NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 APRIL 2010

1. Principal accounting policies

These financial statements have been prepared in accordance with applicable Accounting Standards in the United Kingdom. A summary of the more important accounting policies, which have been applied consistently, is set out below.

Basis of accounting

The financial statements are prepared in accordance with the historical cost convention.

Income and expenses

Income and expenses are recognised on an accruals basis.

Taxation

The charge for taxation is based on the profit for the period and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

Foreign currencies

Assets and liabilities in foreign currencies are translated into Sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into Sterling at the rate of exchange ruling at the date of the transaction. Exchange differences are taken into account in arriving at the operating profit.

Reporting currency

The company's principal activity relates to financial instruments denominated in Sterling and for that reason, in preparing the financial statements, the Sterling is used as the reporting currency.

Investments

The investments in subsidiaries are stated in the balance sheet at cost, less any provision for impairment.

2. Investment in subsidiary
