1 Accounting policies

Basis of preparation

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

The financial statements contain information about Rogers Holdings Limited as an individual company and do not contain consolidated financial information as the parent of a group. The company has taken the option under section 398 of the Companies Act 2006 not to prepare consolidated financial statements.

Turnover

Turnover represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

Investments

Investments in subsidiary undertakings are shown at the lower of cost and recoverable amount. The Directors have considered the value of investments and are satisfied that in their opinion the recoverable amount of the investments is not less than the amount at which they are stated in the company's accounts.

Deferred taxation

Full provision is made for deferred taxation resulting from timing differences between the recognition of gains and losses in the accounts and their recognition for tax purposes. Deferred taxation is calculated on an un-discounted basis at the tax rates which are expected to apply in the periods when the timing differences will reverse.
