For the year ending 31/12/2014 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476.

The directors acknowledge their responsibilities for:

(I) complying with the requirements of the Act with respect to accounting records and the preparation of accounts. (ii) preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit and loss for the year, and which otherwise comply with the requirements of this Act relating to accounts, so far as applicable to the company.

Mr. Michael Boelter Director

1. ACCOUNTING POLICIES

These accounts have been extracted from full financial statements.

These statements have been prepared under the historical cost convention and in accordance with the German tax law and with the Financial Standard for Smaller Entities (FRSSE, effective April 2008)

Turnover

Turnover represents the invoiced value of goods and services supplied by the company, net of value added tax and trade discounts.

Cash flow

The company has taken advantage of the exemption from the requirement to prepare a cash flow statement under the Financial Reporting Standard for Smaller Entities.

Currency

The business of the company and its total transactions are conducted exclusively in the currency of European EURO (EUR). Therefore all all relevant information availabe as at 31/12/2014 had to be translated into British Pound applying the exchange rate circulated by the Bank of England regarding the accounting reference date.

To the extent this report also includes accounts subject to reports filed with the Companies House of preceding

To the extent this report also includes accounts subject to reports filed with the Companies House of preceeding financial years this could lead to differences according to a change of exchange rates between the present and preceding accounting reference dates. Where such differences occur they are explicitly shown in the report.
