STRATEGIC REPORT**BUSINESS REVIEW AND PRINCIPAL ACTIVITIES**

Idem (No.3) Limited ('the Company') is a wholly owned subsidiary of Idem Capital Limited, which is a wholly owned subsidiary of Idem Capital Holdings Limited. Idem Capital Holdings Limited is a wholly owned subsidiary of The Paragon Group of Companies PLC ('the Group'). The Company was set up to provide finance for its mortgage and consumer finance loan assets, by borrowing from a fellow group company and using the proceeds to purchase mortgage and consumer loans from third parties.

During the year the Company operated in the United Kingdom, its principal activity is the provision of mortgage and consumer finance loans. During the year the Company sold its consumer finance loans to a fellow group company. There have been no significant changes in the Company's principal activities in the year under review. The directors are not aware, at the date of this report, of any likely major changes in the Company's activities in the next year.

As shown in the Company's profit and loss account on page 5, the profit after tax has decreased from £3,588,000 to £2,342,000. This was principally due to a decrease in interest receivable on the loans, as the consumer finance loans were sold during the year.

The balance sheet on page 6 of the financial statements shows the Company's financial position at the year end. Net assets have decreased as a result of the profit for the year less the interim dividend paid during the year. Details of amounts owed from and to other group companies are shown in notes 12 and 15.

The directors recommend no final dividend (2015: £nil) which, given the interim dividend of £2,500 per share (2015: £3,500 per share), means a total dividend for the year of £2,500 per share (2015: £3,500 per share).

The Group manages its operations on a centralised basis. For this reason, the Company's directors believe that further key performance indicators for the Company are not necessary or appropriate for an understanding of the development, performance or position of the business. The performance of the Group's loan assets operation, which includes the Company, is discussed in the Group's Annual Report, which does not form part of this Report.

PRINCIPAL RISKS AND UNCERTAINTIES

An analysis of the Company's exposure to risk, including financial risk, and the steps taken to mitigate these risks are set out in note 5, and a discussion of critical accounting estimates is set out in note 4.

After considering the above, the directors have a reasonable expectation that the Company will have adequate resources to continue in operational existence for the foreseeable future. This is further supported by the Group holding sufficient cash resources to support the Company's obligations as they fall due. For this reason, they continue to adopt the going concern basis in preparing the Financial Statements.

ENVIRONMENT

The Group recognises the importance of its environmental responsibilities, monitors its impact on the environment, and designs and implements policies to reduce any damage that might be caused by the Group's activities. The Company operates in accordance with group policies, which are described in the Group's Annual Report, which does not form part of this Report.

EMPLOYEES

The Company has no employees. All operational services are provided by employees of the Group. The Group's employment policies are described in its Annual Report, which does not form part of this Report.

DIRECTORS' REPORT

The directors present their annual report prepared in accordance with Schedule 7 to the Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008 and the audited Financial Statements of Idem (No.3) Limited, a company registered in England and Wales with registration no: 06595544, for the year ended 30 September 2016.

CORPORATE GOVERNANCE

The directors have been charged with governance in accordance with the transactional documentation detailing the mechanism and structure of the transaction. The structure of the Group is such that the key policies have been predetermined at the time of issuance and the operational roles have been assigned to third parties with their roles strictly governed by the transaction documents.

DIRECTORS

The directors throughout the year and subsequently were:

R D Shelton

R J Woodman

K G Allen

AUDITOR

The directors have taken all reasonable steps to make themselves and the Company's auditor, KPMG LLP, aware of any information needed in preparing the audit of the Annual Report and Financial Statements for the year, and, as far as each of the directors is aware, there is no relevant audit information of which the auditor is unaware.

No notice from members under section 488 of the Companies Act 2006 having been received, the directors intend that the auditor, KPMG LLP, shall be deemed to be reappointed in accordance with section 487(2) of the Act.

INFORMATION PRESENTED IN OTHER SECTIONS

Certain information required to be included in a directors' report by the Companies Act 2006 and regulations made there under can be found in the other sections of the Annual Report, as described below. All of the information presented in these sections is incorporated by reference into this Directors' Report and is deemed to form part of this report.

