ACHIEVEMENT AND PERFORMANCE

Charitable activities

Last year's unprecedented need was again experienced; indeed, with a further increase of over five per cent, this translated into the provision of 123,000 meals. And as the Coronavirus pandemic eased, the invasion of Ukraine impacted upon worldwide prices and UK food prices duly showed signs of dramatic increases. At the same time donations of food have shrunk, leaving food banks impacted at both ends.

Our outreach bases remained closed as many of the volunteers were classed as vulnerable. Our Milford Haven base did most of the delivering. Our Tenby base was closed to the public but our amazing volunteer Rebecca and her small team continued to deliver to clients in the south of the county.

Pembrokeshire people and businesses continue to support us in these difficult times. We have never brought in so much food onto our shelves; alarmingly, we have never seen so much food going out.

As the pandemic eases, it seems poverty has assumed the major threat status. Our structure and strategies are subject to growing pressure which requires agile solutions. The trustees are indebted to our so many volunteers as we face up to Pembrokeshire residents' health and welfare challenges.

Food Bank

Our Food bank has been the busiest project and even as restrictions lessened, the need has continued. We have had to spend more than ever on buying food ready to donate. There is often an issue with getting a delivery slot and also there are restrictions on how much of each product we can buy.

We are using our vans a lot more than previous times and we know it won't be long until we need to replace them.

Clothing Bank

The need for clothing went down during the lockdowns as people weren't able to get to us unless it was a major crisis. Since lockdown has been removed the use of our Clothing bank has increased again. Like most charities we have been overwhelmed with donations of clothing. People used the lockdown to sort through what they no longer needed. We have had to restrict some donations because of lack of space. Nonetheless, we still managed to support nearly 150 people.

Our vision of creating a second hand clothes store on the ground floor of our HQ, fronting onto Charles Street, became a step nearer with the appointment of Liz Went as our retail manager. With her extensive developmental retail experience, we have high hopes this new weapon in our armoury will make a significant contribution to counter our increasing food costs.

Small Household items

We have a 'bank' of all sorts that are a practical use for the home. Crockery, cutlery, bedding, towels, cooking utensils etc. We also take small electrical items as we have an in-house PAT tester. This has been used increasingly as people are re-homed and cannot afford to buy essential items. We prefer clients to choose what they want, so we have had to adapt and make appointments for clients to visit.

Christmas Toy project

This year's Toy Appeal was even bigger, by about 25%, than last year's record. Arranged from the ground floor of our HQ, probably for the last time, the volunteers managed to sort some parcels in work hours but many stayed after normal hours for many days as well as coming in over the weekends. The volunteers continued to show their amazing commitment.

Pure West Radio again supported and hosted the launch, this time at the church of The Holy Spirit, Hakin. The launch was preceded by a better attended AGM and we had many guest speakers with Father Christmas also making an appearance.

The amazing Pembrokeshire Frame delivered the vast majority of toys yet again. We are so appreciative of their support with the toy appeal every year.

Signposting

We have always signposted to other appropriate agencies. Because we are delivering parcels, we don't have one to-one-connection with clients to hear their issues. We are only able to signpost over the phone, but it's not often we speak to clients at present. We are longing to returning to face to face contact with our clients, many of whom have expressed how much they too miss that contact. The people contact goes to the very heart of the PATCH service.

Grants

We are grateful for assistance from Pembrokeshire County Council and PAVS in providing funding to support the increased demands on our day to day activities.

FINANCIAL REVIEW

Financial position

The reserves held at the end of the year are £194,094 (2021 - £199,911). Reserves are set aside for future projects.

FUTURE PLANS

We look forward to switching away from only delivering food parcels to a blended provision of collections and delivery; to this end, we are in conversations with many of our partner organisations about outreach openings. We are grateful to our new brand of volunteers, our delivery drivers.

As we approach the opening of our second hand clothes shop, we have high hopes it will offset some of the seemingly ever increasing costs and amounts of food we are handling to meet the seemingly ever increasing demand. The shop will also provide for our Basics Bank clients on a pay free basis.

We are mindful that our vans have clocked up significant mileage and are grateful we have sufficient reserves to cover their replacement as well as up to six months of all our running costs; this underpins our commitment to meeting our clients' needs even in the most arduous of circumstances.

STRUCTURE, GOVERNANCE AND MANAGEMENT

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
PEMBROKESHIRE ACTION TO COMBAT HARDSHIP
(PATCH)**

Independent examiner's report to the trustees of Pembrokeshire Action to Combat Hardship (PATCH) ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

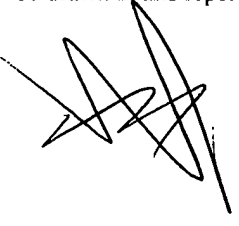

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
