(Including Directors' Report)
FOR THE YEAR ENDED 31 MARCH 2021

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and the Charities Statement of Recommended Practice ("Charities SORP") (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland; FRS 102) issued in October 2019

#### STRUCTURE, GOVERNANCE AND MANAGEMENT

Rose Hill and Donnington Advice Centre Limited is a private company limited by guarantee and registered in England and wales as a charity under the Charities Act. The charitable company is governed by its Memorandum and Articles of Association. Rose Hill and Donnington Advice Centre Limited was incorporated as a company on 15 November 2007 (registered company number 6428264) and registered by the Charity Commission on 7 April 2008 (charity number 1123488). The directors of the charitable company are its trustees for the purpose of charity law.

The charity is managed by the trustees who meet as and when required but usually at least six times a year. The trustees do not receive remuneration or expenses.

New Trustees are appointed either to fill a casual vacancy or by way of addition to the Board. Particular emphasis is placed upon the appointment of Trustees with knowledge and experience relevant to the charity's activities. When new Trustees are appointed they are given an introduction to the work of the charity and provided with the information they need to fulfil their roles, which includes information about the role of the Trustees and their responsibilities under the Charities and Companies Acts.

Internal controls of the charity's resources are based principally on the requirement for two signatories for expenditure. Where the charity acts as a recipient of grants from other charities, for example for furniture or other essential household equipment, the funds are handled through a bank account separate from that used for the charity's own requirements. Appropriate insurance has been effected where available.

The trustee directors set out below held office during the whole of the year except where otherwise stated. The company has no share capital and the directors have no interests in it.

The Trustees would also like to express their thanks to all those who supported the centre during the year, whether financially, by volunteering their time or in other ways.

# REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021 (CONTINUED)

The Trustees have identified and considered the major risks to which the charity is exposed and have established systems and procedures to manage those risks. The principal risk associated with the charity's operation remains the availability of operational grants.

#### **OBJECTIVES AND ACTIVITIES**

The object of the charity is the relief of poverty of persons resident in Rose Hill and Donnington and the surrounding areas who are in conditions of need, hardship and distress, and in particular by the provision of information, advice and assistance on all matters relating to welfare benefits and City and County and national services at both statutory and voluntary level.

The trustees have had regard to the requirement to demonstrate Public Benefit. They are satisfied that the charity's activities are available to all members of the public in the charity's geographical area of operation and that all its activities are demonstrably for the benefit of those members of the public who seek to avail themselves of its services.

The charity's activities have as a principal public benefit assisting individuals, often elderly and/or disabled, and families to continue to live in their own homes. This provides a major social benefit for the community as well as for the individuals and families assisted; it also makes a major contribution to reducing the demands made on the County and City Councils' services, for example support in rescheduling debt can prevent homelessness. This reduces the likelihood of children being taken into care by the County Council and removes any requirement for the City Council to provide emergency housing.

#### **ACHIEVEMENTS AND PERFORMANCE**

The year was dominated by the Covid-19 pandemic which meant that we could not use our Community Centre office for most of the year. It is to the credit of the staff that they continued to serve clients throughout the year, mostly from their own homes. We are very grateful for their flexibility, commitment and teamwork throughout this difficult time.

As a result, the number of client contacts was lower than in previous years but our staff still dealt with more than 3,500 individual contacts. The number of different clients they helped was 425, which is in fact an increase on the previous year, and 157 of them were new clients. Of the total, the vast majority were under 65. The most common ethnic origins were white British, African and Asian, particularly Pakistani. 101 clients had a disability or life-limiting long-term illness.

The Charity dealt with many issues, including benefits, debts, housing, family, health, employment, legal and general contract. A small number of clients were referred on to other appropriate agencies.

The Centre made clients more than £326,000 better off in 2020/2021 through helping them to obtain benefits to which they were entitled, obtain grants and one-off payments from charities and other sources including City Council grants designed to support people through the pandemic, and get debts written off.

# REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021 (CONTINUED)

#### **FINANCIAL REVIEW**

The Charity has a policy of retaining sufficient unrestricted reserves to finance its planned programme and meet its future financial obligations. For this purpose, the Trustees monitor financial performance and forecast future commitments and reserves for a minimum of 18 months ahead.

The charity's activities continue to be funded substantially by the grant received from the Oxford City Council. The trustees are very grateful for this continued essential funding and for the significant support offered by local and other charities in the fulfilment of the charity's objects. In the event that local authority funding is greatly reduced, the Trustees are confident that, with the continuing support of the staff, a revised level of service would be possible.
