administrator of any Chargor, and paragraph 14 of schedule B1 of the Insolvency Act 1986 shall apply to this Deed.
- (b) The Security Trustee (without becoming a mortgagee in possession) and/or any Receiver (without personal liability) shall have the power to exercise:
 - (i) all statutory and other powers and rights (including the powers conferred upon an administrative receiver by schedule 1 to the Insolvency Act 1986 whether or not the Security Trustee and/or any Receiver is an administrative receiver); and
 - (ii) the powers and rights specified in Schedule 4 (*Security Trustee's and Receiver's powers*),

and may exercise them in the name of the relevant Chargor or Assigning Partner and in such manner and on such terms as the person exercising them shall in its sole absolute discretion consider appropriate.

7.3 Right of appropriation

To the extent that any of the Charged Assets constitute "financial collateral" and this Deed and the obligations of the Chargors or the Assigning Partners under it constitute a "financial collateral arrangement" (in each case as defined in, and for the purposes of, the Regulations), the Security Trustee shall have the right to appropriate all or any part of it in or towards discharge of the Liabilities and transfer title in and to it to the Security Trustee. For this purpose, the Parties agree that the value of the financial collateral so appropriated shall be:

- (a) in the case of cash, the amount standing to the credit of each account, together with any accrued but unpaid interest, at the time the right of appropriation is exercised; and
- (b) in the case of Investments, the market price determined by the Security Trustee by reference to a public index or by such other process as the Security Trustee may select, including independent valuation.

In each case, the Parties agree that the method of valuation provided for in this Deed shall constitute a commercially reasonable method of valuation for the purposes of the Regulations.

7.4 Receiver as agent

So far as the law allows, a Receiver shall be the agent of a Chargor or an Assigning Partner, who shall be solely liable for his acts, defaults and remuneration, but the Security Trustee shall be entitled to agree the fees and expenses of and the mode of payment to the Receiver.

7.5 Further powers

If a Chargor or an Assigning Partner defaults in the observance and performance of any obligation to the Security Trustee, the Security Trustee or its agents (without any of them becoming a mortgagee in possession) may at any time (but shall not be obliged to) do such things as it considers necessary to remedy the default.

7.6 Power of attorney

- (a) Each Chargor and each Assigning Partner by way of security irrevocably appoints the Security Trustee and every Receiver jointly and severally to be its attorney (with full power of substitution) in its name and on its behalf to execute and deliver any documents and do or perfect anything which the Security Trustee and/or the Receiver shall consider appropriate for perfecting, maintaining, preserving, enhancing or enforcing the security created by this Deed and/or the value of any of the Charged Assets and/or for the purpose of enforcing the performance of that Chargor's or that Assigning Partner's obligations in connection with this Deed.
- (b) Each Chargor and each Assigning Partner ratifies and confirms all things done and all documents executed by any attorney in the exercise or purported exercise of all or any of its powers.

8. APPLICATION OF RECEIPTS

8.1 Priority of payment

Subject to sums secured by charges having priority to the charges created by this Deed, all monies received by the Security Trustee and/or any Receiver in the enforcement of this Deed shall be applied in accordance with the Facility Agreement.

8.2 Crediting to suspense account

The Security Trustee or any Receiver may credit any monies received from the enforcement of this Deed to any suspense account in any manner and for such period as the Security Trustee or that Receiver thinks fit.

9. DISCHARGE

- (a) If the Security Trustee is satisfied that the Liabilities have been unconditionally and irrevocably paid, repaid and discharged in full, the Security Trustee will, at the request and cost of the Chargors and the Assigning Partners, discharge this Deed.

- (b) No discharge will be of any effect if any security or payment given or made in respect of the Liabilities is rescinded, avoided, reduced or invalidated whether in respect of any insolvency or otherwise.

10. ASSIGNMENT AND TRANSFER

10.1 Assignment by the Chargors and Partners

No Chargor or Partner may assign transfer or otherwise part with its rights or obligations under this Deed.

10.2 Assignment by the Finance Parties

The Finance Parties may each at any time transfer, assign or novate all or any part of their respective rights, benefits or obligations under this Deed in accordance with the provisions of the Facility Agreement.

11. GENERAL PROVISIONS

11.1 Trust provisions

The covenants, undertakings and representations made by each Chargor and each Partner under this Deed are made in favour of the Security Trustee as security trustee for the Finance Parties.

11.2 Immediate recourse

It shall not be necessary for the Security Trustee before taking any enforcement under this Deed to enforce or seek to enforce any guarantee or other security or other rights whether from or against a Chargor, an Assigning Partner or any other person.

11.3 Exercise of powers and liability

- (a) This Deed is in addition to and will not merge in or in any way be prejudiced or affected by the holding or release by the Security Trustee of any other security at any time held by the Security Trustee.
- (b) The Security Trustee may, at any time after this Deed has become enforceable, redeem or transfer to itself any prior Security Interest against the Charged Assets and may settle and pay the accounts of the prior chargee (which shall be binding on each Chargor and each Assigning Partner). All principal monies, interest, costs, charges and expenses of and incidental to such redemption or transfer shall be paid by the Chargors and the Assigning Partners to the Security Trustee on demand.
- (c) None of the provisions of this Deed shall be deemed to impose on the Finance Parties or imply on their part any obligation or other liability in relation to the Charged Assets.

