Inspiredspaces Nottingham (Projectco1) Limited

Directors' Report for the year ended 31 December 2015

The directors present their report with the financial statements of the company for the year ended 31 December 2015.

PRINCIPAL ACTIVITY

The principal activities of the company are the design, redevelopment, financing and operation of schools and associated services under the Government's Building Schools for the Future scheme for a period of twenty-six years pursuant to and in accordance with the terms of an agreement with the Nottingham City Council. This agreement together with a loan facilities agreement, a construction contract, a facilities management contract and other related contracts was signed on 13 June 2008. Construction of the schools commenced in June 2008 and was completed in September 2010. Operational activities commenced in September 2009, when the first phase was completed and availability payments also became receivable at this date. All phases were completed by September 2010 and the full availability payments also became receivable at this date.

REVIEW OF BUSINESS

The profit and loss account is set out on page 5 and shows a profit on ordinary activities before taxation of £78,000 (2014: profit on ordinary activities before taxation of £94,000).

The directors consider the performance of the company during the year, the financial position at the end of the year and its prospects for the future to be satisfactory.

DIVIDENDS

The directors do not recommend the payment of a dividend (2014: £nil).

DIRECTORS

The directors shown below have held office during the whole of the period from 1 January 2015 to the date of this report.

T E Render
M Trodd

Other changes in directors holding office are as follows:

K L Flaherty - appointed 30 March 2015
P Andrews - resigned 30 March 2015 reappointed 4 January 2016
S R Shah – resigned 4 January 2016

PRINCIPAL RISKS AND UNCERTAINTIES

The management of the business and the execution of the company's strategy are subject to a number of risks. The key business risks affecting the company are considered to relate to cash flow management, facility management compliance and review of the insurance cover and lifecycle profile. The company is exposed to inflation risk as some of its operational costs are RPI linked. This risk is mitigated as an element of the company's availability income is also linked to RPI. The board formally reviews risks and appropriate processes are put in place to mitigate them.

POST BALANCE SHEET EVENTS

There have been no material post balance sheet events which would require disclosure or adjustment to these financial statements.

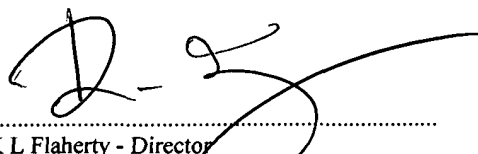

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITOR

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the company's auditor is unaware; and each director has taken all the steps that he/she ought to have taken as a director to make himself/ herself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

AUDITOR

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

ON BEHALF OF THE BOARD:

K L Flaherty - Director

Date: 27 April 2016

Inspiredspaces Nottingham (Projectco1) Limited

**Statement of Directors' Responsibilities
for the year ended 31 December 2015**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice) including FRS102 The Financial Reporting standard applicable in the UK and Republic of Ireland. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Report of the Independent Auditor to the Members of Inspiredspaces Nottingham (Projectco1) Limited

We have audited the financial statements of Inspiredspaces Nottingham (Projectco1) Limited for the year ended 31 December 2015 set out on pages 5 to 19. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice), including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit, and express an opinion on, the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at www.frc.org.uk/auditscopeukprivate.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2015 and of its profit for the year then ended;
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report.

for the year ended 31 December 2015**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

Inspiredspaces Nottingham (Projectco1) Limited (the "Company") is a company limited by shares and incorporated and domiciled in the UK.

These financial statements were prepared in accordance with Financial Reporting Standard 102. The Financial Reporting Standard applicable in the UK and Republic of Ireland ("FRS 102") as issued in August 2014. The presentation currency of these financial statements is sterling. All amounts in the financial statements have been rounded to the nearest £1,000.

The financial statements are prepared on the historical cost basis except that the following assets and liabilities are stated at their fair value: derivative financial instruments.

In the transition to FRS 102 from old UK GAAP, the Company has made five measurement and recognition adjustments. An explanation of how the transition to FRS 102 has affected financial position and financial performance of the Company is provided on pages 16 to 19.

