DIRECTORS' REPORT

FOR THE YEAR ENDED 31 MARCH 2021

The directors present their annual report and financial statements for the year ended 31 March 2021.

Principal activities

The principal activity of the company continued to be that of property development.

Directors

The directors who held office during the year and up to the date of signature of the financial statements were as follows:

D E Conway

G A Conway

J Morgan

Statement of directors' responsibilities

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Going Concern

The effects of the COVID-19 pandemic on the company were quite limited in the year under review. The lockdown was imposed by the government with only one week of the financial year remaining. Since the year end, there has been an immaterial impact to the business and as such the directors are confident that with continued support of the shareholders, any long term effects of the pandemic will be minimal. The directors are satisfied that the current crisis will not have a materially adverse effect on the ability of the company to trade as a going concern for the foreseeable future.

Small companies exemption

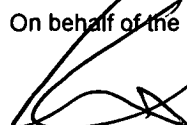

This report has been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

| Retained earnings | | (1,927,908) | | (1,975,156) | |
| Total equity | | <u>(1,927,905)</u> | | <u>(1,975,153)</u> | |

For the financial year ended 31 March 2021 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of financial statements.

The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

The financial statements were approved by the board of directors and authorised for issue on 21 October 2021 and are signed on its behalf by:

D E Conway
Director

Company Registration No. 06399520

The notes on pages 6 to 10 form part of these financial statements.

PLOTPLAN LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies

Company information

Plotplan Limited is a private company limited by shares incorporated in England and Wales. The registered office is 3rd Floor, Sterling House, Langston Road, Loughton, Essex, IG10 3TS.

1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006 as applicable to companies subject to the small companies regime. The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

The company has taken advantage of s400 of the Companies Act not to produce group financial statements, as it is included in the consolidated financial statements of Galliard Group Limited, a company registered in England and Wales.

The preparation of financial statements in compliance with FRS102 Section 1A Small Entities requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the accounting policies. The following principal accounting policies have been applied:

1.2 Going concern

In their assessment of going concern, the directors have prepared forecasts for a period of at least 12 months from the date of approval of the financial statements, which includes consideration of the potential impacts of the COVID-19 pandemic.

The effects of the COVID-19 pandemic on the company were limited in the year under review. There has been an immaterial impact to the business and as such the directors are confident that with continued support of the shareholders, any long term effects of the pandemic will be minimal. The directors are satisfied that the current crisis will not have a materially adverse effect on the ability of the company to trade as a going concern for the foreseeable future.

1.3 Cash and cash equivalents

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.4 Financial instruments

Financial assets, other than investments, are initially measured at transaction price and subsequently held at cost, less any impairment.

Financial liabilities are measured initially at transaction price and subsequently at amortised cost.

Financial liabilities and equity are classified according to the substance of the instrument's contractual obligation, rather than its legal form.

Finance costs are charged to profit and loss over the term of the debt using the effective interest rate method so that the amount charged is at a constant rate on the carrying amount.

PLOTPLAN LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies

(Continued)

1.5 Equity instruments

Equity instruments issued by the company are recorded at the proceeds received, net of transaction costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the company.

1.6 Taxation

The tax expense for the period comprises current and deferred tax.

Current tax

The current tax charge is calculated on the basis of tax rates and laws that have been enacted or substantially enacted by the reporting date.

Deferred tax

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the balance sheet date, except:

- the recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against to reversal of deferred tax liabilities or other future taxable profits;
- any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met, and
- where timing differences relate to interests in subsidiaries, associates, branches and joint ventures and the group can control their reversal and such reversal is not considered probable in the foreseeable future.

Deferred tax balances are not recognised in respect of permanent differences.

1.7 Finance costs

Finance costs are charged to profit over the term of the debt so that the amount charged is at a constant rate on the carrying amount. Finance costs include issue costs, which are initially recognised as a reduction in the proceeds of the associated capital instrument.

1.8 Other operating income

Other operating income comprises rental income net of value added tax and expenses directly attributable to the rented property.

2 Operating loss

| | 2021 | 2020 |
|---|-------------------|-------------------|
| | £ | £ |
| Operating loss for the year is stated after charging: | | |
