Our ref: KL/B093H/3.1

Dear Sirs

Big Screen Productions 5 Limited (“the Company”) – In Creditors’ Voluntary Liquidation

As you are aware I was appointed Liquidator of the Company on 11 December 2018 and the basis of my remuneration was approved by the Creditors on a fixed fee basis. I am now seeking an increase in my fees as detailed below.

In the absence of a Liquidation Committee it falls to the creditors to approve, or reject, my request for a fee increase. I am seeking a decision by correspondence from the creditors. If you wish to vote on the decision, you must complete and return the enclosed notice of decisions by correspondence to me by no later than 23.59 on 6 February 2023, the decision date. If you have not already submitted proof of your debt, please complete the enclosed form and return it to me, together with the relevant supporting documentation. Your vote on the resolutions will not count unless you have lodged proof of your debt by no later than 23.59 on 6 February 2023.

You are also invited to determine whether to form a Liquidation Committee, and a notice of invitation to form a liquidation committee and further instructions are enclosed. To enable you to make an informed decision as to whether you wish to either seek to form a Committee, or to nominate yourself to serve on a Committee, further information about the role of the Committee and what might be expected from its members has been prepared by R3 and can be found at the link <https://www.r3.org.uk/technical-library/england-wales/technical-guidance/creditor-guides/more/29111/page/1/liquidation-creditors-committees-and-commissioners/>

The following documents are enclosed with this report:

- Notice of decisions for which approval is sought;
- Voting Form;
- Notice of invitation to form a Liquidation Committee;
- Insolvency Assignment Charging and Expenses Recovery Policy;
- Proof of debt form; and
- A receipts and payments account.

Please note that I must receive at least one vote by the decision date or the decision will not be made. I would therefore urge you to respond promptly.

Should any creditor or group of creditors wish to request a physical meeting of creditors, they must do so within 5 business days of the delivery of the notice that accompanies this letter. Such requests must be supported by proof of their debt, if not already lodged. I will convene a meeting if creditors requesting a meeting represent a minimum of 10% in value or 10% in number of creditors or simply 10 creditors, where “creditors” means “all creditors.”

I would advise you that when considering the decisions regarding approval of my fees, if I only receive votes from creditors who I consider may be my associates under the provisions of Statement of Insolvency Practice 9, I will use their votes.

I am seeking an increase in the amount of remuneration that I can draw in this case. This is as a result of both having to undertake additional work on the case and the work that I have undertaken taking longer than anticipated.

If creditors require any further information, please contact Layla Marsh by email laylamarsh@insolveplus.com

Yours faithfully

Lloyd Hinton FIPA

Big Screen Productions 5 Limited – In Creditors’ Voluntary Liquidation

Liquidator’s Progress Report to Creditors and Members For the year ending 10 December 2022

1. Introduction

Following my appointment as Liquidator of the Company on 11 December 2018 and in accordance with Section 104A of the Insolvency Act 1986 and all associated provisions of the Insolvency (England & Wales) Rules 2016, I hereby report on the progress of the Liquidation following the fourth anniversary of my appointment.

2. Statutory Information

Company name:	Big Screen Productions 5 Limited
Registered office:	Allan House, 10 John Princes Street, London, W1G 0AH
Former registered office:	15 Golden Square, London, W1F 9JG
Registered number:	06632489
Liquidator’s name:	Lloyd Edward Hinton
Liquidator’s address:	Allan House, 10 John Princes Street, London, W1G 0AH
Liquidator’s date of appointment:	11 December 2018

As the Company had its only place of business at premises in the UK, the EC regulations apply, these proceedings are Main Proceedings as defined in Article 3 of the EC Regulation.

3. Liquidator’s actions for the period 11 December 2021 to 10 December 2022

Following the third anniversary of my appointment, I issued my annual report to all known members and creditors on 2 February 2022.

My instruction of Brecher LLP, of 64 N Row, Mayfair, London W1K 7DA has continued throughout the period covered by this report.

My Solicitor has been corresponding with Disney and Fox in the USA in respect of the secured asset and liability position. I am pleased to report that significant progress has been made in relation to releasing the secured position.

Regarding the potential ongoing film rights, this matter is also ongoing. I will provide creditors with an update in a subsequent report.

