#### STRATEGIC REPORT

#### FOR THE PERIOD ENDED 5 DECEMBER 2015

The directors present the strategic report and financial statements for the period ended 5 December 2015

#### Fair review of the business

Our strategy is to deliver shareholder value by

Delivering sales growth through investment in organic growth drivers such as new product development and expansion in high growth markets,

Enhancing margins through a relentless drive for operational improvement across all our businesses,

Managing the balance sheet and operations efficiently to generate strong cash-flows,

Making acquisitions that add complementary customers or products, and

Improving returns on capital

The business has returned to profitability following a site rationalisation in 2014 & is now in a position to focus on filling capacity & improving each site's operational efficiency

#### Principal risks and uncertainties

Commercial risks include

- Cost increases in raw materials or energy where possible these are managed by means of longer term contracts or contracts with customers that provide a margin of profit over actual costs. The purchasing team focus on obtaining value for money on all materials acquired with a schedule of constant review of key materials acquired
- Contracts can and have been lost due to competition from other suppliers into the markets we serve. The company sets margin targets based on cost assumptions for a site as well as capacity opportunities at each site but will not commit to contracts unless the margins are acceptable to it

#### Key performance indicators

KPIs used to monitor the performance of the business include

- Detailed weekly and monthly operating reports for each site highlighting continual improvements in site efficiencies and capacity utilisation,
- Health & safety accidents, both reportable and other are measured & trend analysis used to monitor improvements.
- Food safety regular site audits are conducted by our own internal teams as well as by customers and external auditors. We recognise that we have obligations to our customers & the consumers. The company holds BRC Global Standard for Food Safety Certification for each of its sites

On behalf of the board

Mr D A Wood
Director
21 March 2016

#### **DIRECTORS' REPORT**

#### FOR THE PERIOD ENDED 5 DECEMBER 2015

The directors present their annual report and financial statements for the period ended 5 December 2015

For commercial reasons, the directors have taken the decision to prepare the financial statements for a period other than a year. For this reason the financial statements reflect the results for the 8 month period ended 5 December 2015, and as such comparative amounts presented in the financial statements are not entirely comparable.

#### Principal activities

The principal activity of the company continued to be that of the manufacture of breads, confectionary items and sayoury products such as frozen pies and ready made meals

#### **Directors**

The directors who held office during the period and up to the date of signature of the financial statements were as follows

Mr D A Wood Mrs K Wood

#### Results and dividends

The results for the period are set out on page 6

No ordinary dividends were paid. The directors do not recommend payment of a final dividend

#### Qualifying third party indemnity provisions

The company has made qualifying third party indemnity provisions for the benefit of its directors during the period. These provisions remain in force at the reporting date

#### Research and development

During the period the company incurred costs in relation to research and development amounting to £23,705 (March 2015 - £37,328) Costs have been expensed to the profit and loss account when occurred

#### Disabled persons

Applications for employment by disabled persons are always fully considered, bearing in mind the aptitudes of the applicant concerned. In the event of members of staff becoming disabled, every effort is made to ensure that their employment within the company's continues and that the appropriate training is arranged. It is the policy of the company that the training, career development and promotion of disabled persons should, as far as possible, be identical to that of other employees.

#### **Employee involvement**

The company is committed to equal opportunity in all employment practices, policies and procedures. This means that no employee or potential employee will receive less favourable treatment due to race, religion, nationality, age, sex, sexuality or disability.

All employees are trained for several roles, and encouraged to move up to a higher grade. Employees are kept informed about company matters through internal media and through managers.

#### **DIRECTORS' REPORT (CONTINUED)** FOR THE PERIOD ENDED 5 DECEMBER 2015

#### Statement of disclosure to auditor

So far as the directors are aware, there is no relevant audit information of which the company's auditors are unaware Additionally, the directors have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the company's auditors are aware of that information

On behalf of the board

Mr D A Wood

Director 21 March 2016

#### DIRECTORS' RESPONSIBILITIES STATEMENT FOR THE PERIOD ENDED 5 DECEMBER 2015

The directors are responsible for preparing the Strategic Report and the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- · select suitable accounting policies and then apply them consistently,
- · make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures
  disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF DAVID WOOD BAKING LIMITED

We have audited the financial statements on pages 6 to 27. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

#### Respective responsibilities of directors and auditor

As more fully explained in the Directors' Responsibilities Statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

#### Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at http://www.frc.org.uk/auditscopeukprivate

#### **Opinion on financial statements**

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 5 December 2015 and of its profit for the period then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

#### Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Strategic Report and the Directors' Report for the financial period for which the financial statements are prepared is consistent with the financial statements

#### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- · the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- · we have not received all the information and explanations we require for our audit

## NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 5 DECEMBER 2015

#### 1 Accounting policies

#### Company information

David Wood Baking Limited is a limited company domiciled and incorporated in England and Wales. The registered office is 1 Calverley Road, Oulton, Leeds, LS26 8JD.

