- (c) the Chargor shall commence to be wound up voluntarily,

the Company shall be at liberty to continue to retain such Security or any part (including any documents aforesaid) for and during such further period as the Company in its absolute discretion may determine, in which event such Security shall be deemed to have continued at all times to have been held by the Company as security for the payment and discharge of the Indebtedness or any sums which shall or may become due and owing to the Company either by virtue of the provisions hereof or as a consequence of any order made under or by virtue of sections 238 to 243 (inclusive) Insolvency Act 1986.

19 Further Assurance

19.1 The Chargor shall promptly do all such acts and execute all such documents (including assignments, transfers, mortgages, charges, notices and instructions) as the Company may specify (and in such form as the Company may require) in favour of the Company or its nominee(s):
