### **Strategic Report for the Year Ended 31 December 2017**

The Directors present the Strategic Report of P.H Jones Group Limited (the "Company") for the year ended 31 December 2017.

#### **Principal activity**

The principal activity of the Company is that of a non-trading holding company for its subsidiaries.

#### **Review of the business**

During the year, the Company continued its activity as a holding company. No items of income or expense were recognised in 2017. Net assets were £28,837,000 at 31 December 2017 (2016: £28,837,000).

#### **Principal risks and uncertainties**

From the perspective of the Company, the principal risks and uncertainties are integrated with the principal risks of Centrica plc ("the Group"), the ultimate parent undertaking. Accordingly, the principal risks and uncertainties of the Group which include those of the Company are discussed on pages 52-62 of the Annual Report and Accounts 2017 of the Group which does not form part of this Report.

#### **Exit from the European Union**

The UK referendum vote in June 2016 to leave the European Union has added to the risks and uncertainties faced by the Company. However, it is considered that the direct impact of these uncertainties on the Company is limited in the short-term. Many details of the implementation process continue to remain unclear. Extricating from the European Union treaties is a task of immense complexity but the Company is well-positioned to manage the possible market impacts. There are also potential tax consequences of the withdrawal and these will continue to be reassessed at each reporting date to ensure the tax provisions reflect the most likely outcome following the withdrawal.

#### **Key performance indicators (KPIs)**

The Directors believe that analysis using KPIs for the Company is not necessary or appropriate for an understanding of the development, performance or position of the business. Further information about KPIs, in the context of the Group, can be found on pages 30-31 in the Annual Report and Accounts 2017 of the Group which does not form part of this report.

## **P.H Jones Group Limited**

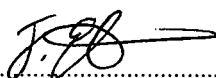

### **Strategic Report for the Year Ended 31 December 2017 (continued)**

The Group continues to implement the results of the 2015 strategic review. This implementation includes a review of how the Group's businesses are structured and may result in future changes to underlying subsidiary business operations including those of the Company.

### **Directors' Report for the Year Ended 31 December 2017 (continued)**

#### **Statement of Directors' Responsibilities**

The Directors are responsible for preparing the Strategic Report, Directors' Report and the Financial Statements in accordance with applicable UK law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 'Reduced Disclosure Framework' ('FRS 101'). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether FRS 101 has been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **Disclosure of information to the auditors**

Each of the Directors who held office at the date of approval of this Directors' Report confirm that so far as they are aware, there is no relevant audit information of which the Company's auditors are unaware, and they have taken all steps that they ought to have taken as Directors to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

## **P.H Jones Group Limited**

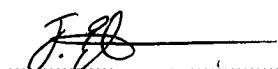

### **Directors' Report for the Year Ended 31 December 2017 (continued)**

#### **Auditors**

Following a rigorous selection process by the Audit Committee of Centrica plc, Deloitte LLP was selected as the Group's external auditor for the financial year commencing 1 January 2017. Consequently, PricewaterhouseCoopers LLP ('PwC') ceased to hold office as auditor of the Company in 2017. Pursuant to Section 519 of the Companies Act 2006, PwC has confirmed that there are no circumstances in connection with their ceasing to hold office that need to be brought to the attention of the members or creditors of the Company.

Following the resignation of PwC as auditors of the Company and, pursuant to Section 487 of the Companies Act 2006, Deloitte LLP were appointed as auditors of the Company. Deloitte LLP continue to be the auditors of the Company.

### **Independent Auditors' Report to the Members of P.H Jones Group Limited**

#### **Report on the financial statements**

##### **Our opinion**

In our opinion, P.H Jones Group Limited's financial statements (the 'financial statements'):

- give a true and fair view of the state of the Company's affairs as at 31 December 2017 and of its results for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

##### **What we have audited**

We have audited the financial accounts of P.H Jones Group Limited which comprise:

- the Income Statement
- the Statement of Comprehensive Income
- the Statement of Financial Position
- the Statement of Changes in Equity; and
- the related notes 1 to 11.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 101 (United Kingdom Generally Accepted Accounting Practice).

##### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) ('ISAs (UK)') and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### **Conclusions related to going concern**

We are required by ISAs (UK) to report in respect of the following matters where:

- the Directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

## **P.H Jones Group Limited**

### **Independent Auditors' Report to the Members of P.H Jones Group Limited (continued)**

#### **Other information**

The Directors are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our auditors' report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

#### **Responsibilities of Directors**

As explained more fully in the Directors' responsibilities statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

#### **Auditors' responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditors' report.

#### **Use of our report**

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## **P.H Jones Group Limited**

### **Independent Auditors' Report to the Members of P.H Jones Group Limited (continued)**

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Strategic Report or the Directors' Report

##### **Matters on which we are required to report by exception**

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or

## **Notes to the Financial Statements for the Year Ended 31 December 2017**

### **1 General information**

P.H Jones Group Limited (the 'Company') is a private company limited by shares and is incorporated and domiciled in the UK. The registered office and principal place of business is Millstream, Maidenhead Road, Windsor, Berkshire SL4 5GD.

### **2 Accounting policies**

#### **Basis of preparation**

The Company financial statements have been prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework ('FRS 101'). In preparing these financial statements the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ('Adopted IFRSs'), but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

From 1 January 2017, the following amendments are effective in the Company's financial statements. Their first time adoption did not have a material impact on the financial statements:

- Amendments to IAS 12: 'Income taxes' related to the recognition of deferred tax assets for unrealised losses.

