**REPORT OF THE TRUSTEES  
For The Year Ended 31 August 2021**

---

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 August 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**OBJECTIVES AND ACTIVITIES**

**Objectives and aims**

The Charity's objects are for the benefit of the public generally and, in particular, the inhabitants of Kent and its surrounding areas:-

(a) to promote community participation in healthy recreation by providing facilities for the playing of association football and other sports capable of improving health ("facilities" means land, buildings, equipment and organising sporting activities);

(b) to provide and assist in providing facilities for sport, recreation or other leisure time occupation of such persons who have need for such facilities by reason of their youth, age, infirmity or disablement, poverty or social and economic circumstances or for the public at large in the interests of social welfare and with the object of improving their conditions of life; and

(c) to advance the education of children and young people through such means as the trustees think fit in accordance with the law of charity.

**Significant activities**

Each of the activities delivered by the Trust in this year met the objectives, as they aimed to deliver participation and education opportunities to the benefit of its community. As projects are developed, the charity Manager discusses with the Trustees who then challenge, to ensure that the projects fit with the charities objectives and meet charities commission guidance on public benefit.

**Public benefit**

The trustees have complied with the duty in section 17 (5) of the 2011 Charities Act to have due regard to the Charities Commission's guidance on Public Benefit when developing and implementing the charity's objects and aims. (See Objectives and Activities above).

**ACHIEVEMENT AND PERFORMANCE**

**Charitable activities**

The Trustees are reviewing the structure and activities in order to move the Charity forward in 2021.

There were no material fundraising activities of note during the year.

The charity had a positive year in terms of building relationships within the community, which we hope will help towards the development and growth of GFCCT in future years.

**FINANCIAL REVIEW**

**Principal funding sources**

There have been no sources of funding and it is intended that education should continue to be a focus for the charity going forward as it not only meets the objectives of the charity but greatly supports the need in the community and in Kent.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Recruitment and appointment of new trustees**

The charity will be looking to appoint new Trustees with a wider range of skills to help develop the Charity.

**Organisational structure**

The charity went through changes during 2019 with regards to its organisational structure, which led to the decision to wind down the Charity until the correct organisational structure is in place.

The charity completes annual capability status through the English Football League Trust (EFLT) and the Premier League Charitable Fund (PLCF), which helps the charity to ensure it is compliant of charitable law and regulation whilst also working to good practice. Policies and Procedures are a significant part of this capability status/health check.

In addition to this, the charity chooses to support other charitable organisations on a season by season (football season) basis. This is in line with its objectives of supporting the community. Examples include Matches of Action for charities such as Prostate Cancer UK and Football vs. Homophobia.
