Other information

On 8/12/2010 we reported, as auditors of Albemarle Shoreham Airport Limited, to the members on the financial statements prepared under section 396 of the Companies Act 2006 for the year ended 31 March 2010, and our report included the following paragraph:

Emphasis of matter

"In forming our opinion, we have considered whether the company has the ability to continue as a going concern. This is because, as at the balance sheet date, the company's current liabilities exceeded current assets by £845,997. The company has the support of its principal creditor and our opinion is not qualified in this respect."

NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 31 MARCH 2010

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention modified to include the revaluation of freehold land and buildings and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

As at the balance sheet date, the company's current liabilities exceeded current assets by £845,997. There is therefore uncertainty as to whether the company can continue as a going concern. However the financial statements have been prepared on a going concern basis and the directors are satisfied that there would be no significant differences if prepared on a break up basis, other than the costs associated with the break up of the company.

1.2 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts

1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation less estimated residual value of each asset over its expected useful life, as follows

Land and buildings Leasehold	No depreciation charge
Plant and machinery	10% Straight Line / 33% Straight Line
Fixtures, fittings & equipment	20% Straight Line

No depreciation is provided in respect of leasehold properties. Although this is a departure from the Companies Act, the directors consider the residual value of the properties to be at least equivalent to their historic cost and therefore in order the accounts give a true and fair view no depreciation has been charged.
