Strategic Report

for the Year Ended 30 November 2017

The directors present their strategic report for the year ended 30 November 2017.

REVIEW OF BUSINESS

Having received FCA approval in 2016 the Company continues to develop the main business as a provider of guarantor loans. Due to increased competition in this sector, the company has started to develop new products and expand its marketing approach in order to gain access to new markets which it hopes will increase market share over the next few years.

During the year turnover decreased by 2.5% to £6.5m (2016 - £6.7m) and the net profit after tax has reduced to £77K (2016 - £476K). The Company is working on possible capital raising and refinancing some of its existing debt to improve margins over the coming year and also continues to improve internal efficiency with a resultant reduction in operational costs.

In November 2017 £350K of investor funds were converted into subordinated loans. An additional £100K cash injection of a further subordinated loan is expected before November 2018.

In May 2018 the funder Machlin Oracle Credit Opportunity Fund Ltd lending term expired and £6.5m was repayable in full. A new £5m facility has been provided by Solaris Bank AG which is repayable in more than I year.

Both of these will in turn improve the company's net current asset value and long term funding for the foreseeable future.

PRINCIPAL RISKS AND UNCERTAINTIES

During the year the directors reviewed the key risks to the business that could result in the company not meeting its business objectives and targets and agreed that the key risks were as follows:

- * Regulatory
- * Loss of funding
- * Loss of systems/IT
- * Loss of key staff

Accordingly, to the extent possible, the directors have ensured that adequate systems, controls, disaster recovery and insurance cover are in place to mitigate these risks.

ON BEHALF OF THE BOARD:

Mr R A J Smoker - Director

24 August 2018

Report of the Directors

for the Year Ended 30 November 2017

The directors present their report with the financial statements of the company for the year ended 30 November 2017.

PRINCIPAL ACTIVITY

The principal activity of the company in the year under review was that of small loan finance provider.

DIVIDENDS

No dividends will be distributed for the year ended 30 November 2017.

FUTURE DEVELOPMENTS

The company strategy remains to continue to grow the business in the Guarantor loan market and to develop products for our customers with similar characteristics that meet their needs and are suitable. We will continue to provide secured and bridging finance on a non-advised basis as part of the loan product offering.

The company always seeks to be a responsible lender to our customers on reasonable and transparent terms as an alternative for those who cannot access finance from the mainstream funders in the UK. We will continue to strive to meet the aims and objectives of the both the shareholders and the regulator and to treat our customers fairly.

DIRECTORS

The directors shown below have held office during the whole of the period from 1 December 2016 to the date of this report.

Mr P J Auger

Mr R Narwal

Mr H P Snell

Mr M P Graham

Mr R A J Smoker

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Strategic Report, the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

Report of the Directors for the Year Ended 30 November 2017

AUDITORS

The auditors, Brooms Professional Services Limited t/a BPSL, are deemed to be reappointed under section 487(2) of the Companies Act 2006.

ON BEHALF OF THE BOARD:

Mr R A J Smoker - Director

24 August 2018

Report of the Independent Auditors to the Members of TFS Loans Limited

Opinion

We have audited the financial statements of T F S Loans Limited (the 'company') for the year ended 30 November 2017 which comprise the Income Statement, Other Comprehensive Income, Balance Sheet, Statement of Changes in Equity, Cash Flow Statement and Notes to the Cash Flow Statement, Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 November 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Without qualifying our opinion, we draw attention to the balance sheet on page nine, which shows the companies current liabilities exceeded it's current assets (current assets less amounts falling due after more than one year) by £2,799,833. The ability of the company to continue in operational existence is dependant on the continued support of the Company's creditors, without which the Company may not be able to continue as a going concern.

Other information

The directors are responsible for the other information. The other information comprises the information in the Strategic Report and the Report of the Directors, but does not include the financial statements and our Report of the Auditors thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Report of the Directors have been prepared in accordance with applicable legal requirements.

Report of the Independent Auditors to the Members of T F S Loans Limited

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Report of the Directors.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the Statement of Directors' Responsibilities set out on page three, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the Financial Statements for the Year Ended 30 November 2017

1. STATUTORY INFORMATION

T F S Loans Limited is a private company, limited by shares, registered in England and Walcs. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Turnover

Turnover comprises interest income earned by the company using an effective interest rate basis over the period of the loan adjusted for the impact of customers repaying early. Late payment charges and other fees are recognised at the time the charges are made to the customers.

Negative goodwill

Negative goodwill arising on the difference between the cost of the acquired assets and their fair value at the balance sheet date is being amortised over its estimated useful economic life of three years on a straight-line basis.

Intangible assets

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings

- 20% on cost

Computer equipment

20% on cost

Investments in subsidiaries

Investments in subsidiary undertakings are recognised at cost.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

Page 13 continued...

Notes to the Financial Statements - continued for the Year Ended 30 November 2017

2. **ACCOUNTING POLICIES - continued**

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

Customer receivables provision

The directors assess whether the customer receivables have been impaired at the balance sheet date. The loans are deemed to be impaired when contractual monthly payments have not been paid at the contractual date, with a risk factor attributed to each loan.

18. ULTIMATE PARENT COMPANY

The Finance Store Limited is regarded by the directors as being the company's ultimate parent company.

19. RELATED PARTY DISCLOSURES

At 30th November 2017, £100,000 was owed to the company by The Finance Store Limited (2016 - £146,332 owed by the company) (its ultimate parent company), as a result of keeping working capital in the parent company. It has been decided to write off the credit amount of the inter company balance with The Finance Store Ltd in the sum of £290,068, which was created as a result of working capital provided by The Finance Store Ltd.

Notes to the Financial Statements - continued for the Year Ended 30 November 2017

20. EXEMPTION FROM REQUIREMENT TO PREPARE GROUP ACCOUNTS

The company is exempt from the requirement to prepare group accounts because it is a wholly-owned subsidiary of The Finance Store Limited which itself prepares and delivers group accounts.
