REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 DECEMBER 2018

The directors present their annual report and the financial statements of the Company for the year ended 31 December 2018.

1. BUSINESS REVIEW

The principal activity of the Company is that of a holding Company. The Company is a joint operation established between BNP Paribas Lease Group Plc (50.1%) and JCB Financial Solutions UK Limited (49.9%).

The Company controls two directly held subsidiaries, one in the UK and one in France. The French subsidiary has three branches operating in Germany. Italy and Spain.

The Company reported a profit after tax for the year of £3,343k (2017; £3,672k) as shown in the statement of comprehensive income. The results for the year are considered satisfactory.

Key performance indicators are not considered necessary for an understanding of the development, performance or position of the business of the Company.

There are limited risks and uncertainties faced by the Company which are associated with its activities since all costs incurred are on behalf of related parties and are reimbursed by those related companies.

Further details regarding risk can be found in note 16.

2. DIRECTORS AND THEIR INTERESTS

The directors of the Company who served during the year, and up to the date of signing the financial statements, were as follows:

- D Brown
- D. Delestre Resigned 8th February 2019
- D. Dolbear
- D. Ghislandi
- C. Murat
- J. Rawlings
- R. Gendreau Appointed 8th February 2019

No director of the Company has at any time had any interest in the shares of the Company.

3. DIVIDENDS

A dividend of £3,998k was paid in the year. No dividends were paid in the year 2017.

4. STRATEGIC REPORT

In accordance with Section 414B Companies Act 2006, Strategic report; small companies exemption, no strategic report has been presented.

5. DIRECTORS' AND OFFICERS' LIABILITY INSURANCE

During the year, the Company maintained Directors and Officers Liability insurance.

REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 DECEMBER 2018 (continued)

6. AUDITORS

Mazars LLP will continue to hold office in accordance with Section 487 of the Companies Act 2006.

7. GOING CONCERN

The directors have a reasonable expectation that the Company have adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis in preparing the financial statements.

8. DISCLOSURE OF INFORMATION TO THE AUDITOR

Each Director confirms that:

- (a) so far as they are aware, there is no relevant audit information of which the Company's auditors are unaware; and
- (b) they have taken all the steps they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

9. THE IMPACT OF BRENIT

The directors have evaluated Brexit on the most prudent basis i.e. a withdraw from the European Union with no deal and concluded that the impact on the business is not material.

10. STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with International Financial Reporting Standards ("IFRS") as adopted by the European Union and applicable law. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- · make judgements and accounting estimates that are reasonable and prudent;
- state whether IFRS as adopted by the European Union have been followed subject to any material departures disclosed and explained in the financial statements;
- provide additional disclosures when compliance with specific requirements in IFRS is insufficient to
 enable users to understand the impact of particular transactions, other events and conditions on the entity's
 financial position and financial performance;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

TCTTINANCE HOLDINGS FINITED

REPORT OF THE DURECTORS FOR THE YEAR ENDED MEDICEMBER 2019 (conduined)

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and couble them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of flund and other irregularities.

Approved by the Board of Directors on 5th June 2019 and signed on its behalf by:

Director

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF JCB FINANCE HOLDINGS LIMITED

Opinion

We have audited the financial statements of JCB Holdings Limited (the "company") for the year ended 31 December 2018 which comprise the Statement of Comprehensive Income, the Statement of Financial Position, the Statement of Changes in Equity, the Statement of Cash flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards (IFRS) as adopted by the European Union.

In our opinion, the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2018 and of its profit for the year then ended:
- have been properly prepared in accordance with IFRS's as adopted by the European Union; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

The impact of uncertainties due to Britain exiting the European Union on our audit

The Directors' view on the impact of Brexit is disclosed on page 4.

The terms on which the United Kingdom may withdraw from the European Union are not clear, and it is therefore not currently possible to evaluate all the potential implications to the Company's trade, customers, suppliers and the wider economy. We considered the impact of Brexit on the Company as part of our audit procedures, applying a standard firm wide approach in response to the uncertainty associated with the company's future prospects and performance. However, no audit should be expected to predict the unknowable factors or all possible implications for the Company and this is particularly the case in relation to Brexit.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast
 significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a
 period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The directors are responsible for the other information. The other information comprises the information included in the directors report and financial statements other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on the other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in Directors' Report for the financial year for which the financial statements are prepared
 is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- · the financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of directors' remuneration specified by law are not made; or
- · we have not received all the information and explanations we require for our audit.
- the directors were not entitled to take advantage of the small companies' exemption in preparing the Directors' Report and from the requirement to prepare a Strategic Report.

Responsibilities of Directors

As explained more fully in the directors' responsibilities statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of the audit report

This report is made solely to the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2018

GENERAL INFORMATION

JCB Finance Holdings Limited (the Company) is a company incorporated in the United Kingdom under the Companies Act. The address of the registered office is on page 5. The nature of the Company's operations and its principal activities are that of a holding company. The Company is a joint operation established between BNP Paribas Lease Group Plc (50.1%) and JCB Financial Solutions UK Limited (49.9%).