4. Liquidator’s Receipts & Payments Account

Attached to this report is a full account of receipts and payments for the period from 11 December 2021 to the fourth anniversary of my appointment, being the 10 December 2022 and a full account of

receipts and payments for the entirety of the Liquidation to 10 December 2022, which should be read in conjunction with the information contained in this report and my previous reports.

Creditors will note that as the Company is not registered for VAT, all transactions are shown inclusive of VAT where applicable. Estate funds are held on an interest bearing account at Metro Bank Plc.

I specifically comment in respect of the matters arising during the last year as follows:-

4.1 Receipts

4.1.1 Bank Interest Gross

During the period covered by this report, interest of £31 has been received from Metro Bank Plc.

4.2 Assets Remaining to be Realised

As previously reported, the principal activity of the Company was as a corporate member of Big Screen Productions 5 LLP ("the Partnership") a trading Limited Liability Partnership.

The Company's total investment at the date of Liquidation was £16,363,362. As a result of its investment in the Partnership, the Company retains a right to drawings from the Partnership, the majority of which must be used to repay the limited recourse loan received by the Company which financed its investment in the Partnership.

The investment is subject to a fixed charge, which is a matter upon which I have sought advice, as detailed above.

In addition, I understand that there may be ongoing film rights and I am liaising with the parent company in this regard.

4.3 Payments

4.3.1 Legal Fees

An amount of £1,800 has been paid to Brecher LLP in respect of legal fees.

4.3.2 Corporation Tax

£10 has been paid to HM Revenue & Customs ("HMRC") in respect of the Corporation Tax payable on bank interest received.

5. Liabilities

5.1 Secured Creditors

The Statement of Affairs ("SofA") showed a fixed charge in favour of Twentieth Century Fox Film Corporation in the sum of £16,363,362 against the investment in the partnership. There are three charges showing as outstanding in favour of Twentieth Century Fox Film Corporation at Companies House.

The legislation requires that if the Company has created a floating charge after 15 September 2003, a prescribed part of the Company's net property (i.e. the money that would otherwise be available to

the charge holder) should be ring-fenced for distribution to unsecured creditors. In this case there were no creditors secured by a floating charge such that the prescribed part provisions do not apply.

5.2 Preferential Creditors

The SofA did not anticipate any preferential creditors and I confirm that no claims have been received.

5.3 Unsecured Creditors

Unsecured Creditors

The SofA listed three unsecured creditors with claims totalling £34,506. To date, two claims have been received totalling £33,808.

Crown Creditors

The statement of affairs included an amount of £698 due to HMRC however no claim has yet been received from HMRC.

6. Dividend Prospects

Once the security, investment and film right positions have been finalised I will be in a position to pay a first and final dividend to unsecured creditors and conclude the Liquidation.

In addition, based on current information, I anticipate that there will be funds available to enable a return to the shareholder.

7. Investigation into the affairs of the Company

There were no additional matters arising during the year that justified further investigation.

8. Pre-appointment Remuneration

At a virtual meeting of the Company's creditors held on 11 December 2018, a resolution was passed whereby the fees and disbursements of Insolve Plus Ltd in respect of assisting the Board of Directors in preparing the SofA and convening the virtual meeting of creditors amounting to £5,000 plus VAT and disbursements, and £500 plus VAT in respect of the preliminary work completed by Insolve Plus Ltd, be paid from asset realisations as an expense of the liquidation. Accordingly, the sum of £5,500 plus VAT, (totalling £6,600) has been drawn.

9. Liquidator's Remuneration

On 7 February 2020 creditors resolved by correspondence that my fees be approved on a fixed fee basis of £10,000 plus VAT. Accordingly £12,000 inclusive of VAT was drawn in full, in a prior reporting period.

A resolution was passed at the virtual meeting of creditors held on 11 December 2018 that the Liquidator be authorised to draw all necessary expenses and any Category 2 Disbursements as set out in the Insolve Plus Ltd's Insolvency Assignment Charging and Disbursement Recovery Policy.

However, since the basis of my remuneration was fixed a significant amount of more time has been spent in dealing with Disney and Fox in the USA in relation to the secured asset and liability position. As a result, I am seeking an increase in the fixed fee already approved by creditors of £18,500 plus VAT so that the total fixed fee is £28,500 plus VAT.

