MIDTOWN BUSINESS CLUB LIMITED LIMITED BY GUARANTEE NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2017

1 Accounting policies

Company information

Midtown Business Club Limited is a private company limited by guarantee incorporated in England and Wales. The registered office is Firethorne House, Station Road, Alvescot, Bampton, Oxfordshire, OX18 2PS.

Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006 as applicable to companies subject to the small companies regime. The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

Going concern

The directors are satisfied that the company has sufficient resources to continue to operate for the foreseeable future and thus consider it appropriate that the financial statements are prepared on the going concern basis.

Turnover

Membership fees are recognised in the income and expenditure account in the year to which they relate and are shown net of Value Added Tax.

Other income, which includes sponsorship and contributions to events, is recognised in the year to which the sponsorship or event relates and is shown net of Value Added Tax where applicable.

Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost, net of depreciation and any impairment losses.

Depreciation is provided on all tangible fixed assets at rates calculated to write each asset down to its estimated residual value evenly over its expected useful life, as follows:

Computer equipment

33% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is credited or charged to profit or loss.

Residual value is calculated on prices prevailing at the reporting date, after estimated costs of disposal, for the asset as if it were at the age and in the condition expected at the end of its useful life.

Taxation

Current tax is based on taxable profit for the year. The club status of the entity means that the taxable profit is based on interest receivable and income received from non-members only. Current tax assets and liabilities are measured using tax rates that have been enacted or substantively enacted by the reporting period.
