Report of the Trustees for the Year Ended 30 November 2020

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 November 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

Objectives and aims

The objectives of the charitable company are as stated in its governing document, the advancement of the physical education of children and young people under the age of 18 years by the provision of organisation or assistance in the provision of organisation of facilities or paying for items, services or facilities, in the pursuit or support of sporting or recreational activities in Lincolnshire and Nottinghamshire.

Achievement and performance

Charitable activities

The Trust has faced a challenging year as a result of the Covid pandemic which has curtailed sporting activities throughout the country and proved a major disrupter of the educational establishment.

Introduction of Kin-ball as an additional activity has, of necessity, been postponed. All of the equipment required for the project is now in stock; it is unlikely that the scheme will be launched until late 2021 or early 2022.

Most of the activities of the many schools and clubs supported by the Junior Sports Programme Trust have been discontinued but some improvement is expected in the early part of 2021 and the Trustees are closely monitoring the development of non-contact variants of Lacrosse, Ultimate and various projects being promoted by Active Lincolnshire.

The Junior Sports Programme Trust has not been eligible for any of the grants or other forms of government support during the Covid crisis but has sufficient stocks, sports equipment, trophies and related literature to resume our usual activities as soon as circumstances allow.

Improvements to the website have been made in the interim and all on-line services have continued to remain available.

Financial review

Financial position

The reserves in the charity have increased in the year to £1,785. The charity's overheads are, however, negligible and the Trustees consider that the reserve requirements of the charity are minimal.

Structure, governance and management

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Charity constitution

The organisation is a charitable company limited by guarantee incorporated on 14 July 2008 as the Junior Sports Programme Trust Limited. The company is governed by its Memorandum and Articles of Association and, in the event of it being wound up, members are required to contribute an amount not exceeding £10.
