## **ACCOUNTANTS' REPORT TO THE DIRECTORS OF CORCORAN YATES LIMITED**

**YEAR ENDED 31 OCTOBER 2014**

As described on the balance sheet, the directors of the company are responsible for the preparation of the abbreviated accounts for the year ended 31 October 2014, which comprise the Balance Sheet and the related notes.

You consider that the company is exempt from an audit under the Companies Act 2006.

In accordance with your instructions we have compiled these unaudited abbreviated accounts in order to assist you to fulfil your statutory responsibilities, from the accounting records and information and explanations supplied to us.

Profit and loss account		<u>27,030</u>	<u>32,669</u>
<b>SHAREHOLDERS' FUNDS</b>		<u><b>27,130</b></u>	<u><b>32,769</b></u>

For the year ended 31 October 2014 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These abbreviated accounts have been prepared in accordance with the special provisions applicable to companies subject to the small companies regime.

These abbreviated accounts were approved by the directors and authorised for issue on 05/05/2015 and are signed on their behalf by:

**MR A YATES**  
**Director**

Company Registration Number: 06402275

The notes on pages 3 to 6 form part of these abbreviated accounts.

**CORCORAN YATES LIMITED**  
**NOTES TO THE ABBREVIATED ACCOUNTS**  
**YEAR ENDED 31 OCTOBER 2014**

**1. ACCOUNTING POLICIES**

**Basis of accounting**

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

**Changes in accounting policies**

In preparing the financial statements for the current year, the company has adopted the Financial Reporting Standard for Smaller Entities (effective April 2008).

**Turnover**

The turnover shown in the profit and loss account represents amounts invoiced during the year, exclusive of Value Added Tax.

In respect of long-term contracts and contracts for on-going services, turnover represents the value of work done in the year, including estimates of amounts not invoiced. Turnover in respect of long-term contracts and contracts for on-going services is recognised by reference to the stage of completion.

**Fixed assets**

All fixed assets are initially recorded at cost.

**Depreciation**

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Plant & Machinery	- 25% reducing balance
Fixtures, fittings & equipment	- 25% reducing balance

**Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**Work in progress**

Work in progress is valued on the basis of direct costs plus attributable overheads based on normal level of activity. Provision is made for any foreseeable losses where appropriate. No element of profit is included in the valuation of work in progress.

**CORCORAN YATES LIMITED**  
**NOTES TO THE ABBREVIATED ACCOUNTS**  
**YEAR ENDED 31 OCTOBER 2014**

**1. ACCOUNTING POLICIES** *(continued)*

**Operating lease agreements**

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profits on a straight line basis over the period of the lease.

**Deferred taxation**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more tax, with the following exceptions:

Provision is made for tax on gains arising from the revaluation (and similar fair value adjustments) of fixed assets, and gains on disposal of fixed assets that have been rolled over into replacement assets, only to the extent that, at the balance sheet date, there is a binding agreement to dispose of the assets concerned. However, no provision is made where, on the basis of all available evidence at the balance sheet date, it is more likely than not that the taxable gain will be rolled over into replacement assets and charged to tax only where the replacement assets are sold.

Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

**Financial instruments**

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities.

Where the contractual obligations of financial instruments (including share capital) are equivalent to a similar debt instrument, those financial instruments are classed as financial liabilities. Financial liabilities are presented as such in the balance sheet. Finance costs and gains or losses relating to financial liabilities are included in the profit and loss account. Finance costs are calculated so as to produce a constant rate of return on the outstanding liability.

Where the contractual terms of share capital do not have any terms meeting the definition of a financial liability then this is classed as an equity instrument. Dividends and distributions relating to equity instruments are debited direct to equity.

# CORCORAN YATES LIMITED

## NOTES TO THE ABBREVIATED ACCOUNTS

YEAR ENDED 31 OCTOBER 2014

### 1. ACCOUNTING POLICIES *(continued)*

#### *Compound instruments*

Compound instruments comprise both a liability and an equity component. At date of issue, the fair value of the liability component is estimated using the prevailing market interest rate for a similar debt instrument. The liability component is accounted for as a financial liability.

The residual is the difference between the net proceeds of issue and the liability component (at time of issue). The residual is the equity component, which is accounted for as an equity instrument.

The interest expense on the liability component is calculated applying the effective interest rate for the liability component of the instrument. The difference between this amount and any repayments is added to the carrying amount of the liability in the balance sheet.

### 2. FIXED ASSETS

	<b>Tangible Assets £</b>
<b>COST</b>	
At 1 November 2013	51,300
Additions	2,510
Disposals	<u>(10,688)</u>
<b>At 31 October 2014</b>	<u><b>43,122</b></u>
 <b>DEPRECIATION</b>	
At 1 November 2013	31,379
Charge for year	<u>2,935</u>
<b>At 31 October 2014</b>	<u><b>34,314</b></u>
 <b>NET BOOK VALUE</b>	
<b>At 31 October 2014</b>	<u><b>8,808</b></u>
At 31 October 2013	<u>19,921</u>

### 3. TRANSACTIONS WITH THE DIRECTORS

During the year the company paid dividends to its directors Mr M Corcoran and Mr A Yates totalling £54,000 (2013: £60,000)