- Commentary on the likely future developments in the business of the Company is included in the Strategic Report.
- A description of the Company's financial risk management objectives and policies, and its exposure to risks arising from its use of financial instruments are set out in note 5 to the accounts.
- Disclosure on any dividends paid during the year is included in the Strategic Report.

STATEMENT OF DIRECTORS' RESPONSIBILITIES
in relation to Financial Statements

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of their profit or loss for that period.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company, for taking reasonable steps for the prevention and detection of fraud and other irregularities and for the preparation of a strategic report and directors' report which comply with the applicable requirements of the Companies Act 2006.

Approved by the Board of Directors and signed on behalf of the Board.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF IDEM (NO.3) LIMITED

We have audited the financial statements of Idem (No.3) Limited for the year ended 30 September 2016 which comprise the profit and loss account, the balance sheet, the statement of movements in equity and the related notes 1 to 16. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 Reduced Disclosure Framework.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Statement of Directors' Responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at www.frc.org.uk/auditscopeukprivate.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 September 2016 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Strategic Report and the Directors' Report for the financial year for which the Financial Statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

NOTES TO THE ACCOUNTS**YEAR ENDED 30 SEPTEMBER 2016****1. GENERAL INFORMATION**

Idem (No.3) Limited ('the Company') is a company domiciled in the United Kingdom and incorporated in England and Wales under the Companies Act 2006 with company number 06595544. The address of the registered office is 51 Homer Road, Solihull, West Midlands, B91 3QJ. The nature of the Company's operations and its principal activities are set out in the Strategic Report.

These financial statements are presented in pounds sterling, which is the currency of the economic environment in which the Company operates.

2. ACCOUNTING POLICIES

The Financial Statements have been prepared in accordance with applicable UK accounting standards. Disclosures have been made in accordance with Financial Reporting Standard 101 – 'Reduced Disclosure Framework' ('FRS 101').

As permitted by FRS 100 – 'Application of Financial Reporting Requirements' ('FRS 100') the Company has applied the measurement and recognition requirements of International Financial Reporting Standards ('IFRS') as adopted by the EU, but makes amendments where necessary in order to comply with the Companies Act 2006 and has set out below where advantage of disclosure exemptions provided by FRS 101 has been taken.

On its transition to FRS 101 the Company has applied IFRS 1 – 'First-time Adoption of IFRS' whilst ensuring its assets and liabilities are measured in compliance with FRS 101. An explanation of how the transition to FRS 101 has affected the reported financial position and performance of the Company is provided in note 3.

Accounting convention

The Financial Statements are prepared under the historical cost convention, except as required in the valuation of certain financial instruments which are carried at fair value.

Going concern

The Financial Statements have been prepared on a going concern basis. The directors have a reasonable expectation that the Company will have adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the Financial Statements.

Loans to customers

Loans to customers are considered to be 'loans and receivables' as defined by International Accounting Standard 39 – 'Financial Instruments: Recognition and Measurement' ('IAS 39'). They are therefore accounted for on the amortised cost basis.

Such loans are valued at inception as the amount at purchase price, which is the fair value at that time. Thereafter they are valued at this amount less the cumulative amortisation calculated using the Effective Interest Rate ('EIR') method. The loan balances are then reduced where necessary by a provision for balances which are considered to be impaired.

The EIR method spreads the expected net income arising from a loan over its expected life. The EIR is that rate of interest which, at inception, exactly discounts the expected future cash payments and receipts arising from the loan to the initial carrying amount.

NOTES TO THE ACCOUNTS

YEAR ENDED 30 SEPTEMBER 2016

2. ACCOUNTING POLICIES (CONTINUED)

Impairment of loans and receivables

Loans and receivables are reviewed for indications of possible impairment throughout the year and at each balance sheet date in accordance with IAS 39. Where loans exhibit objective evidence of impairment (a 'loss event') the carrying value of the loans is reduced to the net present value of their expected future cash flows, including the value of the potential realisation of any security (net of sales costs) discounted at the original EIR.

Within its buy-to-let portfolio the Group utilises a receiver of rent process, whereby the receiver stands between the landlord and tenant and will determine an appropriate strategy for dealing with any delinquency. This strategy may involve the immediate sale of any underlying security or the short or long term letting of the property to cover arrears and principal shortfalls. Properties in receivership are either returned to their landlord owners or sold.