Based on the value of the known assets of the Company I anticipate being able to draw my increased fixed fee in full.

As previously indicated to creditors, when seeking fee approval, I consider that this is a more complex case, and consider that after taking into account the nature and value of the assets involved, and the change in circumstances that have occurred since fee approval was obtained, this demonstrates why the increase in fixed fee requested is expected to produce a fair and reasonable reflection of the work that I anticipate will be necessarily and properly undertaken on the case.

I was authorised to draw all necessary disbursements and any Category 2 expenses as set out on the Insolve Plus Ltd's disbursement policy statement as and when I consider it appropriate.

A Creditors Guide to Fees, which provides guidance as to how an insolvency practitioner's remuneration is authorised, may be obtained from the Insolve Plus Ltd website via the following link, www.insolveplus.com/faq. Alternatively, you may telephone this office requesting a copy of the document, and one will be sent to you free of charge.

Further information about creditors' rights can be obtained by visiting the creditors' information micro-site published by the Association of Business Recovery Professionals (R3) at <http://www.creditorinsolvencyguide.co.uk/>. Details about how an office holder's fees may be approved for each case type are available in a series of Guidance Notes issued with Statement of Insolvency Practice 9, and they can be accessed at www.insolveplus.com/faq

10. Liquidator's Expenses

Expenses are any payments from the estate which are neither an office holder's remuneration nor a distribution to a creditor or a member. Expenses also includes disbursements. Disbursements are payments which are first met by the office holder and then reimbursed to the office holder from the estate. Expenses are split into:

- Category 1 expenses, which are payments to persons providing the service to which the expense relates who are not an associate of the office holder; and
- Category 2 expenses, which are payments to associates or which have an element of shared costs. Before being paid category 2 expenses require approval in the same manner as an office holder's remuneration.

10.1 Category 1 Expenses

During the annual period to 10 December 2022, I have not incurred any Category 1 expenses.

10.2 Category 2 Expenses

Creditors will note that during the course of the Liquidation no Category 2 expenses have been incurred.

Attached to this report is also a statement of the creditors rights to request further information in accordance with Rule 18.9 of the Insolvency (England & Wales) Rules 2016, and their right to challenge my remuneration and expenses in accordance with Rule 18.34 of The Insolvency (England & Wales) Rules 2016.

A Creditor may, with the permission of the court or with at least 5% of the total voting rights of all the Creditors having the right to vote at general meetings of the company request further details of my remuneration and expenses, within 21 days of receipt of this report.

A Creditor may, with the permission of the court or with at least 10% of the total voting rights of all the Creditors having the right to vote at general meetings of the company, apply to court to challenge the amount and/or basis of my fees and the amount of any proposed expenses or expenses already incurred, within 8 weeks of receipt of this report.

10.3 Professional Advisors

I have used the following professional advisors in the reporting period:

Professional Advisor	Nature of Work	Basis of Fees
Brecher LLP	Solicitors	Time costs

The choice of professionals used was based on my perception of their experience and ability to perform this type of work, the complexity and nature of the assignment and the basis of my fee arrangement with them. I also confirmed that they hold appropriate regulatory authorisations. I have reviewed the fees they have charged and am satisfied that they are reasonable in the circumstances of this case.

11. Further Information

An unsecured creditor may, with the permission of the Court, or with the concurrence of 5% in value of the unsecured creditors (including the creditor in question), request further details of the Liquidator's remuneration and expenses within 21 days of their receipt of this report. Any secured creditor may request the same details in the same time limit.

An unsecured creditor may, with the permission of the Court, or with the concurrence of 10% in value of the unsecured creditors (including the creditor in question), apply to Court to challenge the amount of remuneration charged by the Liquidator as being excessive, and/or the basis of the Liquidator's remuneration, and/or the amount of the expenses incurred as being excessive, within 8 weeks of their receipt of this report. Any secured creditor may make a similar application to court within the same time limit.

To comply with the Provision of Services Regulations, some general information about Insolve Plus Ltd can be found at www.insolveplus.com/privacypolicy.

12. Summary

The Liquidation will remain open until the position concerning the charges and investment has been ascertained and dealt with accordingly. I estimate that this will take approximately 12-18 months and once resolved the Liquidation will be finalised and my files will be closed.