The company's principal activities are disclosed in the Directors' Report

#### **Accounting convention**

The financial statements are prepared under the historical cost convention and in accordance with applicable United Kingdom accounting standards

The financial statements are prepared in sterling, which is the functional currency of the company Monetary amounts in these financial statements are rounded to the nearest  $\mathfrak L$ 

The financial statements have been prepared on the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below

#### First time adoption of FRS 102

These financial statements are the first financial statements of David Wood Baking Limited prepared in accordance with Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (FRS 102) The financial statements of David Wood Baking Limited for the year ended 28 March 2015 were prepared in accordance with previous UK GAAP

Some of the FRS 102 recognition, measurement, presentation and disclosure requirements and accounting policy choices differ from previous UK GAAP Consequently, the directors have amended certain accounting policies to comply with FRS 102. The directors have also taken advantage of certain exemptions from the requirements of FRS 102 permitted by FRS 102 Chapter 35 'Transition to this FRS'

Comparative figures have been restated to reflect the adjustments made, except to the extent that the directors have taken advantage of exemptions to retrospective application of FRS 102 permitted by FRS 102 Chapter 35 'Transition to this FRS' Adjustments are recognised directly in retained earnings at the transition date

#### **Reduced Disclosures**

In accordance with FRS 102, the Company has taken advantage of the exemptions from the following disclosure requirements,

- Section 4 'Statement of Financial Position' Reconciliation of the opening and closing number of shares
- Section 7 'Statement of Cash Flows' Presentation of a Statement of Cash Flow and related notes and disclosures
- Section 11 'Basic Financial Instruments' & Section 12 'Other Financial Instrument Issues' —
  Carrying amounts, interest income/expense and net gains/losses for each category of financial
  instrument, basis of determining fair values, details of collateral, loan defaults or breaches, details
  of hedges, hedging fair value changes recognised in profit or loss and in other comprehensive
  income
- Section 33 'Related Party Disclosures' Compensation for key management personnel

The financial statements of the Company are consolidated in the financial statements David Wood Baking UK Limited. The consolidated financial statements of David Wood Baking UK Limited are available from its registered office, 1 Calverley Road, Oulton, Leeds, LS26 8JD.

# NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE PERIOD ENDED 5 DECEMBER 2015

#### 1 Accounting policies (Continued)

#### Going concern

The accounts have been prepared on a going concern basis. The directors have considered how the company will meet the challenges presented by the current economic climate and have carried out a detailed review of the company's resources including the adequacy of working capital for the next twelve months. At the year end the company had net current liabilities of £4,585,451 (March 2015 - £4,925,465). However, the company has significant cash reserves at the year end and having reviewed the cash flow forecasts for the next 12 months and having considered the borrowing facilities the company has in place at the date of approval of the financial statements, the directors are satisfied that the company will have sufficient resources to meet all liabilities as they fall due in the 12 months from approval of these financial statements.

#### Turnover

Turnover is recognised at the fair value of the consideration received or receivable for goods and services provided in the normal course of business, and is shown net of VAT and other sales related taxes. The fair value of consideration takes into account trade discounts, settlement discounts and volume rebates.

When cash inflows are deferred and represent a financing arrangement, the fair value of the consideration is the present value of the future receipts. The difference between the fair value of the consideration and the nominal amount received is recognised as interest income.

#### Other Income

Interest Income

Interest income is accrued on a time-apportioned basis, by reference to the principal outstanding at the effective interest rate

#### Grant Income

Government grants relating to turnover are recognised as income over the periods when the related costs are incurred. Grants relating to an asset are recognised in income systematically over the asset's expected useful life. Grant income is recognised within other operating income.

#### Intangible fixed assets - goodwill

Goodwill represents the excess of the cost of acquisition of unincorporated businesses over the fair value of net assets acquired. It is initially recognised as an asset at cost and is subsequently measured at cost less accumulated amortisation and accumulated impairment losses. Goodwill shall be considered to have a finite useful life, and shall be amortised on a systematic basis over its life. If an entity is unable to make a reliable estimate of the useful life of goodwill, the life shall not exceed five years.

For the purposes of impairment testing, goodwill is allocated to the cash-generating units expected to benefit from the acquisition. Cash-generating units to which goodwill has been allocated are tested for impairment at least annually, or more frequently when there is an indication that the unit may be impaired if the recoverable amount of the cash-generating unit is less than the carrying amount of the unit, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro-rata on the basis of the carrying amount of each asset in the unit. An impairment loss recognised for goodwill is subsequently reversed if, and only if, the reasons for the impairment loss have ceased to apply

Negative goodwill arises when the cost of a business combination is less that the fair value of the identifiable assets, liabilities and contingent liabilities acquired. The amount up to the fair value of the non-monetary assets acquired is credited to profit or loss in the period in which those non-monetary assets are recovered. Negative goodwill in excess of the fair values of the non-monetary assets acquired is credited to profit or loss in the periods expected to benefit, which the directors consider to be 40 months.

# NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE PERIOD ENDED 5 DECEMBER 2015

#### 1 Accounting policies (Continued)

#### Intangible fixed assets other than goodwill

Intangible assets acquired separately from a business are recognised at cost and are subsequently measured at cost less accumulated amortisation and accumulated impairment losses. Intangible assets acquired on business combinations are recognised separately from goodwill at the acquisition date if the fair value can be measured reliably.

Amortisation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases

**Patents** 

20% on cost

Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases

Land and buildings Freehold

2% on cost

Land and buildings Leasehold

Over the length of the lease or 10% on cost

Plant and machinery

10 - 50% on cost

Fixtures, fittings and equipment

10% on cost

Motor vehicles

25% on cost

The gain or loss ansing on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is credited or charged to profit or loss

#### Impairment of fixed assets

At each reporting end date, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss, unless the relevant asset is carned at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Recognised impairment losses are reversed if, and only if, the reasons for the impairment loss have ceased to apply. Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) prior years. A reversal of an impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried in at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

# NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE PERIOD ENDED 5 DECEMBER 2015

#### 1 Accounting policies (Continued)

#### Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition.

Stocks held for distribution at no or nominal consideration are measured at cost, adjusted where applicable for any loss of service potential

At each reporting date, an assessment is made for impairment. Any excess of the carrying amount of stocks over its estimated selling price less costs to complete and sell is recognised as an impairment loss in profit or loss. Reversals of impairment losses are also recognised in profit or loss.

#### Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

#### Financial assets

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments

Financial instruments are recognised when the company becomes party to the contractual provisions of the instrument

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously

#### Loans and receivables

Trade debtors, loans and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as 'loans and receivables'. Loans and receivables are measured at amortised cost using the effective interest method, less any impairment

Interest is recognised by applying the effective interest rate, except for short-term receivables when the recognition of interest would be immaterial. The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating the interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the debt instrument to the net carrying amount on initial recognition.

#### Impairment of financial assets

Financial assets, other than those held at fair value through profit or loss, are assessed for indicators of impairment at each reporting end date

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected if an asset is impaired the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

#### NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE PERIOD ENDED 5 DECEMBER 2015

#### 1 Accounting policies (Continued)

#### Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when it transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party

#### Financial liabilities

Basic financial liabilities, including trade and other payables, bank loans, loans from fellow group companies and preference shares that are classified as debt, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method

#### Other financial liabilities

Derivatives, including interest rate swaps and forward foreign exchange contracts, are not basic financial instruments. Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value. Changes in the fair value of derivatives are recognised in profit or loss in finance costs or finance income as appropriate, unless hedge accounting is applied and the hedge is a cash flow hedge.

#### Derecognition of financial liabilities

Financial liabilities are derecognised when, and only when, the company's contractual obligations are discharged, cancelled, or they expire

#### **Equity instruments**

Equity instruments issued by the company are recorded at the proceeds received, net of direct issue costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the company.

#### **Taxation**

The tax expense represents the sum of the current tax expense and deferred tax expense. Current tax assets are recognised when tax paid exceeds the tax payable.

Current and deferred tax is charged or credited to the profit or loss, except when it relates to items charged or credited to other comprehensive income or equity, when the tax follows the transaction or event it relates to and is also charged or credited to other comprehensive income, or equity

Current tax assets and current tax liabilities and deferred tax assets and deferred tax liabilities are offset, if and only if, there is a legally enforceable right to set off the amounts and the entity intends either to settle on the net basis or to realise the asset and settle the liability simultaneously

Current tax is based on taxable profit for the year. Taxable profit differs from total comprehensive income because it excludes items of income or expense that are taxable or deductible in other periods. Current tax assets and liabilities are measured using tax rates that have been enacted or substantively enacted by the reporting period.

# NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE PERIOD ENDED 5 DECEMBER 2015

#### 1 Accounting policies (Continued)

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

#### **Employee benefits**

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock or fixed assets

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received

Termination benefits are recognised immediately as an expense when the company is demonstrably committed to terminate the employment of an employee or to provide termination benefits

#### Retirement benefits

For defined contribution schemes the amount charged to profit or loss is the contributions payable in the year. Differences between contributions payable in the year and contributions actually paid are shown as either accruals or prepayments.

#### Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessees. All other leases are classified as operating leases

Assets held under finance leases are recognised as assets at the lower of the assets fair value at the date of inception and the present value of the minimum lease payments. The related liability is included in the statement of financial position as a finance lease obligation. Lease payments are treated as consisting of capital and interest elements. The interest is charged to the income statement so as to produce a constant periodic rate of interest on the remaining balance of the liability.

