11.4 Right of appropriation

To the extent that the Collateral constitutes "financial collateral" and this Debenture and the obligations of the Chargor under it constitute a "security financial collateral arrangement" (in each case as defined in, and for the purposes of, the Financial Collateral Arrangements (No.2) Regulations 2003 (SI 2003 No. 3226) or (where the context admits) equivalent legislation in any applicable jurisdiction bringing into effect Directive 2002/47/EC on financial collateral arrangements), the Lender and each Receiver shall have the right at any time after this Debenture has become enforceable to appropriate all or any part of such financial collateral in or towards satisfaction of the Secured Obligations. For the purposes of this Clause the value of the financial collateral appropriated shall be such amount as the Lender or the Receiver determines having taken into account advice obtained by it from an independent investment or accountancy firm of national standing selected by it.

12. No liability as mortgagee in possession

The Lender shall not, nor shall any Receiver, by reason of it or such Receiver entering into possession of the Collateral be liable to account as mortgagee in possession or be liable for any loss on realisation or for any default or omission which a mortgagee in possession might be liable except for its gross negligence or wilful misconduct.

13. Expenses

13.1 Expenses of preservation and enforcement

All costs, charges and expenses incurred and all payments made by the Lender or any Receiver or administrator appointed under this Debenture in the preservation of any rights under this Debenture or in the lawful exercise of the rights or powers conferred by this Debenture or by law or in the enforcement of any guarantee in respect of the Secured Obligations, whether or not occasioned by any act, neglect or default of the Chargor, shall carry interest (both before and after judgment) at the Default Rate from the date incurred until the date the same are unconditionally and irrevocably paid and discharged in full.

13.3 Indemnity

The Lender and every Receiver, administrator, attorney, manager, agent or other person appointed by the Lender under this Debenture shall be entitled to be indemnified out of the Collateral in respect of all liabilities and expenses properly incurred by them (save where such expense and liability is as a result of the negligence or wilful neglect of that Receiver, administrator, attorney, manager, agent or such other person appointed by the Lender) in the execution or purported execution of any of the powers, authorities or discretions vested in them pursuant to this Debenture and against all actions, proceedings, costs, claims and demands in respect of any matter or thing done or omitted in any way relating to the Collateral and the Lender and any such Receiver or administrator may retain and pay all sums in respect of the same out of any monies received under the powers conferred by this Debenture.

13.4 Stamp duties

The Chargor shall pay and, immediately on demand, indemnify the Lender against any liability it incurs in respect of any stamp, registration and similar tax or duty which is or becomes payable in connection with the entry into, performance or enforcement of this Debenture.

14. Power of Attorney

14.1 Appointment and powers

(a) The Chargor, by way of security, irrevocably appoints:

jointly and also severally its attorney and attorneys for it and in the name of the Chargor and otherwise on its behalf and as its act and deed to sign, seal, execute, deliver, perfect and do all deeds, instruments, acts and things which may be required (or which the Lender or any such Receiver or administrator shall consider requisite) for carrying out any obligation imposed on the Chargor by or pursuant to this Debenture or the Loan Agreement (including but not limited to the obligations of the Chargor under Clause 5.1 (*Further assurance*) and the statutory covenant referred to in such Clause), for carrying any sale, lease or other dealing by the Lender or such Receiver or administrator into effect, for conveying or transferring any legal estate or other interest in land or other property or asset, for getting in the Collateral, to endorse the Chargor's name on cheques and other forms of payment or security, to sign the Chargor's name on any

invoice or bill of lading or draft and generally for enabling the Lender and the Receiver or administrator to exercise the respective powers conferred on them by or pursuant to this Debenture or by law.

- (b) Notwithstanding that the power of attorney referred to in paragraph (a) above, shall be granted upon the date of this Deed, it shall only be exercisable by the Lender following the occurrence of an Event of Default which is continuing

14.2 Delegation

The Lender shall have full power to delegate the power conferred on it by Clause 14.1 (*Appointment and powers*), but no such delegation shall preclude the subsequent exercise of such power by the Lender itself or preclude the Lender from making a subsequent delegation to some other person; and any such delegation may be revoked by the Lender at any time.

14.3 Ratification

The Chargor shall ratify and confirm all transactions entered into by the Lender or such Receiver or administrator or delegate of the Lender in the exercise or purported exercise of their respective powers and all transactions entered into, documents executed and things done by any of them by virtue of the power of attorney given by Clause 14.1 (*Appointment and powers*).

