REPORT OF THE TRUSTEES

The Trustees present their report on Cinven Foundation (company registration number 6428771) ("the Charity" or "the Company"), together with the audited financial statements and the auditor's report for the year ended 31 December 2019. Cinven Foundation is a public benefit entity as defined by FRS 102.

The Report of the Trustees has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption, including the exemption from preparing a strategic report.

Objectives and Activities

The Charity is a vehicle for Cinven's corporate giving (Cinven is a European private equity management firm).

In setting the Charity's programme each year, we have regard to both the Charity Commission's general guidance on public benefit, and our purpose, to aid the advancement of education through commitments made, mainly to education-related programmes. The Trustees review all proposed grants on a case by case basis to ensure that all grants committed are in accordance with the Charity's agreed objectives. For charities supported on a continuing basis, future commitments are contingent on receipt of satisfactory progress reports.

Achievements and Performance

The Charity continues to support the following charities:

School-Home Support, an education-related charity. School-Home Support helps disadvantaged, vulnerable and disaffected children overcome the barriers that get in the way of their learning through the support of highly-trained, independent workers in schools.

Impetus – raises money from the private equity industry and its business partners to support selected charities to empower young people to reach their full potential.

Through Impetus – PEF, the Charity pledged donations to the 5 following education related charities in 2019;

ThinkForward intervenes early to ensure young people most at risk of becoming NEET (Not in Education, Employment, or Training) make a successful transition from education into employment.

Place2Be provides emotional and therapeutic services in primary and secondary schools, building children's resilience through talking, creative work and play.

IntoUniversity offers an innovative programme that supports young people from disadvantaged backgrounds to attain either a university place or another chosen aspiration.

City Gateway - is a charity based in East London, offering support, employment and apprenticeship opportunities for young people, women and families. Based in East London, they are a charity working with young people, women and families to give them the skills, experience and qualifications they need to achieve their ambitions. And through what they do, they help change society.

The Opportunity Network (OppNet) - works with students from historically and systematically underrepresented communities in developing their skills, knowledge, and passions to achieve their college and career goals, honoring the identities and embracing the power of each member of our community.

REPORT OF THE TRUSTEES (CONTINUED)

During 2019 the Charity has also supported:

SEO - prepares talented students from ethnic minorities or low socio-economic backgrounds for career success.

The Children's' Literacy Charity (formally Springboard for Children) – prepare organisations to support children and young people in making improvements to all aspects of reading, writing, listening and speaking.

Stonewall - campaigns for the equality of lesbian, gay, bi and trans people across Britain. Their priorities include empowering individuals, transforming institutions to create inclusive and accepting cultures, changing hearts and minds, and changing and protecting laws for equality of the LGBT community.

Other charitable donations

Individual Cinven employees make financial donations and time commitments to a number of charities. The Charity recognises this and has matched employee donations to 53 charities in 2019 (2018: 46).

Governing Document

The Charity is a charitable company limited by guarantee, incorporated on 16 November 2007 and registered as a charity on 7 December 2007. It was established under a Memorandum of Association which established the objectives and powers of the charity and is governed under its Articles of Association. In the event of the Charity being wound up members are required to contribute an amount not exceeding £1.

Structure, Governance and Management

Trustees

The Directors of the Charity are its Trustees for the purpose of charity law and throughout this report are collectively referred to as the Trustees. The Trustees who served during the year and since the period end are listed on page 3. The Trustees of the Charity meet quarterly, or less frequently as required, to review the Charity's grants. The quorum for each meeting is three Trustees.

Appointment of Trustees is governed by the Articles of Association of the Charity. The Board of Trustees is authorised to appoint new Trustees to fill vacancies arising through resignation or death of an existing Trustee. If the number of Trustees falls below three for any reason, the Trustees must take steps to bring the number up to at least three.

Related Parties

Cinven Services Limited is the sole member of the Charity. One of the Trustees, Mr Colato, is a director of Cinven Services Limited and may benefit financially from the activities of Cinven Services Limited, but not the Charity itself. No trustees are remunerated for their services as trustees.

Trustee Training Policy

There is no formal Trustee training policy, but all Trustees are professionally qualified individuals who participate in continuing professional development in the course of their professional duties.