Loss events reflect both loans that display delinquency in contractual payments of principal or interest or, for buy-to-let loans in receivership but up to date at the balance sheet date, properties where the receiver adopts a sale strategy, where a shortfall may or may not arise.

In addition to loans where loss events are evident, loans are also assessed collectively, grouped by risk characteristics and account is taken of any impairment arising due to events which are believed to have taken place but have not been specifically identified at the balance sheet date. Collective impairment provisions are calculated for each key portfolio based on recent historical performance, with adjustments for expected changes in losses based on management's judgement.

For financial accounting purposes provisions for impairments of loans to customers when first recognised in the income statement are held in an allowance account. These balances are released to offset against the gross value of the loan when it is written off to profit and loss on the administration system. After this point a salvage balance may be held in respect of any further recoveries expected on the loan.

Current tax

Current tax, including UK corporation tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Cash at bank

Balances shown as cash at bank in the balance sheet comprise demand deposits and short-term deposits with banks with initial maturities of not more than 90 days.

Amounts owed by or to group companies

The balances owed by or to other group companies are carried at the current amount outstanding less any provision.

Revenue

The revenue of the Company comprises interest receivable and other income. The accounting policy for the recognition of each element of revenue is described separately within these accounting policies.

Fee and commission income

Other income includes administration fees charged to borrowers, which are credited to the profit and loss account when the related service is performed.

NOTES TO THE ACCOUNTS

YEAR ENDED 30 SEPTEMBER 2016

2. ACCOUNTING POLICIES (CONTINUED)

Disclosures

In preparing these financial statements the Company has taken advantage of the exemptions from disclosure provided by FRS 101 in respect of:

- The requirement to produce a cash flow statement and related notes
- The requirement to provide comparative period reconciliations in respect of share capital
- Disclosures in respect of transactions with wholly owned subsidiaries
- Disclosures in respect of capital management
- The effects of new, but not yet effective IFRSs
- Disclosures in respect of key management personnel
- Disclosures of transactions with a management entity which provides key management personnel services to the Company

As the consolidated financial statements of The Paragon Group of Companies PLC, the ultimate parent undertaking of the Company, include equivalent disclosures the Company has also taken advantage of these further exemptions provided by FRS 101:

- Certain disclosures required by IFRS 13 – ‘Fair Value Measurement’
- Certain disclosures required by IFRS 7 – ‘Financial Instruments Disclosures’

The Company presently intends to continue to apply these exemptions in future periods.

3. TRANSITION TO FRS 101

As stated in note 2 these are the first financial statements prepared by the Company in accordance with FRS 100 and FRS 101. The accounting policies used in drawing up the financial statements for the year ended 30 September 2016 are set out in note 2 and these have also been applied in preparing the comparative information presented in these financial statements.

In preparing these accounts the Company has not been required to adjust amounts presented in its balance sheet under old UK GAAP. This is a result of the old UK Accounting Standards principally affecting the Company's accounting, FRS 25 – ‘Financial Instruments: Presentation’ and FRS 26 – ‘Financial Instruments: Recognition and Measurement’ being equivalent to their IFRS counterparts IAS 32 - ‘Financial Instruments: Presentation’ and IAS 39.

NOTES TO THE ACCOUNTS**YEAR ENDED 30 SEPTEMBER 2016****4. CRITICAL ACCOUNTING ESTIMATES**

Certain balances reported in the Financial Statements are based wholly or in part on estimates or assumptions made by the directors. There is, therefore, a potential risk that they may be subject to change in future periods. The most significant of these are:

Impairment losses on loans to customers

Impairment losses on loans are calculated based on statistical models. The key assumptions revolve around estimates of future cash flows from customers' accounts, their timing and, for secured accounts, the expected proceeds from the realisation of the property. These key assumptions are based on observed data from historical patterns and are updated regularly based on new data as it becomes available.

In addition the directors consider how appropriate past trends and patterns might be in the current economic situation and make any adjustments they believe are necessary to reflect the current conditions.