The Company's parent undertaking, International Public Partnerships Limited Partnership includes the Company in its consolidated financial statements. The consolidated financial statements of International Public Partnerships Limited Partnership are prepared in accordance with IFRS and are available to the public and may be obtained from Two London Bridge, London, SE1 9RA. In these financial statements, the company is considered to be a qualifying entity (for the purposes of this FRS) and has applied the exemptions available under FRS 102 in respect of the following disclosures:

- Reconciliation of the number of shares outstanding from the beginning to end of the period;
- Cash Flow Statement and related notes; and
- Key Management Personnel compensation.

As the consolidated financial statements of International Public Partnerships Limited Partnership include the equivalent disclosures, the Company has also taken the exemptions under FRS 102 available in respect of the following disclosures:

- The disclosures required by FRS 102.11 Basic Financial Instruments and FRS 102.12 Other Financial Instrument Issues in respect of financial instruments not falling within the fair value accounting rules of Paragraph 36(4) of Schedule 1

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

Related Party Transactions

As the company is a member of the International Public Partnerships Limited Partnership Group, it has taken advantage of the exemption contained in FRS102 Section 33.1A not to disclose transactions between two or more members of a group provided that a subsidiary which is a party to the transaction is wholly owned by such a member.

Going concern

The directors have reviewed the cash flow forecast and taking into account reasonable possible risks in operations to the Company they believe that the Company will be able to settle its liabilities as they fall due for the foreseeable future and therefore it is appropriate to prepare these financial statements on the going concern basis. The company is in a net liabilities position caused by the Swap liability, this is a non cash item and does not affect the cashflows of the company and the liability will be unwound over the life of the project.

Turnover

Construction phase

Revenue is recognised based on the fair value of work completed in the period, deemed to be historical cost plus margin, in accordance with FRS 102 Schedule 23.

Operational phase

Income received in respect of the service concession is allocated between revenue and capital repayment and interest income on the PFI financial asset using the effective interest rate method. Service revenue is recognised as non-pass-through operating and maintenance costs plus a margin.

Revenue and expenses are recognised on an accruals basis, i.e. when the actual flow of the related goods and services occurs, regardless of when the resulting monetary or financial flow arises. Revenue is measured at the fair value of the consideration received, net of discounts and taxes.

**Notes to the Financial Statements - continued

1. ACCOUNTING POLICIES - continued

Taxation

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on timing differences which arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements.

Deferred tax is measured at the tax rate that is expected to apply to the reversal of the related difference, using tax rates enacted or substantively enacted at the balance sheet date. Deferred tax balances are not discounted.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Interest-bearing loans and borrowings

All interest-bearing loans and borrowings which are basic financial instruments are initially recognised at the present value of the future payments discounted at a market rate of interest for a similar loan. After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method.

Short term debtors and creditors

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the Statement of comprehensive income in administrative expenses

Derivative instruments and hedging

The company used derivative financial instruments in the form of interest rate swaps to reduce its exposure to interest rate fluctuations on the company's floating rate bank loan. The company has determined that its interest rate swap qualifies for hedge accounting under FRS 102. Accordingly the effective portion of the gain or loss on the interest rate swap is recognised directly in other comprehensive income in the cashflow hedge reserve, with the ineffective portion recognised in profit or loss. The hedging gain or loss accumulated in the cash flow hedge reserve is reclassified to the income statement when the hedged item is recognised in profit or loss or when the hedged future cash flows are no longer expected to occur.

Derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently measured at fair value.

Derivatives are carried as assets when the fair value is positive and liabilities when the fair value is negative. The fair value of interest rate swap contracts is determined by calculating the present value of the estimated future cashflows based on observable yield curves.

Service concession - financial assets

The company is a special purpose entity that has been established to provide services under certain private finance agreements with Nottingham City Council (the Authority). Under the terms of these Agreements, the Authority controls the service to be provided by the Company over the contract term. Based on the contractual arrangements the Company has classified the project as a service concession arrangement and has accounted for the principal assets of and income streams from, the project in accordance with FRS 102, section 34.12 Service Concession Arrangement.