If creditors have any queries regarding the conduct of the Liquidation, or if they require hard copies of any of the documents made available on-line, they should contact Layla Marsh on 020 7495 2348, or by email at laylamarsh@insolveplus.com.

Insolvency Assignment Charging and Expenses Recovery Policy

Fixed fee and percentages of realisations and distributions

Where the approved basis of remuneration is as a fixed fee and/or on a percentage of realisations and distributions, the charges are applied as follows, unless otherwise specified and approved;

Fixed fee basis

There are certain tasks that have to be undertaken in nearly every insolvency assignment, namely Administrative duties and dealing with Creditors. Although they are required by statute or regulatory guidance, or are necessary for the orderly conduct of the proceedings, they do not produce any direct benefit for creditors, but still have to be carried out.

Administration: This represents the work that is involved in the routine administrative functions of the case by the Office Holder and their staff, together with the control and supervision of the work done on the case by the Office Holder (and their managers). It does not give direct financial benefit to the creditors, but has to be undertaken by the Office Holder to meet their requirements under the Insolvency legislation and the Statements of Insolvency Practice, which set out the required practice that Office Holders must follow.

Creditors: Employees - The Office Holder needs to deal with the ex-employees in order to ensure that their claims are processed appropriately by the Redundancy Payments Service (RPS). That work will include dealing with queries received from both the ex-employees and the RPS to facilitate the processing of the claims. The Office Holder is required to undertake this work as part of his statutory functions.

Claims of creditors - the Office Holder needs to maintain up to date records of the names and addresses of creditors, together with the amounts of their claims as part of the management of the case, and to ensure that notices and reports can be issued to the creditors. The Office Holder will also have to deal with correspondence and queries received from creditors regarding their claims and dividend prospects as they are received. The Office Holder is required to undertake this work as part of his statutory functions.

This Firm's past time records have been reviewed and after taking into account the complexity of the insolvency assignment, concluded that a fixed fee of £18,500 plus VAT is necessary to cover administrative work. This fee is to be drawn from the asset realisations at the Office Holder's discretion, as and when funds are available. A fixed fee of £18,500 plus VAT for undertaking that work in the insolvency assignment is being sought. This demonstrates why the fixed fee is expected to produce a fair and reasonable reflection of the work that is anticipated to be necessarily and properly undertaken. Information about the work that will be undertaken for the fixed fee is listed below. Please note that the list includes generic tasks that may not be necessary every time, but arise in a typical case and are expected to be necessary in this case. If any one task is not required it would not make a material difference to the amount of work done for which approval of the fixed fee is being sought.

- Dealing with anti-money laundering and anti-bribery compliance requirements
- Undertaking statutory notifications to Companies House and Creditors, including gazetting the Office Holders appointment
- Arranging the statutory advertising of the appointment
- Case planning and devising an appropriate strategy for dealing with the case and giving instructions to the staff to undertake the work on the case
- Obtaining a specific penalty bond
- Reviewing adequacy of specific penalty bond on a regular basis
- Setting up and maintaining case files
- Setting up the case on the Office Holders electronic case management system ("IPS") and entering data
- Convening and holding meetings of members and creditors where applicable
- Dealing with decision making procedure
- Dealing with all routine correspondence and emails relating to the case

- Opening, maintaining and managing Office Holders estate bank account
- Creating, maintaining and managing Office Holders cash book
- Undertaking regular reconciliations of the estate bank account(s)
- Undertaking regular reviews of the progress of the case
- Filing returns at Companies House
- Preparing and filing Corporation Tax return

The above list is not exhaustive, but provides an overview of the work anticipated to be carried out in the insolvency assignment, which is either required by Statute or necessary to perform the basic duties of an Office Holder, but may not necessarily provide a direct financial benefit to creditors.

If the case remains open for more than two years an additional fee of £5,000 plus VAT will be charged, per annum, from the third year onwards, to cover the administrative and statutory work required to keep the case open.