The accuracy of the impairment calculations would therefore be affected by unexpected changes to the economic situation, variances between the models used and the actual results or assumptions which differ from the actual outcomes.

In particular, if the impact of economic factors such as employment levels on customers is worse than is implicit in the model then the number of accounts requiring provision might be greater than suggested by the model, while falls in house prices, over and above any assumed by the model might increase the provision required in respect of accounts currently provided.

Effective interest rates

In order to determine the EIR applicable to loans and borrowings an estimate must be made of the expected life of each loan and hence the cash flows relating thereto. For purchased accounts this will involve estimating the likely future performance of the accounts at the time of acquisition. These estimates are based on historical data and reviewed regularly. For purchased accounts historical data obtained from the vendor will be examined. The accuracy of the EIR applied would therefore be compromised by any differences between actual repayment profiles and that predicted, which in turn would depend directly or indirectly on customer behaviour.

5. FINANCIAL RISK MANAGEMENT

The Company's operations are financed principally by a mixture of share capital and loans from other group companies. The principal risk arising from the Company's financial instruments is credit risk. The board of the Company's holding company reviews and agrees policies for all companies in the Group managing these risks and they are summarised below. These policies have remained unchanged throughout the year and since the year end. The Company's primary financial liabilities are with other group companies; therefore the directors do not consider that the Company is exposed to any significant cash flow or liquidity risks.

NOTES TO THE ACCOUNTS

YEAR ENDED 30 SEPTEMBER 2016

5. FINANCIAL RISK MANAGEMENT (CONTINUED)

Credit risk

The Company's credit risk is primarily attributable to its loans to customers. The maximum credit risk at 30 September 2016 approximates to the carrying value of loans to customers (note 10). There are no significant concentrations of credit risk due to the large number of customers included in the portfolios.

In assessing credit risk an applicant's ability to repay the loan remains the overriding factor in the decision to lend by the originator.

The acquired mortgages are secured by first charges over residential properties in the United Kingdom. Despite this security, in assessing credit risk an applicant's ability to repay the loan remains the overriding factor in the decision to lend by the originating lender. Additionally, each mortgage has the benefit of one or more life assurance policies and certain mortgages have the benefit of a mortgage guarantee indemnity insurance policy.

Idem Capital Securities Limited, a fellow group company, continues to administer the loans on behalf of Idem (No.3) Limited and the collections process is the same as that utilised for all companies in the Group.

In order to control credit risk relating to counterparties to the Company's financial instruments, the board of the Company's holding company determines on a group basis, which counterparties the group of companies will deal with, establishes limits for each counterparty and monitors compliance with those limits.

6. INTEREST RECEIVABLE - OTHER

	2016 £000	2015 £000

Interest payable to group companies	<u>503</u>	<u>760</u>

8. DIRECTORS AND EMPLOYEES

Directors received no remuneration for the services provided to the Company during either the current or the preceding year.

The Company had no employees in the current or preceding year. All administration is performed by employees of the Group. The directors of the Company are all employed by Paragon Finance PLC, a fellow group company, and their remuneration is disclosed within the financial statements of that company, which do not form part of this Report.

	2016 £000	2015 £000
Current tax		
Corporation tax	586	925

b) Factors affecting the tax charge for the year

	2016 £000	2015 £000
Profit before tax	2,928	4,513
UK corporation tax at 20% (2015: 20.5%) based on the profit for the year	586	925

During the year ended 30 September 2014 the Government enacted provisions reducing the rate of corporation tax from 23.0% to 21.0% with effect from 1 April 2015 and to 20.0% from 1 April 2016.

During the year ended 30 September 2016 the Government announced provisions further reducing the rate of corporation tax to 19.0% with effect from 1 April 2017 and to 18.0% from 1 April 2020 which were enacted after the year end.

Therefore the standard rate of corporation tax applicable to the Company for the year ended 30 September 2015 was 22.0%, the rate for the year ended 30 September 2016 was 20.5%, the rate in the year ending 30 September 2016 is expected to be 20.0%, the rate in the years ending 30 September 2017 and 30 September 2018 is expected to be 19.0%, the rate in the year ending 30 September 2020 is expected to be 18.5% and the rate in subsequent years is expected to be 18.0%.
