# REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST DECEMBER 2021

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st December 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102), (effective I January 2021).

### **OBJECTIVES AND ACTIVITIES**

#### Objectives and aims

The main aim of the Church is to bring the world to the saving knowledge of Christ. The church seeks to achieve its aim by pursuing the following objectives

- -To advance the Christian faith, the Word of God and the full gospel of our Lord Jesus Christ in accordance with the Tenets of Faith in such ways and in such parts of the United Kingdom or the world as the trustees may, from time to time, deem fit.
- -To relieve sickness and financial hardship and to promote and preserve good health by the provision of funds, goods and services of any kind, including the provision of pastoral support and counselling in such parts of the United Kingdom or the world as the trustees deem fit; and
- -To advance education in such ways and in such parts of the United Kingdom or the world as the trustees deem fit. The trustees continue to pay due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

#### Public benefit

The trustees of The Church of Pentecost-UK had due regard to the public benefit guidance published by the Charity Commission in compliance with their duties under section 17 of the Charities Act 2011 and The Charities Accounts (Scotland) Regulation 2006 (As Amended). This guidance sets out two key principles:

- 1. The organisation must have an identifiable benefit.
- 2. The benefit must be to the public or a section of the public.

The operations of the church during the period under review increased awareness of God's presence in various towns and cities in the United Kingdom, helped people to learn and grow as Christians through sermons and Bible Study sessions, alleviated poverty and supported the provision of religious education.

In addition, the Church organised Youth and Kids' Clubs during school breaks to help children and young people in various communities with their academic work and equipped them with life skills and general knowledge. The Church demonstrated the love of God by visiting the sick and making donations to homes for the elderly. The Church's place of worship in Manchester was used by a Nursery School to provide nursery education for children in the local community. The Ministers of the Church run counselling sessions that are accessible to any member of the local community.

The Trustees have read the Charity Commission guidance on public benefit, and are satisfied that the activities outlined above clearly demonstrate that the charity is providing a benefit to the public

#### Volunteers

The Church makes extensive use of volunteers including Elders, Deacons, Deaconesses, and other lay members in the performance of its activities. Their sacrificial giving and selfless devotion to the work of the Church is greatly appreciated by the Trustees of the Church.

#### Legal structure of the charity

#### Recruitment and appointment of new trustees

The trustees are drawn from a pool of experienced ministers and officers who are well versed in the operations of the church. However, every effort is made by the church to brief the trustees of their legal responsibilities on a regular basis.

#### Charity structure and hierarchy

The Charity is decentralised into four administrative areas - London North Area, London South Area, Milton Keynes Area and Manchester Area. The four administrative areas oversee the operations of 27 Pastoral Districts.

To ensure active participation of members in the operations of the church, the charity has established four levels of governance to reflect the decentralised nature of its operations. These are; the National Council, Area Council, District Presbytery and the Local Presbytery. The role and composition of the various bodies are explained below:

### The National Council

The National Council is the highest decision-making body of the church. It normally meets once a year in February. In accordance with the governing document of the church, the trustees report to the National Presbytery Council on the progress and operations of the church. Issues of major importance are submitted to the National Council meeting by the Trustees for guidance. The National Council consists of the Trustees, Ministers of the Church, Ministers' Wives, Area and District Executives, Area Ministries' Leaders, Presiding Elders, National Ministries' Leaders and their Deputies, two Deacons and three deaconesses from each District, Chairmen of National Boards and Committees, and all the members of the National Finance Board.

The ministerial group of the Trustee Board is made up of the heads of the Administrative Areas (the four Area Heads), the National Head and one Minister's representative, who is elected by the members of the National Council. Elected trustees serve the Charity for four (4) years but are eligible for re-election.

The Trustee Board / National Executive Council reports to the National Council and are subject to decisions made by the National Council, the highest decision-making body. The Church of Pentecost-UK is part of the Church of Pentecost International. While decisions relating to the operations of the church are made by the trustees in the UK, the Chairman of the Board of Trustees (National Head) is appointed by the International Executive Council of the Church of Pentecost International.

#### The Area Council

The Area Council is the highest policy implementation body in the Area. It receives and ratifies reports submitted to it by the various parts of the church operating in the Area. The Area Council elects the members of the Area Executive Committee, a body responsible for the running of the church in the Area. The Area Council consists of the Area Head, Ministers of the Church in the Administrative Area, Ministers' Wives in the Area, Area and District Executives, Area Ministries' Leaders, Presiding Elders, two Deacons and three Deaconesses from each District. # REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST DECEMBER 2021

# STRATEGIC REPORT Achievement and performance Charitable activities

The Church's main theme for the year was: "A glorious church revived to possess the nations" (Eph. 3:21;5;27). This provided a focal point for the activities of all the ministries of the church. In addition, due regard was paid to the 5-year strategy of the church, christened "Vision 2023". The central thrust of Vision 2023 is to make the presence of the church felt in every sphere of society. Initial assessment of the impact of the implementation of Vision 2023 has been largely positive. Members have become more aware of the need for the church to be actively engaged in the community.

