1. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

Turnover

The turnover shown in the profit and loss account represents amounts invoiced during the year, exclusive of Value Added Tax.

Deferred taxation

Full provision is made for deferred tax assets and liabilities arising from timing differences between recognition of gains and losses in the accounts and their recognition in a tax computation.

Assets and liabilities are calculated at the tax rates which are expected to apply in the periods when the timing differences will reverse, and discounted to reflect the time value of money using rates based on post-tax yields to maturity that could be obtained at the balance sheet date on government bonds with similar maturity dates.