These financial statements are presented in pounds sterling because that is the currency of the primary economic environment in which the Company operates. The Company controls two directly held subsidiaries, one in the UK and one in France, and in addition, has three branches operating in Germany. Italy and Spain.

These separate financial statements contain information about the Company, as an individual company, and do not contain consolidated financial information as the parent of a group. The Company has taken advantage of the exemption under IAS 27 'Consolidated and Separate Financial Statements' from the requirement to prepare consolidated financial statements as it and its subsidiaries are included by full consolidation in the consolidated financial statements of its ultimate parent company BNP Paribas SA, who prepares consolidated financial statements in accordance with IFRS, which are made available to the public, as stated in note 19.

1. ACCOUNTING POLICIES

Basis of Preparation of Financial Statements

These financial statements have been prepared under the historical cost convention and in accordance with International Financial Reporting Standards as adopted by the European Union (IFRS) and the Companies Act 2006 as applicable to companies reporting under IFRS.

The Company's management has made an assessment of its ability to continue as a going concern and is satisfied that it has the resources to continue in business for the foresecable future. Management are not aware of any material uncertainties that may cast significant doubt on the Company's ability to continue as a going concern. The financial statements have therefore been prepared on a going concern basis.

Significant Accounting Policies

The accounting policies set out below have been applied consistently to all periods presented in the financial

Financial Assets - Loans and Receivables

Loans and receivables are financial assets with fixed or determinable payments that are not quoted in an active market. Loans and receivables are initially recognised at fair value, plus directly attributable transaction costs, and subsequently measured at amortised cost using the effective interest rate method, less any impairment losses.

For 2017 Impairment was measured by identifying indicators of impairment that had occurred at the balance sheet date and assessing the recoverability of the asset.

For 2018 The Impairment of loans and receivables is now accounted for under IFRS 9 'Financial Instruments' Loans and receivables comprise loans due from customers, loans due from Group Undertakings, other receivables and cash and cash equivalents. Financial assets are managed within the business model whose objective is to hold financial assets in order to collect cash flows through the collection of contractual payments over the life of the instrument.

Cash. Cash Equivalents and Financing

Cash and cash equivalents comprise cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less. Where applicable, bank overdrafts are included within borrowings in current liabilities of the Statement of Financial Position. The company is financed through intercompany funding.

JCB FINANCE HOLDINGS LIMITED

COMPANY NUMBER: 06545359

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2018 (continued)

1. ACCOUNTING POLICIES (continued)

Investments

For 2017 Investments in subsidiaries were valued at cost less provision for impairment of permanent diminution in value. At each balance sheet date the company reviewed the carrying amounts of its investments to determine whether there was any indication that those investments have suffered an impairment loss. If such indication exists, the recoverable amount of the investment is estimated based on its asset value and value in use. Where the recoverable amount of the investment is less than the carrying value an impairment loss was recognised as an expense.

For 2018 The company made an irrevocable election for the non-traded consolidated equity instruments to be held at fair value through the other comprehensive income. Dividends will continue to be recognised in the profit and loss but gains and losses are not reclassified to the profit and loss upon derecognition and impairment is not recognised in the income statement.

Dividend Income

Dividend Income from investments in subsidiaries are recognised when the companies right to receive payment is established.

Financial Liabilities and Equity

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities.

Financial liabilities measured at amortised cost comprise amounts due to Group Undertakings and other payables.

Dividends Paid

Dividends are recognised when they become legally payable, this is when declared by the directors.

Taxation

The charge for taxation is based on the profit for the year and takes into account deferred taxation. The liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the reporting date. Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. The tax rates used in the determination of deferred income tax are the rates which are expected to apply when the asset is realised or the liability settled, based on the tax rates that have been substantially enacted at the reporting date of that period. They are not discounted.

Deferred tax assets are recognised to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilised.

Group Undertakings

The immediate parent company is BNP Paribas Lease Group Plc, which is incorporated in England and Wales and owns 50.1% of the share capital. The ultimate parent Company is BNP Paribas SA, which is registered in France.

different economic scenarios and their weighting.

Foreign currency at loreign currencies are translated to the Company's functional currency at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are retranslated to the functional currency at the foreign exchange rate ruling at that date. Foreign exchange rate ruling at that date.

<u>Critical Accounting Estimates and Judgements</u>
The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of assets, habilities, income and expenses. Due to the inherent uncertainty in making estimates, actual results reported in future periods may be based upon amounts which differ from those estimates. Estimates, judgements and assumptions are continually evaluated and are based on historical experience and other factoris, including experiations of future events that are believed to be reasonable under the circumstances, factors, including expectations of future events that are believed to be reasonable under the circumstances.

This applies to:

The measurement of expected credit losses. This applies in particular to the assessment of significant increase in credit risk, the models and assumptions used to measure expected credit losses, the determination of the

The calculation of the fair value of investment, in particular the assumption that the net assets represent the fair value.

AOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR EXDED 31 DECEMBER 2018 (continued)

L ACCOUNTING POLICIES (continued)

Standards, amendments and interpretations adopted during the year

During the year, the following new standards, amendments and interpretations have become effective:

Annual Improvements to IFRS (2014 - 2016) - Effective for accounting periods beginning on or after 1 January

9107

IFRIC 22 Foreign Currency Transactions and Advance Consideration - Effective date 1 January 2018

BERS 15 'Revenue from Contracts with Customers' - Effective date 1 January 2018

The standard replaces IAS 11 'Construction Contracts', IAS 18 'Revenue' and related interpretations on revenue recognition. It sets out the principles for reporting information about the nature, amount, timing and uncertainty of revenue and eash flows arising from a company's contract with a customer and presents a five step approach to the recognition of revenue.

None of these new standards, amendments or interpretations above had a material impact on these financial statements in the year.

IFRS 9 Financial Instruments" - Effective date 1 January 2018

The standard replaces IAS 39 'Financial Instruments: Recognition and Measurement', containing revised requirements in relation to classification and measurement of financial assets and liabilities, impairment of financial assets and ledge accounting. The Impact of which is disclosed within notes 12 and 16.

Standards, amendments and interpretations in issue, but not vet effective

At the date of authorisation of these linancial statements the following standards, amendments and interpretations were in issue but not yet effective. These standards, amendments, and interpretations have not been adopted early and have not been applied to these linancial statements.

Amendments to IAS 19 Employee Benefits: Plan Amendment, Curtailment or Settlement - Effective 1 January

2019, not yet endorsed by the EU

Amendments to IAS 28 Investments in Associates and Joint Ventures: Long-term interests in Associates and Joint Ventures - Effective 1 Journal 2019 on vot endorsed by the EU

Ventures - Effective 1 January 2019, not yet endorsed by the EU

Improvements to FFRSs 2015 - 2017 cycle: Minor amendments to standards and interpretations- Effective 1 January

Conceptual Framework (Revised) and amendments to related references in IFRS Standards - Effective I January

2020, not yet endorsed by the E.U.

Amendments to LAS 1 Presentation of Financial Statements and LAS 8 Accounting Policies, Changes in Accounting Estimates and Errors: Definition of Material - Effective 1 January 2020, not yet endorsed by the EU

Amendment to IFBS 3 Business Combinations: Definition of a Business - Effective 1 January 2020, not yet endorsed by the EU

IFRIC 23 - Uncertainty over Income Tax Treatments - Effective 1 January 2019

Amendments to IFRS 9 Financial Instruments - Effective 1 January 2019

The Amendment enables companies to apply amorfised cost measurement to certain financial assets with negative compensation which are capable of prepayment.

IFRS 16 Theases' - Effective date 1 January 2019. The standard replaces as either an operating lease or finance lease for lessees and introduces a single lessee accounting model.

The adoption of these standards, amendments and interpretations in future years are not expected to have a material

impact on the Company's financial statements.

Transactions with key management personnel

The directors are considered to be key management personnel. No remuneration has been paid to the directors of the Company in the current or prior year.

15. CAPITAL COMMITMENTS AND CONTINGENCIES

There were no capital commitments and contingencies at 31 December 2018 (2017; Nil).

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2018 (continued)

16. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT OBJECTIVES AND POLICIES

Financial risk management

Verview

The Company has exposure to the following risks from its use of financial instruments:

- Credit risk
- Interest rate risk
- Foreign currency risk

This note presents information about the Company's exposure to each of the above risks, the Company's objectives, policies and processes for measuring and managing risk, and the Company's management of capital.

Risk management framework

The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risk and adherence to limits.

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations.

The Company's maximum exposure to credit risk is the carrying value of the financial assets held at the reporting date £11.104.000 (2017 £11.752.000)

The company has assessed this maximum exposure to credit risk at the reporting date and determined that since this arises principally from the Companies receivables from within the BNP Parthas Group, the assets held at the reporting date are stage I with a low probability of default as a result further analysis is not disclosed as it is not material.

Adoption of IFRS 9

The impairment model for credit risk is based on expected losses, the calculation of which is conducted in two steps:

First the company places facilities in one of three 'stages' to determine the scope of application.

- 'Stage I' (Performing) where, at the reporting date, the credit risk represented by the facility has not increased significantly since its origination
- Stage 2: (Underperforming) where, at the reporting date, the credit risk represented by the facility has deteriorated significantly but the facility is not credit impaired.
- "Stage 3" (Credit Impaired) where, at the reporting date, there are confirmed losses.

Secondly, the Expected Credit Loss (ECL) is calculated. The ECL is determined by projecting the probability of default (PD), Exposure at default (EAD) and Loss Given Default (LGD) for each future month and for each collective segment.

For "Stage 1" a one year ECL is calculated and for "Stage 2" a lifetime ECL is calculated. Facilities in "Stage 3" are covered by specific provisions which correspond to lifetime EL.

This general model is applied to all instruments within the scope of IFRS 9 impairment

18 EVIR AVI'GE OF FINANCIAL INSTRUMENTS

The fair value of a financial instrument is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction.

For all financial assets and liabilities the carrying value approximates to the fair value due to their short term nature.