Interest receivable and interest payable

Interest payable and similar charges include interest payable, finance charges on shares classified as liabilities and finance leases recognised in profit or loss using the effective interest method, unwinding of the discount on provisions.

Other interest receivable and similar income include interest receivable on funds invested. Interest income and interest payable are recognised in profit or loss as they accrue. Dividend income is recognised in the profit and loss account on the date the company's right to receive payments is established.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amount reported for assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates.

Notes to the Financial Statements - continued
for the year ended 31 December 2015

2. STAFF COSTS AND DIRECTOR'S REMUNERATION

There were no employees during the year (2014: none). The directors have no contract of service with the company (2014: none). Amounts payable to third parties in respect of directors' services totalled £26,000 (2014: £17,000).

3. OPERATING PROFIT

The following costs were incurred during the year:

	2015 £'000	2014 £'000
Auditor's remuneration - audit of these financial statements	<u>10</u>	<u>8</u>

4. INTEREST RECEIVABLE AND SIMILAR INCOME

6. TAXATION

Analysis of the tax charge

The tax charge on the profit on ordinary activities for the year was as follows:

	2015 £'000	2014 £'000
Current tax:		
UK corporation tax	199	19
Deferred tax:		
Reversal of timing difference	<u>(181)</u>	<u>-</u>
Tax on profit on ordinary activities	<u>18</u>	<u>19</u>

UK corporation tax has been charged at 20.25% (2014 - 21.50%).

Notes to the Financial Statements - continued
for the year ended 31 December 2015

6. TAXATION - continued

Reconciliation of total tax charge included in profit and loss

The tax assessed for the year is higher than (2014: lower than) the standard rate of corporation tax in the UK. The difference is explained below:

	2015 £'000	2014 £'000
Profit on ordinary activities before tax	<u>78</u>	<u>94</u>
Profit on ordinary activities multiplied by the standard rate of corporation tax in the UK of 20.250% (2014 - 21.50%)	16	20
Effects of: Effect of differences in tax rates	<u>2</u>	<u>(1)</u>
Total tax charge	<u>18</u>	<u>19</u>

Tax effects relating to effects of other comprehensive income

	2015 Gross £'000	2015 Tax £'000	Net £'000
Change in fair value of cash flow hedge	<u>1,305</u>	<u>(483)</u>	<u>822</u>
	2014 Gross £'000	2014 Tax £'000	Net £'000
Change in fair value of cash flow hedge	<u>(4,048)</u>	<u>809</u>	<u>(3,239)</u>
	<u>(4,048)</u>	<u>809</u>	<u>(3,239)</u>

Factors affecting the tax charges in future years

The UK corporation tax rate reduced to 20% from April 2015. The rate will reduce to 19% from April 2017, and will reduce further to 18% from April 2020. As at the balance sheet date, these future tax reductions had been "substantively enacted" and hence in accordance with accounting standards, this has been reflected in the company's financial statements at 31 December 2015. The rate changes will impact the amount of future tax payments to be made by the company. The deferred tax asset at 31 December 2015 has been calculated based on the rate of 18% substantively enacted at the balance sheet date.

10. LOANS

An analysis of the maturity of the bank loan is given below:

	2015 £'000	2014 £'000
Repayment schedule of the bank loan:		
Wholly repayable within five years	5,464	5,059
Not wholly repayable within five years	<u>27,171</u>	<u>28,637</u>
	<u>32,635</u>	<u>33,696</u>