In these financial statements, the Company has applied the exemptions available under FRS 101 in respect of the following disclosures:

- the requirements of IAS 7 'Statement of Cash Flows';
- the statement of compliance with Adopted IFRSs;
- the effects of new but not yet effective IFRSs;
- prior year reconciliations for property, plant and equipment and intangible assets
- the prior year reconciliations in the number of shares outstanding at the beginning and at the end of the year for share capital;
- disclosures in respect of related party transactions with wholly-owned subsidiaries in a group;
- disclosures in respect of the compensation of key management personnel; and
- disclosures in respect of capital management.

As the consolidated financial statements of the Centrica plc group (the 'Group'), which are available from its registered office, include the equivalent disclosures, the Company has also taken the exemptions under FRS 101 available in respect of the following disclosures:

- certain disclosures required by IFRS 13 'Fair Value Measurement' and the disclosures required by IFRS 7 'Financial Instruments: Disclosures' have not been provided apart from those which are relevant for the financial instruments which are held at fair value.
- certain disclosures required by IFRS 3 'Business Combinations' in respect of business combinations undertaken by the Company; and
- disclosures of the net cash flows attributable to the operating, investing and financing activities of discontinued operations.

## **P.H Jones Group Limited**

### **Notes to the Financial Statements for the Year Ended 31 December 2017 (continued)**

#### **2 Accounting policies (continued)**

The Company is exempt by virtue of the Companies Act 2006 from the requirement to prepare group financial statements as it is a wholly-owned subsidiary of Centrica plc. The registered office of Centrica plc is Millstream, Maidenhead Road, Windsor, Berkshire SL4 5GD. These financial statements present information about the Company as an individual undertaking and not about its group.

These financial statements are presented in pounds sterling with all values rounded to the nearest thousand pounds except when otherwise indicated. Pounds sterling is the functional currency of the Company.

#### **Summary of significant accounting policies and key accounting estimates**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### **Measurement convention**

The financial statements have been prepared on the historical cost basis except for: investments in subsidiaries that have been recognised at deemed cost on transition to FRS 101; derivative financial instruments, available for sale financial assets, financial instruments designated at fair value through profit or loss on initial recognition and the Company's share of the assets of the Group's defined benefit pension schemes that have been measured at fair values; the Company's share of the liabilities of the Group's defined benefit pension schemes that have been measured using the projected unit credit valuation method; and the carrying value of recognised assets and liabilities qualifying as hedged items in fair value hedges that have been adjusted from cost by the changes in the fair values attributable to the risks that are being hedged.

#### **Taxation**

Current tax, including UK corporation tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the reporting date. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in equity. In this case, the tax is recognised in equity.

Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised in other comprehensive income is also recognised directly in other comprehensive income, except to the extent that it relates to items recognised in equity. In this case, the tax is recognised in equity.

Deferred tax is recognised in respect of all temporary differences identified at the reporting date, except to the extent that the deferred tax arises from the initial recognition of goodwill or the initial recognition of an asset or liability in a transaction which is not a business combination and at the time of the transaction affects neither accounting profit nor taxable profit and loss.

Deferred tax is provided on temporary differences arising on investments in subsidiaries, joint ventures and associates, except where the timing of the reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future. Temporary differences are differences between the carrying amount of the Company's assets and liabilities and their tax base.

Deferred tax assets are recognised only to the extent that it is probable that the deductible temporary differences will reverse in the future and there is sufficient taxable profit available against which the temporary differences can be utilised.

The amount of deferred tax provided is based on the expected manner of realisation or settlement using tax rates that have been enacted or substantively enacted at the reporting date.

## **P.H Jones Group Limited**

### **Notes to the Financial Statements for the Year Ended 31 December 2017 (continued)**

#### **2 Accounting policies (continued)**

##### **Investments in subsidiaries**

Fixed asset investments in subsidiaries are held at deemed cost on transition to FRS 101 and in accordance with IAS 27, less any provision for impairment as necessary.

##### **Impairment**

The carrying amounts of the Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. For goodwill, and intangible assets that have indefinite useful lives or that are not yet available for use, the recoverable amount is estimated each year at the same time.

The recoverable amount of an asset or cash-generating unit ('CGU') is the greater of its value in use and its fair value less costs of disposal. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the CGU). The goodwill acquired in a business combination, for the purpose of impairment testing, is allocated to CGUs.

An impairment loss is recognised if the carrying amount of an asset or its CGU exceeds its estimated recoverable amount. Impairment losses are recognised in profit or loss. An impairment loss in respect of goodwill shall not be reversed in a subsequent period. In respect of other assets, impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount.

The Company provides for impairments of financial assets when there is objective evidence of impairment as a result of events that impact the estimated future cash flows of the financial assets.

##### **Financial instruments**

Financial assets and financial liabilities are recognised in the Company's statement of financial position when the Company becomes a party to the contractual provisions of the instrument. Financial assets are derecognised when the Company no longer has the rights to cash flows, the risks and rewards of ownership or control of the asset. Financial liabilities are derecognised when the obligation under the liability is discharged, cancelled or expires.

##### **Amounts owed by Group undertakings**

Amounts owed by Group undertakings are initially recognised at fair value net of directly attributable transaction costs. After initial recognition, they are subsequently measured at amortised cost using the effective interest method. Amortised cost is calculated by taking into account any issue costs, discount or premium.

##### **Share capital**

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction from the proceeds received.

##### **Loans and other borrowings**

All interest-bearing and interest-free loans and other borrowings are initially recognised at fair value net of directly attributable transaction costs. After initial recognition, they are subsequently measured at amortised cost using the effective interest method. Amortised cost is calculated by taking into account any issue costs, discount or premium.