REPORT OF THE TRUSTEES (CONTINUED)

Risk Management

The Charity's principal risk is a reduced funding commitment from Cinven, which would impair its ability to pay the grants it is committed to. The Charity mitigates this risk by receiving a two year funding commitment and the Trustees ensure that any grants from the Charity are matched by this committed revenue. The Trustees consider the risks associated with governance to be low and meet regularly to discuss and review the operation of the Charity and the activities which the Charity supports. The Trustees are all experienced investment professionals, two of whom are also Chartered Accountants. In addition, the Trustees obtain expert professional advice where appropriate.

Financial Review

During the period to 31 December 2019, voluntary income of £296,555 (2018: £270,983) was received comprising funding commitments from Cinven. Investment income was £92 (2018: £18), relating to bank interest. The Charity made commitments of £270,444 (2018: £270,983), as detailed in note 4. The Charity's net assets amount to £35,566 at 31 December 2019 (2018: £9,507).

Investment Policy

The Trustees' current policy is to place any cash balances in an interest bearing deposit account. The Trustees will review this policy on an ongoing basis.

Future Developments

The Charity plans to continue the activities mentioned in future years subject to satisfactory funding arrangements. The Trustees are confident that the Charity will continue to be supported by Cinven for the foreseeable future. Cinven Partners LLP provide support to the charities through the use of staff and premises. A gift in kind has not been recognised in the accounts as it is not easily quantifiable.

Reserves Policy

The Charity's administration costs are small. There are no ongoing commitments due to day to day administration support from Cinven Partners LLP and therefore the Trustees believe the Charity does not need to maintain significant reserves. Uncommitted reserves freely available for current activities amount to £35,566 (2018: £9,507) as shown in note 11. The Trustees will continue to identify opportunities to make grants in furtherance of its objectives.

The Trustees review this policy annually, or if there are any significant changes to its commitments or activities.

Going Concern

The Trustees have reviewed the voluntary income, commitments and cashflows of the Charity for the coming 18 months. The Charity is the vehicle for Cinven's corporate giving and consequently the Trustees have detailed knowledge of the financial position of Cinven which enables them to conclude that the Charity has the financial resources, via its commitments from Cinven, to meet its obligations. Accordingly, the Trustees deem it appropriate to adopt the going concern basis in preparing the annual report and accounts. (Risk management in relation to the Charity is discussed in the Report of the Trustees, above).

REPORT OF THE TRUSTEES (CONTINUED)

Going Concern

During the period from the date of the Statement of Financial Position to the date that the Financial Statements were approved, the coronavirus (COVID-19) outbreak has caused extensive disruptions to businesses and economic activities globally. The uncertainties over the emergence and spread of COVID-19 have caused market volatility on a global scale. The quantum of the effect on the Charity is difficult to determine, however the Trustees are monitoring the situation and considering the effect it may have on the Charity's in the future.

Auditor

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as the Trustee is aware, there is no relevant audit information of which the charitable Company's auditor is unaware; and
- the Trustee has taken all the steps that he/she ought to have taken as a Trustee in order to make himself/herself aware of any relevant audit information and to establish that the charitable Company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provision of s418 of the Companies Act 2006.

Deloitte LLP have indicated their willingness to be reappointed for another term and appropriate arrangements have been put in place for them to be deemed reappointed as auditor in the absence of an Annual General Meeting.

Subsequent Events

During the period from the date of the Statement of Financial Position to the date that the Financial Statements were approved, the coronavirus (COVID-19) outbreak has caused extensive disruptions to businesses and economic activities globally. The uncertainties over the emergence and spread of COVID-19 have caused market volatility on a global scale.

The quantum of the effect is difficult to determine, however Cinven Foundation is monitoring the situation and considering the effect it may have on its financial position and operations in the future.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees (who are also directors of Cinven Foundation for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including The Financial Reporting Standard applicable in the UK and the Republic of Ireland ("FRS 102").

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CINVEN FOUNDATION

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

In our opinion the financial statements of Cinven Foundation (the 'charitable company'):

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2019 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the Companies Act 2006.