The Gospel Sunday Services have encouraged active evangelism by the members as they consciously invite friends and family to church. In addition, the structured approach to the Bible Study Sessions has attracted a high level of interest and motivated members to practice personal devotions.

The lay leaders and members of the church have benefited from the Lay Leadership Programmes offered on behalf of the church by Birmingham Christian College.

During the year under review, Ministers, Presbyters and the entire membership endeavoured to partner with the Holy Spirit to pursue God's ultimate goal for the church-becoming a beautiful bride prepared for her Bridegroom, Jesus Christ.

In common with other churches, the lockdown prevented our churches from having physical meetings for a significant part of the year. However, the challenges presented by the lockdown did not prevent us from pursuing our God-given mandate to influence every sphere of society with values and principles of the kingdom of God.

During the year under review, the Church carried out its activities in 27 Pastoral Districts, 4 Administrative Areas and 166 local churches. A list of addresses and contacts for local churches is available from the Charity's website at: www.copuk.org.

6,385 (i.e., 30%) are between 13 and 35 years and

This includes an operating surplus of £1,452,059 from the operations of the parent charity (2020 - £1,041,241. The subsidiary also reported a surplus of £220,102 (2020 - £52,807). The Trustees have implemented robust budgetary controls and continue to monitor costs to ensure that the church remains on a sound financial footing.

Incoming Resources - the total income for the year under review was £6,978,074 (2020 - £6,009,411). This represents a 16% increase on the previous year's total incoming resources

Expenditure - the total expenditure for the year is £5,305,915 (2020 - £4,943,176). This represents an increase of 7% on the previous year's expenditure.

The trustees consider that the charity's position at the year-end is satisfactory. The charity's cash at bank remains at a level that is enough to pay its expenses as they fall due and pursue its objectives.

#### Principal funding sources

The Church raised the funds which it needs to carry on its activities from within its own membership and congregation. No wider public appeal was made for funds during the year. The Trustees are satisfied that the charity's assets attributable to each of its individual funds are available and adequate to fulfil its obligations in relation to those funds.

#### Reserves policy

The Trustees have established a Reserves Policy to enable the church to function effectively and meet its obligation in the event of a decline in our income or a major cost increase. Having considered the relevant risks of changes in income and expenditure, the Trustees have determined that the appropriate level of reserves is in the range £500,000 to £700,000. We currently hold more than this amount and the trustees will be reviewing the policy in the near future.

The group's total funds at 31 December 2021 were £17,683,474 (2020 - £16,011,315.

#### Principal funding sources

#### Principal risks and uncertainties

#### Risk Management

The trustees recognise that the scope of our operations generate considerable responsibility and take seriously the need to ensure that the reputation of the church is maintained. The Church relies heavily on the efforts of volunteers at the local level. This exposes the church to failure by volunteers to comply with laid established policies and internal controls. To ameliorate its risk, a National Internal Audit Committee checks the books and operating procedures of the districts at regular intervals.

#### Safeguarding

Safeguarding employees, volunteers and the vulnerable members of the church is an issue that we take seriously. The church has established a National Safeguarding committee to monitor and report issues that could potentially impair to protect our worshipers, employees and children.

### REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST DECEMBER 2021

#### STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of The Church of Pentecost - UK I for the purposes of company law) are responsible for preparing the Report of the trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006 and The Charities and Trustee Investment (Scotland) Act 2005 and regulations 6 and 8 of the Charities Accounts (Scotland) Regulations 2006 (As Amended). They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

#### **AUDITORS**

The auditors, Leroy Reid & Co, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Reverend Kwaku Frempong-Boadu

Trustee

#### **Opinion**

We have audited the financial statements of The Church of Pentecost - UK (the parent charitable company') for the year ended 31st December 2021 which comprise the Consolidated Statement of financial activities, the Consolidated Statement of financial position, the Consolidated Statement of cash flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31st December 2021 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and regulation 6 and 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31st December 2021 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

#### Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual report, other than the financial statements and our Report of the independent auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the trustees has been prepared in accordance with applicable legal requirements.

#### Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 and the Charities Accounts (Scotland) Regulations (as amended) requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

#### Responsibilities of trustees

As explained more fully in the Statement of trustees' responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

#### Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the independent auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

As part of an audit in accordance with ISAs (UK), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the charitable company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charitable company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Report of the independent auditors to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Report of the independent auditors. However, future events or conditions may cause the charitable company's to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, and to the charitable company's trustees, as body, in accordance with section 44(1) (c) of the Charities and Trustee Investment (Scotland) Act 2005 and regulation 10 of the Charities Accounts (Scotland) Regulations 2006 (as amended). Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

| Gain on acquisition of subsidiary BCC | <u>1,221,464</u> |

On 5 August 2020, the Church of Pentecost – UK became the sole member of Birmingham Christian College, a UK registered charity. There was no transfer of funds to acquire control of the college.

The fair value of leasehold property at acquisition date was estimated by the Trustees on the basis of a previous valuation done in 2011; and the cost of improvements done in recent years less amortisation.

The trustees were of the view that the cost of engaging a professional valuer to value the leasehold property at the acquisition date would have exceeded the benefit derived from the valuation.

The gain was made up of:
