## Notes to the Financial Statements for the Year Ended 31 August 2022

#### 1. STATUTORY INFORMATION

TFC Properties Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

#### 2. ACCOUNTING POLICIES

#### Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets.

#### **Investment property**

Investment property is shown at most recent valuation. Any aggregate surplus or deficit arising from changes in fair value is recognised in profit or loss.

#### **Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

#### Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

#### 3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 1 (2021 - 1).

### 4. INVESTMENT PROPERTY - continued

Fair value at 31 August 2022 is represented by:

	a.
Valuation in 2016	963,437
Valuation in 2017	(3,398)
Valuation in 2018	530,292
Valuation in 2021	(502,904)
Cost	4,333,173
	5,320,600

If the investment property had not been revalued it would have been included at the following historical cost:

	31.8.22	31.8.21
	£	£
Cost	4,333,173	4,333,173

The investment property was valued on an estimated net yield basis on 11 May 2022 by the director, F Christodoulou.

The directors are of the opinion that the current value of the investment property is the same as the May 2022 valuation but this is less than the 2018 valuation of £5,740,000 which was carried out by CBRE Limited who were RICS registered valuers, hence the reduction in the fair value of the investment property in the 2021 accounts.