We have audited the financial statements which comprise:

- the statement of financial activities and income and expenditure account;
- the balance sheet; and
- the related notes 1 to 13.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We are required by ISAs (UK) to report in respect of the following matters where:

- the trustees' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CINVEN FOUNDATION
(CONTINUED)**

Other information

We have nothing to report in respect of these matters

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors of the charitable company for the purpose of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Report on other legal and regulatory requirements

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report, which includes the directors' report prepared for the purposes of company law for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report included within the trustees' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors' report included within the trustees' report.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept by the charitable company, or returns adequate for our audit have not been received from branches not visited by us;
- the charitable company financial statements are not in agreement with the accounting records and returns;
- certain disclosures of trustees' remuneration specified by law are not made;
- we have not received all the information and explanations we require for our audit; and

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CINVEN FOUNDATION
(CONTINUED)**

Matters on which we are required to report by exception

- the trustees were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies exemption in preparing the trustees' report and from the requirement to prepare a strategic report.

Matters on which we are required to report by exception

We have nothing to report in respect of these matters.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS

Year ended 31 December 2019

1. Accounting policies

These financial statements have been prepared under United Kingdom Accounting Standards in accordance with the Financial Reporting Standard 102 ("FRS 102"), the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland and the charities SORP (FRS 102).

The Charity is a charitable company limited by guarantee, incorporated in the United Kingdom on 16 November 2007 and registered as a charity on 7 December 2007 at Warwick Court Paternoster Square, London EC4M 7AG. It was established under a Memorandum of Association which established the objectives and powers of the charity and is governed under its Articles of Association. In the event of the Charity being wound up members are required to contribute an amount not exceeding £1.

The functional currency of the Charity is considered to be pounds sterling because that is the currency of the primary economic environment in which the Charity operates. The financial statements are also presented in pounds sterling.

Going concern

The Trustees have reviewed the voluntary income, commitments and cashflows of the Charity for the coming 18 months. The Charity is the vehicle for Cinven's corporate giving and consequently the Trustees have detailed knowledge of the financial position of Cinven which enables them to conclude that the Charity has the financial resources, via its commitments from Cinven, to meet its obligations. Accordingly, the Trustees deem it appropriate to adopt the going concern basis in preparing the annual report and accounts. (Risk management in relation to the Charity is discussed in the Report of the Trustees, page 4 to 7).

Income

All incoming resources are included in the statement of financial activities when the Charity is entitled to the income, it is probable that the income will be received and the amount can be measured reliably. The following specific policies are applied to particular categories of income:

- Voluntary income received by way of grants is included in full in the Statement of Financial Activities when notification is received from Cinven Partners LLP and there is entitlement probability of receipt and the amount can be measured reliably.
- Investment income is included on a receivable basis. All investment income arises from interest bearing deposit accounts (including treasury deposits).

Expenditure

Expenditure is recognised on an accruals basis. Expenditure includes any VAT which cannot be fully recovered and is reported as part of the expenditure to which it relates:

- Charitable activities include costs incurred in furtherance of the Charity's objects.
- Governance and support costs include costs associated with meeting the constitutional and statutory requirements of the Charity and include the audit fees and costs linked to the legal advice of the Charity.

Foreign currencies

Transactions in foreign currencies are translated at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated at the foreign exchange rate ruling at that date. Foreign exchange differences arising on translation are recognised in the Income and Expenditure account.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)**Year ended 31 December 2019****Accounting policies (Continued)****Funds structure**

Grant and donations

Grants and donations to beneficiaries are accounted for on a committed basis. Commitments are recognised as liabilities when a constructive obligation arises that results in future payments being unavoidable.

Cash at bank and in hand

The balances relate to the company's UK held bank accounts for all cash transactions

Cash flow statement

The Company has taken the exemption under the charities SORP (FRS 102) not to present a cash flow statement as it meets the definition of a small company.

Legal status of Company

The Charity is a company limited by guarantee and has no share capital. The liability of each member in the event of winding up is limited to £1.

Financial Instruments

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Critical accounting judgements and key sources of estimation uncertainty

In the application of the Charity's accounting policies, which are described in note 1, the Trustees are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The Trustees do not consider there are any critical judgements or sources of estimation uncertainty requiring disclosure beyond the accounting policies listed above.