14.4 Expenses

All money properly and reasonably expended by any such attorney shall be deemed to be expenses incurred by the Lender under this Debenture.

15. Protection of purchasers

No purchaser or other person dealing with the Lender or its delegate or any Receiver or administrator appointed under this Debenture shall be bound to see or inquire whether the right of the Lender or such Receiver or administrator to exercise any of its or his powers has arisen or become exercisable or be concerned with notice to the contrary, or be concerned to see whether any such delegation by the Lender shall have lapsed for any reason or been revoked.

16. Subsequent charges

If the Lender receives, or is deemed to be affected by, notice, whether actual or constructive, of any subsequent security or other interest affecting any Collateral and/or the proceeds of sale of any Collateral, the Lender may open a new account for the Chargor. If the Lender does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received or was deemed to have received notice. As from that time all payments made to the Lender will be credited or be treated as having been credited to the new account and will not operate to reduce any amount for which this Debenture is security.

17. Redemption of prior mortgages

The Lender may, at any time after the security created by this Debenture has become enforceable, redeem any prior security against the Collateral or procure the transfer of such prior security to itself and may settle and pass the accounts of the prior security holder. Any accounts so settled and passed shall be conclusive and binding on the Chargor. All principal monies, interest, costs, charges and expenses of, and incidental to, such redemption and transfer shall be paid by the Chargor to the Lender on demand.

18. Set-off

18.1 Consolidation of accounts

In addition to any general lien or similar right which it may be entitled to exercise at any time under any contract or arrangement with the Chargor or by operation of law, the Lender shall have the right at any time after this Debenture has become enforceable without notice to the Chargor to combine or consolidate all or any of the Chargor's then existing accounts opened pursuant to this Debenture or otherwise with the Lender with any liabilities of the Chargor to the Lender and to set off or transfer any sum or sums standing to the credit of any one or more of such accounts in or towards satisfaction of any of the liabilities of the Chargor to the Lender on any other such account or in any other respect. The liabilities referred to in this Clause may be actual, contingent, primary, collateral, several or joint liabilities, and the accounts, sums and liabilities referred to in this Clause may be denominated in any currency.

18.2 Set-off

In addition to any right which it may be entitled to exercise at any time under any contract or arrangement with the Chargor or by operation of law, after this Debenture has become enforceable the Lender may set off any Secured Obligations due and payable by the Chargor against any obligation (whether or not matured) owed by the Lender to the Chargor regardless of the place of payment or currency of either obligation. If the obligations are in different currencies, the Lender may convert any obligation in the manner provided in Clause 20 (*Currency*).

19. Payments

19.1 Manner of payment

All payments to be made by the Chargor under this Debenture shall be made in the same currency in which the relevant Secured Obligations are expressed to be payable.

19.2 Taxes

All payments by the Chargor under or in connection with this Debenture shall be made without set-off or counterclaim, free and clear of and without deduction for or on account of all taxes. All taxes in respect of this Debenture and payments under it shall be for the account of and shall be paid by the Chargor for its own account prior to the date on which penalties attach to such taxes. If the Chargor is compelled by law to make payment subject to any tax and the Lender does not actually receive for its own benefit on the due date a net amount equal to the full amount provided for under this Debenture, the Chargor will pay all necessary additional amounts to ensure receipt by the Lender of the full amounts so provided for. The Chargor will indemnify the Lender in respect of all such taxes upon the Lender providing to the Chargor evidence that the Lender has suffered or incurred any liability to pay such taxes.

19.3 Tax credits

If the Lender receives the benefit of a tax credit or an allowance resulting from a payment which includes an additional amount paid by the Chargor under Clause 19.2 (*Taxes*), it shall (to the extent that it can do so without prejudice to the retention of such credit or allowance and to the extent that it is not unlawful or contrary to any official directive for it to do so) pay to the Chargor such part of that benefit as is, in the reasonable opinion of the Lender, attributable to the withholding or deduction giving rise to payment of that additional amount, provided that the Lender shall:

- (a) be the sole judge of the amount of any such benefit to be so paid to the Chargor and of the date on which it is received by the Lender;
- (b) have an absolute discretion as to the order and manner in which it employs or claims tax credits and allowances available to it; and
- (c) not be obliged to disclose to the Chargor or any other person any confidential information regarding its tax affairs or tax computations.

