The company acquired a yacht on the 08 January 2008 which was not recorded in the books and records along with the associated depreciation charge in the Financial Years ended from the 01.01.2015 to 30.06.2017.

Under UK GAAP a prior year adjustment is made for a change in accounting policy or for a fundamental error.

A fundamental error is defined by FRS 3 as an error of such significance as to destroy the true and fair view of the Financial Statements.

The Prior year error was considered to be fundamental and was corrected by retrospective restatement of the 2015 comparative numbers to address the acquisition of the yacht and the recording of the associated depreciation charge.
