#### Purpose of this final account

This is the final account on the conduct of the liquidation of Brayford Pool Lincoln Limited ("the Company") following our appointment as Joint Liquidators on 11 January 2017.

This final account has been prepared solely in accordance with the relevant insolvency legislation to provide members and the Registrar of Companies with information relating to the entire period of the liquidation from 11 January 2017 to 18 May 2017. It has not been prepared for use in respect of any other purpose, or to inform any investment decision in relation to any debt or financial interest in the Company.

Neither the Joint Liquidators nor RSM Restructuring Advisory LLP accept any liability whatsoever arising as a result of any decision or action taken or refrained from as a result of information contained in this report.

#### 1. Progress of the liquidation

#### 1.1 Payments to creditors

There were no creditor claims identified in the directors' Declaration of Solvency ("DoS") and none were expected. A statutory notice for creditors to prove their debts was advertised during the liquidation; no claims were received.

#### 1.2 Realisation of assets

#### Cash at Bank

The Company held £19,322 in its pre-appointment bank account, which was closed and the balance transferred to the estate. This is slightly higher than the amount identified in the DoS; the minimal difference was as a result of interest accrued between the signing of the DoS and the monies being received.

#### VAT receivable

The DoS also identified VAT due to the Company of £38, as was shown in the Company's accounts. Given the costs of arranging for this to be paid over by the Company's VAT group and processed by our staff would outweigh the benefit, it has been written off with the consent of the shareholders.

#### 1.3 Administration and planning

The Joint Liquidators have carried out tasks including, but not limited to, dealing with the commencement of the case administration, statutory filing of appointment documents with Companies House, day-to-day case administration duties, maintenance of records and on-going statutory obligations. These include, but are not limited to, liaising with HMRC with regards to the Company's VAT and tax positions, reporting on the progress of the liquidation to the shareholders and general correspondence. Other matters which are required to be dealt with as part of the appointment and which will fall under this heading include case planning and strategy, case reviews, bonding, obtaining company searches and statutory advertising.

#### 2 Distributions to shareholders

Details of the cash distributions that have been made to shareholders are enclosed at Appendix G.

#### 3 Receipts and payments summary

We attach a summary of our receipts and payments for the period from 11 January 2017 to 18 May 2017.

#### 3.1 VAT basis

Receipts and payments are shown net of VAT, with any amount due to or from HM Revenue and Customs shown separately.

#### 4 Costs and Joint Liquidators' remuneration

#### 4.1 Joint Liquidators' remuneration and disbursements

#### 4.1.1 Authority for remuneration and disbursements

The Joint Liquidators' remuneration was approved on a time cost basis by the members at a general meeting on 11 January 2017. Since the date of our appointment we have incurred time costs of £4,510. Of this, a total of £4,500 (plus VAT) has been billed and paid and the balance, plus further time costs that will be incurred in bringing the liquidation to a conclusion, will be written off.

Approval was also given to the drawing of disbursements, including category 2 disbursements. Details of the current rates are attached. The only category 2 disbursement incurred was £36.55 in relation to travel (car) to the general meeting on 11 January 2017; this has been paid.

We have also incurred and drawn other disbursements of £350.90 in relation to the liquidation.

If you would like a copy of A Shareholders Guide to Liquidator's Fees, please let me know.

In their board meeting held on 9 January 2017, the directors had approved the payment of preappointment fees in the sum of £3,000 to be paid to RSM Restructuring Advisory LLP, for work involved in putting the Company into liquidation including preparation of the DoS and all notices required convening and then holding the general meeting. These fees have also been paid by us as Joint Liquidators.

#### 4.1.2 Detailed cost breakdown

Attached to this report are four Appendices relating to our costs on this assignment:

- A copy of RSM Restructuring Advisory LLP's charging, expenses and disbursements policy statement;
- Joint Liquidators' charge out and disbursement rates;
- Statement of expenses analysis; and
- Joint Liquidators' time cost analysis.

#### 5 Joint Liquidators' statement of expenses

A statement of the expenses incurred during the liquidation is attached at Appendix E. This includes all expenses incurred by the Joint Liquidators in the period of the report; all of these expenses have been paid.

#### 6 Release of Liquidator

We can advise that our release as Joint Liquidators will be effective on the filing with the Registrar of Companies of a copy of our final account

#### 7 Dissolution of the Company

The Company will be dissolved automatically (cease to exist) three months after we file our final account with the Registrar of Companies.

Should you have any further queries please contact Daniel Evans of my office.
