- (b) each other Chargor will waive any rights it may have by reason of the performance of its obligations under the Finance Documents to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any right of any Finance Party or of any other security taken under, or in connection with, any Finance Document where the rights or security are granted by or in relation to the assets of the retiring Chargor

#### 23.10 **Collateral Security**

When any Security Interest initially takes effect as a collateral or further Security Interest to another Security Interest intended to be constituted under this Deed or which otherwise secures all or any part of the Secured Obligations to which a Chargor is a party then, despite any receipt, release or discharge endorsed on or given in respect of or under the second mentioned Security Interest, the first mentioned Security Interest will operate as an independent Security Interest.

### 24 **Prior Security Interests**

- (a) In the event of any action, proceeding or step being taken to exercise any powers or remedies conferred by any prior ranking Security Interest against any of the Charged Assets or in case of exercise by the Security Trustee or any Receiver of any power of sale under this Deed, the Security Trustee may redeem such prior Security Interest or procure the transfer thereof to itself.

- (b) The Security Trustee may settle and agree the accounts of the prior Security Interest and any accounts so settled and passed will be conclusive and binding on the Chargors.
- (c) All principal monies, interest, costs, charges and expenses of and incidental to any redemption or transfer will be paid by the Chargors to the Security Trustee on demand together with accrued interest thereon as well as before judgment at the rate from time to time applicable to unpaid sums specified in the Facilities Agreement from the time or respective times of the same having been paid or incurred until payment thereof (as well as after as before judgment).

## **25 Subsequent Security Interests**

If the Security Trustee or any of the other Finance Parties at any time receives or is deemed to have received notice of any subsequent Security Interest, assignment or transfer affecting the Charged Assets or any part of the Charged Assets which is prohibited by the terms of any Finance Document, all payments thereafter by or on behalf of any Chargor to the Security Trustee will (in the absence of any express contrary appropriation by the Chargor) be treated as having been credited to a new account of such Chargor and not as having been applied in reduction of the Secured Obligations at the time that notice was received.

## **26 Suspense Accounts**

All monies received, recovered or realised by the Security Trustee under this Deed (including the proceeds of any conversion of currency) may in the discretion of the Security Trustee be credited to any interest bearing suspense or impersonal account(s) maintained with a financial institution (including itself) for so long as it may think fit (the interest being credited to the relevant account) pending their application from time to time at the Security Trustee's discretion, in or towards the discharge of any of the Secured Obligations.

## **27 Notices**

Any communication under this Deed shall be made and given in accordance with the terms of clause 34 (*Notices*) of the Facilities Agreement.

## **28 Counterparts**

This Deed may be executed in any number of counterparts and all of those counterparts taken together shall be deemed to constitute one and the same instrument.

## **29 Governing law and jurisdiction**

- (a) This Deed and any non-contractual obligations arising out of or in connection with it are governed by and construed in accordance with English law.
- (b) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute regarding the existence, validity or termination of this deed or any non-contractual obligations arising out of or in any way relating to this Deed) (**Dispute**).
- (c) The parties to this Deed agree that the courts of England are the most appropriate and convenient courts to settle the Disputes and accordingly no party will argue to the contrary.

**This Deed** has been executed as, and is intended to take effect as, a deed by the Chargors and is delivered and has been signed by the Security Trustee on the date written on the first page of this Deed