Percentage basis:

There are certain tasks that are carried out where there are assets to recover. They may produce a direct benefit for creditors, but are subject to the costs of the proceedings generally. The work is undertaken to protect and then realise the assets, initially at this Practice's own cost, suffering the loss if any asset is not recoverable. If assets are recovered, the Office Holder's costs are first recovered and then any balance is distributed. A percentage basis is being sought as it reflects the risk being taken, the nature of the assets involved, the complexity of the insolvency assignment and shares the anticipated benefit with the creditors.

The Office Holder will, therefore, be seeking fees based on the percentages of asset realisations listed below (net of any fixed charges or finance). Creditors should note that these charges will not be levied on the first £18,500 of realisations if the Office Holder has drawn a fixed fee as detailed above. The percentage proposed is expected to produce a fair and reasonable fee to reflect the work that is necessarily and properly undertaken to realise assets.

• Equity in Freehold / Leasehold Property	25%
• Plant & Machinery / Fixtures & Fittings / Stock	25%
• Goodwill / Intellectual Property Rights / Investments	25%
• Book Debts / Work in Progress / Rent Deposit	20%
• Equity in Motor Vehicles	20%
• Cash at Bank / Funds held by reporting accountant	15%
• HM Revenue & Custom Refunds	15%
• In relation to any other asset recovery arising from the Office Holders investigations (e.g. antecedent transaction recoveries)	50%

The Office Holder will in addition be seeking remuneration as a percentage of the value of total distributions to creditors (excluding fixed charge creditors) (to be deducted from the total distribution including Prescribed Part payments), as listed below. This reflects the additional work on creditors claims to facilitate a distribution to creditors

• The first £20,000	25%
• The next £80,000	15%
• Over £100,000	10%

The work undertaken on a percentage basis includes, but is not limited to, the following;

- Arranging suitable insurance over assets
- Regularly monitoring the suitability and appropriateness of the insurance cover in place
- Corresponding with debtors and attempting to collect outstanding book debts
- Liaising with banks regarding the closure of accounts
- Instructing agents to value known assets
- Disposing of the business and assets

Time cost basis

Where the approved basis of remuneration is on a time costs basis, work undertaken on cases is recorded in 6 minute units in an electronic time recording system. Time properly incurred on cases is charged at the hourly rate of the grade of staff undertaking the work that applies at the time the work is done. Details of charge-out rates effective from 18 March 2021 are as follows:

Directors	£450 - £595
Associate Directors	£450
Senior Managers	£405
Managers	£350
Assistant Managers	£310
Senior Administrators	£250
Administrators	£175

Expenses recovery

Category 1 expenses

Category 1 expenses will generally comprise external supplies of incidental services specifically identifiable to the case. Where these have initially been paid by Insolve Plus and then recharged to the case, approval from creditors is not required. The amount recharged is the exact amount incurred. Category 1 expenses can be drawn without prior approval.

Examples of Category 1 expenses include postage, case advertising, specific bond insurance, company search fees, travel and properly reimbursed expenses incurred by personnel in connection with the case. Also included will be services specific to the case where these cannot practically be provided internally such as printing and external room hire. Document storage and associated services is charged at cost.

If an asset agent is required on a case it is anticipated that they would be paid approximately £1,000 plus VAT for providing a valuation report, but this may vary according to the size and complexity of the assets. If that agent is then required to assist with the sale of those assets it would be anticipated that the agent would receive approximately 10% of gross realisations. In the event that the office holder instructs a debt collection agent it is anticipated that the agent will be paid a percentage of debtor realisations. This percentage will vary from approximately 5% to 25% depending upon the age and complexity of the debt. If the Office Holder is required to instruct a solicitor it is anticipated that the solicitor will charge on a time cost basis which would be monitored by the office holder and disclosed to creditors in future progress reports.

Category 2 expenses

Category 2 expenses are payments to associates or which have an element of shared costs. Category 2 expenses may be drawn if they have been approved in the same manner as an Office Holder's remuneration. When seeking approval, an Office Holder should explain, for each category of expenses, the basis on which the charge is being made. Examples of Category 2 expenses are photocopying/scanning and all business mileage.

The current levels of Category 2 expenses recovered by Insolve Plus are as follows:-

Photocopying/scanning (internal)	15p per side
Business mileage	45p per mile

All costs are subject to VAT, where applicable. The costs recharged are based upon the actual cost of the materials used or the costs which would have been incurred if that service had been sourced externally.