11.4 Tacking

Each Finance Party must perform its obligations under the Facility Agreement (including any obligation to make further advances).

11.5 New Accounts

On receiving notice that the whole or any part of the Charged Assets has been encumbered by any Security Interest or disposed of:

- (a) a Finance Party may close the relevant Chargor's or Assigning Partner's then subsisting account and open a new account with that Chargor or Assigning Partner, and (unless the relevant Finance Party gives that Chargor or Assigning Partner written notice otherwise) shall be deemed to have done so;
- (b) all payments made to a Finance Party after that date will be credited (or be treated as having been credited) to the new account; and
- (c) no money credited or treated as credited to the new account shall reduce the Liabilities.

11.6 Consolidation

The restriction on the right of consolidating mortgage securities contained in section 93 of the Act shall not apply to the security created by this Deed.

11.7 Rights of third parties

- (a) Unless the right of enforcement is expressly granted, it is not intended that a third party should have the right to enforce a provision of this Deed pursuant to the Contracts (Rights of Third Parties) Act 1999.
- (b) The Parties and any Receiver may rescind, vary, waive, release, assign, novate or otherwise dispose of all or any of their respective rights or obligations under this Deed without the consent of a third party to whom an express right to enforce any of its terms has been provided.

11.8 Partial invalidity

The illegality, invalidity or unenforceability for whatever reason of any provision of this Deed in any jurisdiction, shall not affect the legality, validity or enforceability of that provision in any other jurisdiction or the legality, validity or enforceability of the remaining provisions in any jurisdiction.

11.9 Effect as a deed

This Deed shall take effect as a deed even if it is signed under hand on behalf of the Security Trustee.

11.10 Counterparts

This Deed may be executed in any number of counterparts. This shall have the same effect as if the signatures on the counterparts were on a single copy of this Deed.

11.11 Chargors' and Assigning Partners' obligations

Neither the Security Interest created under this Deed nor the obligations of each Chargor and each Assigning Partner under this Deed will be affected by any act, omission, matter or thing which, but for this Clause 10.10 (*Chargors' and Assigning Partners' obligations*), would reduce, release or prejudice that security or any of its obligations under this Deed (without limitation and whether or not known to it or any Finance Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Obligor or other person;
- (b) the release of any Obligor or any other person under the terms of any composition or arrangement with any creditor of any Transaction Obligor or any member or affiliate of any Transaction Obligor;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or Security Interest over assets of, any Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any Security Interest;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any Obligor or any other person;
- (e) any amendment, novation, supplement, extension (whether of maturity or otherwise) or restatement (in each case, however fundamental and whether or not more onerous), or replacement, assignment, avoidance or termination of any Finance Document or any other document or Security Interest including any change in the purpose of, any extension of or any increase in any facility or the addition of any new facility under any Finance Document or other document or Security Interest;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or Security Interest; or
- (g) any insolvency or similar proceedings.

11.12 **Chargor and Assigning Partner intent**

Without prejudice to the generality of Clause 10.10 (*Chargors' and Assigning Partners' obligations*), each Chargor and each Assigning Partner expressly confirms that it intends that the Security Interests created by this Deed shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Finance Documents and/or any facility or amount made available under any of the Finance Documents for the purposes of or in connection with any of the following:

- (a) business acquisitions of any nature;
- (b) increasing working capital;
- (c) enabling investor distributions to be made;
- (d) carrying out restructurings;
- (e) refinancing existing facilities;
- (f) refinancing any other indebtedness;
- (g) making facilities available to new borrowers;
- (h) any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and/or
- (i) any fees, costs and/or expenses associated with any of the foregoing.

11.13 Appropriations

Until the Liabilities have been irrevocably paid in full, each Finance Party (or trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by that Finance Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Chargor or Assigning Partner shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any monies received from any Chargor or any Assigning Partner or on account of any Chargor's or Assigning Partner's liability under this Deed.

11.14 Deferral of Chargor's and Assigning Partner's rights

- (a) Until the Liabilities have been irrevocably paid in full and unless the Security Trustee otherwise directs, no Chargor and no Assigning Partner will exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents or by reason of any amount being payable, or liability arising, under this Deed:
 - (i) to be indemnified by any Obligor;
 - (ii) to claim any contribution from any other guarantor of any Obligor's obligations under the Finance Documents;
 - (iii) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by any Finance Party;
 - (iv) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which any Chargor has given a guarantee, undertaking or indemnity under this Deed;
 - (v) to exercise any right of set-off against any Obligor; and/or
 - (vi) to claim or prove as a creditor of any Obligor in competition with any Finance Party.
- (b) If any Chargor or Assigning Partner receives any benefit, payment or distribution in relation to any rights referred to in Clause 10.13(a) it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Finance Parties by the Obligors under or in connection with the Finance Documents to be repaid in full on trust for the Finance Parties and shall promptly pay or transfer the same to the Security Trustee or as the Security Trustee may direct for application in accordance with Clause 8 (*Application of receipts*)).
