The financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime.

In accordance with Section 444 of the Companies Act 2006, the Statement of income and retained earnings has not been delivered.

The financial statements were approved by the Board of Directors and authorised for issue on 20 September 2022 and were signed on its behalf by:

B M Gardiner - Director

## NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 March 2022

#### 1. STATUTORY INFORMATION

Driveshaft Parts Ltd is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

### 2. ACCOUNTING POLICIES

#### Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

#### Going Concern

The directors have prepared the financial statements on a going concern basis. The directors have received written guarantees of continuing financial support from the Group for at least twelve months from the date these financial statements were approved. Should the company not return to profitability, and a positive net asset position, after twelve months following the date of the approval of these financial statements, the directors are confident that the Group will continue to provide support, which in the opinion of the directors, supports the going concern assumption.

The directors have reviewed the post year end financial information available at the tine of approving these financial statements, giving consideration to the worldwide coronavirus pandemic (COVID 19), and have concluded that the financial statements should be prepared on a going concern basis.

#### Related party exemption

The company has taken advantage of exemption, under the terms of Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', not to disclose related party transactions with wholly owned subsidiaries within the group.

#### **Turnover**

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

#### Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery etc - 20% on cost

#### Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

### Taxation

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

#### True and fair override

These financial statements have departed from the requirements of FRS 102 Section 20 with regards to the treatment of an operating lease entered into by the company during the period. This departure was necessary, in the the opinion of the directors, to show a true and fair view of the company's financial position with reference to other group undertakings within the group, ensuring all group accounting policies are consistent. The impact of this treatment is immaterial to the overall net assets and to the reported loss for the year.

#### 3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 3 (2021 - 2).