Rentals payable under operating leases, including any lease incentives received, are charged to income on a straight line basis over the term of the relevant lease except where another more systematic basis is more representative of the time pattern in which economic benefits from the lease asset are consumed

#### **Government grants**

Government grants are recognised at the fair value of the asset received or receivable when there is reasonable assurance that the grant conditions will be met and the grants will be received

Government grants relating to tumover are recognised as income over the periods when the related costs are incurred. Grants relating to an asset are recognised in income systematically over the asset's expected useful life. If part of such a grant is deferred it is recognised as deferred income rather than being deducted from the asset's carrying amount.

#### **Dividends**

Dividends are recognised as liabilities once they are no longer at the discretion of the Company

# NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE PERIOD ENDED 5 DECEMBER 2015

#### 1 Accounting policies (Continued)

#### Research and Development

Development expenditure is carried forward when its future recoverability can be foreseen with reasonable assurance and is amortised in line with sales from the related product. All research and development costs are written off as incurred.

#### 2 Judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical expenence and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

#### Key sources of estimation uncertainty

The estimates and assumptions which have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities are as follows

#### Dilapidation Provision

The dilapidation provision has been estimated based upon consultations with an industry expert to reach the best estimate of the amounts payable. This takes into consideration the experience of that expert and present industry trends.

#### 3 Turnover

| An analysis of the company's turnover is as follows             | Period ended<br>5 December<br>2015<br>£ | Year ended<br>28 March<br>2015<br>£ |

| Amortisation and impairment          |                      |         |             |
| At 29 March 2015                     | (329,425)            | 5,000   | (324,425)   |
| Amortisation charged for the period  | (292,822)            |         | (292,822)   |
| At 5 December 2015                   | (622,247)            | 5,000   | (617,247)   |
| Carrying amount                      |                      |         |             |
| At 05 December 2015                  | (841,863)            | -       | (841,863)   |
|                                      |                      |         |             |
| At 28 March 2015                     | (1,134,685)          | -       | (1,134,685) |
|                                      |                      |         |             |

Negative goodwill arose on the acquisition in July 2014 of the trade and assets at the Flint site at a discount. These assets were restated to fair value as part of the accounting for a business combination. Amortisation is released in line with the annual depreciation charge on these revalued assets.

# NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE PERIOD ENDED 5 DECEMBER 2015

#### 21 Deferred taxation (Continued)

| 2015<br>£ |
|-----------|
| 311,326   |
| (8,946)   |
| 302,380   |
|           |

The deferred tax liability set out above is expected to reverse in line with movements in negative goodwill and relates to uplifts in values of the property arising on accounting for a business combination

#### 22 Government grants

Government grants relate to grants from the respective councils in relation to the Bolton and Dudley sites. When these sites were purchased the government allowed grants against capital spend. The main conditions attached to the grants were that the money be spent on capital items and the headcount at the sites largely maintained. The grants are being released against the equipment that they relate to over the expected useful life of the assets.

The balance brought forward was £429,370 with £49,099 being released to the profit and loss during the period, resulting in a balance to be carried forward of £380,271

#### 23 Retirement benefit schemes

#### **Defined contribution schemes**

The company operates a defined contribution pension scheme for all qualifying employees. The assets of the scheme are held separately from those of the company in an independently administered fund

The charge to profit or loss in respect of defined contribution schemes was £198,435 (March 2015 - £132,083)

Creditors includes amounts of £18,893 (March 2015 - £34,672) in respect of outstanding pension contributions

#### Notes to reconciliations on adoption of FRS 102

#### a) Deferred tax provision on fair value uplifts

During the year ended 28 March 2015 the company acquired the trade and assets of the Flint site at a discount. The assets acquired were restated to fair value, resulting in a negative goodwill balance of £1.785.500.

As a result of the transition to FRS 102, deferred tax has been provided on the uplift in values of the property arising on accounting for a business combination. This has resulted in a deferred tax liability of £321,390 being recognised in July 2014, the date of the acquisition, which has reduced the negative goodwill balance recognised by this amount.

At 28 March 2015, £10,064 of this deferred tax liability has been released, resulting in a corresponding increase in profit

#### b) Change in amortisation rate of negative goodwil

In addition to the deferred tax adjustment impacting the negative goodwill balance, the directors have also deemed it appropriate to amend the estimated useful economic life of the negative goodwill from the original 48 months down to 40 months

This change in estimation, along with the reduction in the negative goodwill recognised due to the deferred tax impact, has decreased the amount of negative goodwill released in the year ended 28 March 2015 from £334,687 to £329,425, resulting in a £5,262 decrease to profit