Bank borrowings relate to term loan facilities granted by the bank on 13 June 2008. The loan facility is for a total value of £38,119,000 comprising £37,119,000 term loan facility, and £1,000,000 debt service reserve facility. As at 31 December 2015 £32,635,000 (2014: £33,696,000) has been drawn comprising £32,635,000 (2014: £33,696,000) term loan and £nil (2014: £nil) debt service reserve facility. Loan issue costs in respect of this facility have been deducted from the gross proceeds of the bank borrowings and an effective interest rate is used to calculate finance costs in accordance with the provisions of Section 11. There was £502,000 (2014: £514,000) of accrued interest and an effective interest rate adjustment of £469,000 (2014: £506,000) on these loans outstanding at the year end

The term loan is repayable in six-monthly instalments commencing on 31 March 2011 and ending on 28 February 2034. Interest is charged on amounts drawn under the facilities based on floating LIBOR. The company has entered into interest hedging agreements to be applied to the expected future borrowings under the facilities. The hedging agreement fixes the interest rate at 5.445% until 28 February 2034 using a cash flow hedge which is considered to be 100% effective for the year.

An analysis of the maturity of the group loan is given below:

	2015 £'000	2014 £'000
Repayment schedule of the group loan:		
Wholly repayable within five years	395	339
Not wholly repayable within five years	<u>2,535</u>	<u>2,667</u>
	<u>2,930</u>	<u>3,006</u>

Amounts owed to group undertakings comprise loan stock of £2,930,000 (2014: £3,006,000) from Inspiredspaces Nottingham (Holdings1) Limited. These borrowings bear interest at 12% per annum and are repayable in instalments on or before 31 March 2034. There was £89,000 (2014: £91,000) of accrued interest on these loans outstanding at the year end.

Balance at 31 December 2015	<u>-</u>	<u>11,101</u>

Interest rate swaps are valued at the present value of future cash flows estimated and discounted based on the applicable yield curves derived from quoted interest rates.

The interest rate swap settles on a bi-annual basis. The floating rate on the interest rate swap is three months LIBOR. The project will settle the difference between the fixed and floating interest rate on a net basis.

The fair value of these financial instruments at 31 December 2015 was a liability of £11,101,000 (2014: liability of £12,460,000). Net gains of £822,000 (2014: loss of £4,049,000) were recognised in other comprehensive income and gains of £Nil (2014: gains of £Nil) in excess of the fair value of the hedging instruments over the change in the fair value of expected cash flows were recognised in profit or loss. £Nil (2014: £Nil) was reclassified to profit or loss for the period.

Reconciliation of Equity - continued
31 December 2014

Notes to the reconciliation of equity

1. Restatement of Financial Asset

- a. FRS 102 requires that borrowing costs during the construction phase of the project are expensed as the asset is not considered to be a qualifying asset, under the previous UK GAAP this was capitalised.
- b. A construction margin is recognised during the construction of the project which is capitalised as part of the financial asset.
- c. The unitary charge is now included as part of the financial asset previously this was held as accrued income.
- d. Interest income is now recognised during the construction phase of the project, there. This has the impact of reducing the financial asset.
- e. Notes 1a. to 1d. have the impact of reducing the service revenue recognised to date.

2. Current and Deferred Tax Payable on Restated Profits

The conversion to FRS 102 has led to an increase of profit before tax. The tax arisen will be paid in 2016.

3. Effective interest rate calculation

FRS 102 requires an effective interest rate to be calculated on borrowings. This includes all cash interest costs, issue costs and commitment fees related to the bank loan.

4. Recognition of Fair Value of Swap

FRS 102 requires the recognition of the Fair Value of the Interest Rate Swap. The interest rate swap is recorded on the balance sheet at fair value. The company has applied hedge accounting such that the effective portion of the change in fair value is recognised directly in other comprehensive income, with the ineffective portion recognised in profit or loss. The gain or loss recognised in other comprehensive income is reclassified to profit or loss when the hedge item is recognised in profit or loss. Under previous UK Accounting Standards interest rate swaps were not re-valued to fair value or shown on the company balance sheet at the year end.

5. Recognition of Deferred Tax following Recognition of Fair Value of Swap

Following recognition of the Swap liability an entry is required to recognise the deferred tax relating to the liability.