19.4 Appropriation of payments

The Lender shall have an absolute and unfettered right to appropriate any payments received from the Chargor to such indebtedness of the Chargor under the Loan Documents as the Lender may determine, to the exclusion of any right on the part of the Chargor to make an appropriation in respect of such payments.

20. Currency

20.1 Currency indemnity

If any sum due from the Chargor under this Debenture (a "**Sum**"), or any order, judgment or award given or made in relation to a Sum, has to be converted from the currency (the "**First Currency**") in which that Sum is payable into another currency (the "**Second Currency**") for the purpose of:

- (a) making or filing a claim or proof against the Chargor; or
- (b) obtaining or enforcing an order, judgment or award in relation to any litigation or arbitration proceedings,

the Chargor shall as an independent obligation, within three Business Days of demand, indemnify the Lender against any cost, loss or liability arising out of or as a result of the conversion including any discrepancy between (i) the rate of exchange used to convert that Sum from the First Currency into the Second Currency and (ii) the rate or rates of exchange available to the Lender at the time of its receipt of that Sum.

20.2 Waiver

The Chargor waives any right it may have in any jurisdiction to pay any amount under this Debenture in a currency other than that in which it is expressed to be payable.

21. Suspense account

For so long as any of Secured Obligations is outstanding, all monies received, recovered or realised by the Lender under this Debenture (including the proceeds of any conversion of

currency) may in the discretion of the Lender be credited to an interest bearing suspense or impersonal account and may be held in such account until the expiry of the Security Period.

22. The Lender's remedies

22.1 Effect of release

Any receipt, release or discharge of the security provided by, or of any liability arising under, this Debenture shall not release or discharge the Chargor from any liability to the Lender for the same or any other liability which may exist independently of this Debenture.

22.2 Arrangements with third parties

The Lender may in its discretion grant time or other indulgence, or make any other arrangement, variation or release with, any person or persons not party to this Debenture (whether or not such person or persons are jointly liable with the Chargor) in respect of any of the Secured Obligations or of any other security for, or guarantee in respect of, the Secured Obligations, without prejudice either to the security created by or pursuant to this Debenture or to the liability of the Chargor for the Secured Obligations or the exercise by the Lender of any rights, remedies and privileges conferred upon it by this Debenture.

22.3 Rights cumulative

The rights, powers and remedies provided in this Debenture are cumulative and are not, nor are they to be construed as, exclusive of any rights, powers or remedies provided by law, or under any other document or agreement.

22.4 Waiver

No failure by the Lender to exercise, or delay in exercising, any right or remedy provided by this Debenture or by law, shall operate as a waiver of such right or remedy, nor shall any single or partial waiver of any right or remedy preclude any further or other exercise of that right or remedy or the exercise of any other such right or remedy.

22.5 Costs

All the costs, charges and expenses of the Lender properly and reasonably incurred in relation to the negotiation, preparation, printing, execution, registration and perfection of this Debenture shall be reimbursed by the Chargor to the Lender within five Business Days of demand on a full indemnity basis.

22.6 Insolvency relation back

- (a) Any settlement or discharge between the Lender and the Chargor shall be conditional upon no security of, or payment to, the Lender (whether by the Chargor or otherwise) being avoided or reduced or required to be paid away by virtue of any requirement (whether or not having the force of law) or enactment, whether relating to bankruptcy, insolvency, liquidation, administration or otherwise, at any time in force or by virtue of any obligation to give effect to any preference or priority and the Lender shall be entitled to recover the value or amount of any such security or payment from the Chargor as if such settlement or discharge had not occurred.
- (b) If the Lender reasonably considers that an amount paid by the Chargor (or any other person) to the Lender under any contract or agreement giving rise to, concerning or

securing the Secured Obligations is capable of being avoided or set aside on the winding-up or administration of the Chargor or such other person or otherwise then that amount shall not be considered to have been irrevocably paid for the purposes of this Debenture.

23. Provisions severable

Every provision contained in this Debenture shall be severable and distinct from every other provision and if at any time any one or more of such provisions is or becomes invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining such provisions shall not in any way be affected.

24. The Lender's discretion

Subject to any provision expressly to the contrary and subject to any duty imposed by general law, any power which may be exercised or any determination which may be made under this Debenture by the Lender may be exercised or made in the absolute and unfettered discretion of the Lender.

25. Certificates
