Notes to the financial statements

For the year ended 31 March 2022

1 Accounting policies

Basis of accounting

The Company has transitioned its financial statements from FRS 102 to FRS 101 this year. In the transition to FRS 101, the Company has applied IFRS 1 whilst ensuring that its assets and liabilities are measured in compliance with FRS 101.

The principal accounting policies are set out below all of which have been applied consistently throughout the year and the preceding year.

Exemptions taken

The entity satisfies the criteria of being a qualifying entity as defined in FRS 101. Its financial statements are consolidated into the consolidated financial statements of Auto Trader Group plc. The shareholders of the Company have been informed of the use of the disclosure exemptions set out in FRS 101, and have not objected to their adoption, specifically in relation to the Company not preparing its own cash flow statement, the disclosure of transactions between companies within the same group, certain financial instrument disclosures, share-based payment disclosures and the non-disclosure of the compensation of key management personnel.

Licensing

The Company maintains a licence agreement with a third party to use trademarks in perpetuity and is royalty free, hence no income is generated from this agreement.
